You Will Call Me Drog Sue Cowing, 2013-08-01 Parker is a normal sixth grader or he was normal before the puppet It's just an old hand puppet sticking out of a garbage can and even though Parker's best friend says leave it Parker brings the puppet home and tries it on Or maybe it tries him on You will call me Drog the puppet commands once they're alone And now no matter how hard Parker tries he can't get Drog off his hand Drog is sarcastic cruel unpredictable and loud everything Parker isn't Worse yet no one believes that Drog not Parker is the one saying the outrageous things that get Parker into trouble Then Drog starts sharpening his snarky wit on the most fragile parts of Parker's life like his parents divorce Parker's shocked but deep down he agrees with Drog a little Perhaps Drog is saying things Parker wants to say after all Maybe the only way to get rid of Drog is to truly listen to him

The Tunnel at the End of the Light: Essays on Movies and Politics Jim Shepard, 2017-09-12 Shepard may be the best lesser known film critic The New York Times Book Review The first book of nonfiction from one of our great fiction writers Given that most Americans proudly consider themselves non political where do our notions of collective responsibility come from Which self deceptions when considering ourselves as actors on the world stage do we cling to most tenaciously Why do we so stubbornly believe for example that our country always means well when intervening abroad The Tunnel at the End of the Light argues that some of our most persistent and destructive assumptions in that regard might come from the movies In these ten essays Jim Shepard weaves close readings of film with cultural criticism to explore the ways in which movies work so ubiquitously to reflect how Americans think and act Whether assessing the high spirited glee of American ruthlessness captured in GoodFellas or finding in Lawrence of Arabia a portrait of the lunatic serenity of our leaders conviction in the face of all evidence and their own lack of knowledge he explores how we enter into conversations with specific genres and films Chinatown The Third Man and Badlands among others in order to construct and refine our most cherished illusions about ourselves

The Way Things Work C. Van Amerongen, 1967 How are matches made Why is dry cleaning called dry How does a speedometer work Why can the heat of an iron be regulated What makes a ship float Why does a zipper zip Diagrams and drawings accompany a page of explanatory text for each of the 1071 entries which explain the principles of why things work Many of the explanations are beyond the understanding of elementary school students but the answers to many of their inquiries as to how things work are to be found easily by the curious boy or girl Much more comprehensive in scope than Mann's How Things Work Crowell 1960 but not as useful for the general reader
