The Doctrine of the Covenant of Redemption According to John Gill (1697-1771) Wang Yong Lee,2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ

The Royal Priest Matthew H. Emadi, 2022-11-29 Despite its importance in the New Testament relatively little has been written about Psalm 110 By considering how David brought together priesthood and kingship in a single figure Matthew Emadi uncovers the theological foundations of Psalm 110 showing that Melchizedek's royal priesthood is tied to both creation and redemption

To Save Sinners Michael Riccardi, 2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity the very heart of the gospel Because of this one does not stray far from the heart of the Christian faith when he asks For whom has Christ accomplished so great a salvation Answers to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents

The Extent of the Atonement David L. Allen, 2016-06-01 The extent of Christ's atoning work on the cross is one of the most divisive issues in evangelical Christianity In *The Extent of the Atonement: A Historical and Critical Review* David L. Allen makes a biblical historical theological and practical case for a universal atonement Through a comprehensive historical survey Allen contends that universal atonement has always been the majority view of Christians and that even among Calvinist theologians there is a considerable range of views Marshalling evidence from Scripture and history and critiquing arguments for a limited atonement Allen affirms that an unlimited atonement is the best understanding of Christ's saving work He concludes by showing that an unlimited atonement provides the best foundation for evangelism missions and preaching

Don't Fire Your Church Members Jonathan Leeman, 2016-01-15 The goal of this book is to present a fresh and innovative argument for congregationalism

The Spirit of Atonement Steven M. Studebaker, 2021-01-14 Steven M

Studebaker proposes a Pentecostal approach to a major Christian doctrine the atonement The book moves Pentecostal theology of the atonement from a primarily Christocentric and crucicentric register to one that articulates the pneumatological and holistic nature of Pentecostal praxis Studebaker examines the irony of Classical Pentecostalism relying on the Christocentrism of Protestantism evangelical atonement theology to articulate its experience of the Holy Spirit as well as the Pneumatological nature of Pentecostal praxis He then develops a Pentecostal theology of atonement based on the biblical narrative of the Spirit of Pentecost and returns to re imagine an expanded vision of Pentecostal praxis based on the theological formation of the biblical narrative The result is a Pentecostal atonement theology that shows the integrated nature of pneumatology creation and Christology in the biblical narrative of redemption It gives theological expression to not only the pneumatological nature of Pentecostal praxis but also the fundamental role of the Holy Spirit in the biblical narrative of redemption The book challenges popular western atonement theologies to re think their Christocentrism and crucicentrism as well as their atomistic tendency to separate soteriology into objective Christological and subjective pneumatological categories

Saved to be Warriors Bret McAtee, 2023-01-10 Radical Two Kingdoms theology would have us believe that God has created a divided world It is a world bifurcated into two realms one of nature and the other of grace whereby the things common to believer and unbeliever are understood to occupy a distinct and autonomous realm nature while the things particular to believers are located in a separate higher spiritual realm the realm of grace Supposedly the latter is to be kept unsoiled by contact with the natural realm which then goes by the name of the world The Christian as Christian is therefore only responsible for the realm of grace but as human being undistinguished from unbelievers he is responsible to act in the realm of nature By what criterion Something that goes under the name of natural law The crux of the issue is the two realms have nothing in common the better to preserve the spiritual realm from contamination from below This may sound pious and spiritually pure but it is in fact a recipe for human autonomy and nothing less than a betrayal of the Christian s calling to pursue the kingdom of Christ in and through the work of everyday natural life For one day every knee shall bow and every tongue confess that Jesus Christ is King of Kings Lord of Lords and the glory and honor of the nations will be brought into His kingdom This includes culture and politics for there are no such Two Kingdoms Radical Two Kingdoms theology is therefore an invitation to a combination of escapism and humanistic political activism It is a plague on the church which needs to be confronted at every turn Woe unto the preacher who does not sound the alarm when the Good News is attacked from within the church when the Law is pitted against the Gospel and when Christ s Crown Rights over all of life is disputed Especially in this day and age when unity is elevated far above purity and when virtue signaling seems to be the order of the day I am most grateful for this excellent contribution by Rev Bret McAtee This work robs the serious reader of every excuse not to stand up against a false and dangerous doctrine one that is by no means a minor issue but an assault on the Gospel of Jesus Christ itself I am most thankful that McAtee has answered the call and dealt with the assailants

not with cheap rhetoric but by biblically interacting with their own words Rev Sacha Walicord *Adam: First and the Last*
Simon Turpin, 2023-07-28 Are you prepared to defend the biblical account of Adam as a living man formed by God Many theologians pastors and philosophers now teach that the Adam we find in Genesis was a myth story or parable In Adam First and the Last Simon Turpin Ex Director of Answers in Genesis UK Europe reveals why understanding Adam to have been the first man created is critical for a consistent theological understanding of the biblical message of creation the fall and redemption If you deny the First Adam not only do you deny the sufficiency of Scripture and undermine its authority but you ultimately attack the life teaching and person of the Last Adam our Lord Jesus Christ Ken Ham CEO of The Ark Encounter Creation Museum Answers in Genesis The very teachings of Jesus regarding creation and the flood are being attacked on the basis that because of His human nature there was error in some of His teaching The theory of biological evolution though lacking evidence is why many reject Adam as a historical individual or see him as anything other than the originating head of the human race The church is facing a crisis because too few of her people and leaders understand the consequences of combining the Bible and evolution Sadly today more and more evangelical Christian scholars are having to redefine passages of Scripture because they have adopted the idea of evolution and millions of years into their thinking These questions may be the biggest doctrinal issues facing our generation and the church s attitude toward them could be a defining moment in Christianity Adam First and the Last will prepare you your family and your church to stand against today s false teachers and strengthen your faith in the infallible Word of God Turpin offers a true biblical apologetic that will be used for decades and even centuries to help the Body of Christ hold fast to their confession of faith without wavering Hebrews 10:23 **Cross Covenant**
R. Larry Shelton, 2006-10-01 Seeking a fresh missionally relevant account of Christ s work Larry Shelton analyzes the biblical notion of sacrifice as a gift alongside other theories of atonement He attempts to show a historical movement away from penal substitutionary theologies toward a Trinitarian relational model **Christianity** ,
