Isabel Wilkerson chronicles one of the great untold stories of American history the decades long migration of black citizens who fled the South for northern and western cities in search of a better life From 1915 to 1970 this exodus of almost six million people changed the face of America Wilkerson compares this epic migration to the migrations of other peoples in history She interviewed more than a thousand people and gained access to new data and official records to write this definitive and vividly dramatic account of how these American journeys unfolded altering our cities our country and ourselves With stunning historical detail Wilkerson tells this story through the lives of three unique individuals Ida Mae Gladney who in 1937 left sharecropping and prejudice in Mississippi for Chicago where she achieved quiet blue collar success and in old age voted for Barack Obama when he ran for an Illinois Senate seat sharp and quick tempered George Starling who in 1945 fled Florida for Harlem where he endangered his job fighting for civil rights saw his family fall and finally found peace in God and Robert Foster who left Louisiana in 1953 to pursue a medical career the personal physician to Ray Charles as part of a glitteringly successful medical career which allowed him to purchase a grand home where he often threw exuberant parties Wilkerson brilliantly captures their first treacherous and exhausting cross country trips by car and train and their new lives in colonies that grew into ghettos as well as how they changed these cities with southern food faith and culture and improved them with discipline drive and hard work Both a riveting microcosm and a major assessment *The Warmth of Other Suns* is a bold remarkable and riveting work a superb account of an unrecognized immigration within our own land Through the breadth of its narrative the beauty of the writing the depth of its research and the fullness of the people and lives portrayed herein this book is destined to become a classic

Quicklet on Isabel Wilkerson's The Warmth of Other Suns: The Epic Story of America's Great Migration Taryn Nakamura, 2012-03-14

ABOUT THE BOOK Isabel Wilkerson's *The Warmth of Other Suns* is truly a labor of love It took 15 years to research and write as she interviewed over 1 200 people Wilkerson tracked down her subjects at churches quilting clubs funerals family reunions and others After preliminary rounds of interviews she narrowed her search down to 30 people and then chose the three main subjects who appear in the book She was racing against the clock to collect as many stories as possible from the migrants whose numbers were starting to dwindle Her book even covers the funerals of both George Starling and Robert Pershing Foster In order to write her story in a heartfelt manner Wilkerson recreated Robert Foster's exhausting drive from Louisiana to California Dr Foster drove through three states without rest because blacks weren't welcome at any motels in those regions Wilkerson's trip was cut short by her parents who insisted she stop before reaching dangerous levels of fatigue At a particularly perilous tract of the drive Wilkerson writes that her mother said You know he must have been ready to cry right about here

MEET THE AUTHOR Taryn was born and raised in Hawaii She recently returned home after receiving a B A in English at Yale University As a writing concentrator at Yale Taryn focused on fiction but as a Hyperink writer she has learned that nonfiction can also be fun In her free time she likes to run at walking pace haunt libraries and eat pickles

EXCERPT FROM THE BOOK Critics have put Isabel Wilkerson's

book on par with classics like *Roots* and *The Grapes of Wrath*. The Wall Street Journal writes Ms Wilkerson does for the Great Migration what John Steinbeck did for the Okies in his fiction masterpiece *The Grapes of Wrath* she humanizes history giving it emotional and psychological depth. The Great Northern Migration But Ms Wilkerson's piece deserves a category of its own. Her book goes beyond both traditional and oral history. She avoided the style of Studs Terkel opting for a more cohesive narrative. A Writer's Long Journey to Trace the Great Migration. Critics agree that Isabel Wilkerson's book is both beautifully written and thoroughly researched. Articles in the New York Times, Wall Street Journal and The New Yorker can attest to that. The book's appearance on Best Book of the Year lists (L.A. Times, The Washington Post, The New Yorker, The Economist and more) reflects the high quality of reporting. Yet the critics diverge in their assessment of the ending of the book and our takeaway. As Kevin Boyle writes in his Chicago Tribune review: In the end, though Wilkerson herself seems to blink, arguing that despite the struggles she so beautifully describes, the Great Migration was nothing less than the fulfillment of the American Dream as the migrants themselves defined it.

Summary Of The Warmth Of Other Suns Alma Duncan, 2020-09-23

Published in 2010, *The Warmth of Other Suns* is a sweeping ethnography of the Great Migration, the mass exodus of African Americans from the South to Northern and Western US cities dating from approximately 1914-1970. The book traces the history of racism in the Jim Crow South as well as the reasons, successes and failures of those African Americans who left the place of their birth in order to seek better economic and social opportunities elsewhere in the United States.

[Summary of The Warmth of Other Suns](#) Readtrepreneur Publishing, 2019-05-24

The Warmth of Other Suns: The Epic Story of America's Great Migration by Isabel Wilkerson. Book Summary. Readtrepreneur. Disclaimer: This is NOT the original book but an unofficial summary. This book is an untold story of the hardships black citizens had to endure in the last century and how they managed to look for a better life fleeing from their hometowns. *The Warmth of Other Suns* tells us the story through the eyes of three black citizens who had to overcome a lot of hardships to be where they are now today. In a society filled with racism, they fled to the north to look for better opportunities. Note: This summary is wholly written and published by Readtrepreneur. It is not affiliated with the original author in any way. The general laws of migration hold that the greater the obstacles and the farther the distance traveled, the more ambitious the migrants. Isabel Wilkerson, With a Pulitzer Prize under her belt, Isabel Wilkerson does an outstanding job of narrating us the story of America's Great Migration without leaving anything important behind. A truly informative non-fiction book that will really leave you thinking about the struggles many black men and women had to face in those days. Isabel Wilkerson's captivating narrative, enthralling concept and extensive research makes this title an A+.

Andrews, Douglas Edward Taylor, 2003 This casebook reprints a selection of important and representative reviews criticism and scholarly analysis of Richard Wright's *Black Boy* American Hunger A Record of Childhood and Youth 1991 **One Mississippi, Two Mississippi** Carol V. R. George, 2015-04-01 During Freedom Summer 1964 three young civil rights workers who were tasked with registering voters at Mt Zion Methodist Church in Neshoba County Mississippi were murdered there by law enforcement and Ku Klux Klansmen The murders were hardly noticed in the area so familiar had such violence become in the Magnolia State For forty one days the bodies of the three men lay undetected in a nearby dam and for years afterward efforts to bring those responsible to justice were met only with silence In *One Mississippi Two Mississippi* Carol V R George links the history of the Methodist Church now the United Methodist Church with newly researched local history to show the role of this large denomination important to both blacks and whites in Mississippi's stumble toward racial justice From 1930 1968 white Methodists throughout the church segregated their black co religionists silencing black ministers and many white ministers as well locking their doors to all but their own members Finally the combination of civil rights activism and embarrassed Methodist morality persuaded the United Methodists to restore black people to full membership As the county and church integrated volunteers from all races began to agitate for a new trial for the chief conspirator of the murders In 2005 forty one years after the killings the accused was found guilty his fate determined by local jurors who deliberated in a city ringed with casinos unrecognizable to the old Neshoba In one sense a spiritual history the book is a microhistory of Mt Zion Methodist Church and its struggles with white Neshoba as a community learned that reconciliation requires a willingness to confront the past fully and truthfully George draws on interviews with county residents black and white Methodist leaders civil rights veterans and those in civic groups academia and state government who are trying to carry the flag for reconciliation George's sources printed oral and material offer a compelling account of the way in which residents of a place long reviled as dark Neshoba have taken up the task of truth telling in a world uncomfortable with historical truth *Borderless by Design* Troy E. Nehls, 2024-01-09 In his previous book *The Big Fraud* Congressman Troy Nehls exposed the deep corruption perpetrated by the Democrats in the 2020 election Now in *Borderless by Design* he examines what's really happening with the Biden administration's destruction of America's southern border The Democrats and their deep state supporters want to cement permanent political power in Washington DC Having turned their backs on their traditional voters middle class blue collar Americans the Democrats have a desperate need to replenish their voter base That's why the Biden administration purposely acting against the Constitution and our country's laws is flooding our border with illegals Regardless of the harm done to America and to illegals themselves Democrats consider the power grab worth the collateral damage If that weren't bad enough the Democrats open border policies also aid and abet those who are trying to destroy America from George Soros and Davos Man to China and the Mexican drug cartels
