(Post)Critical Methodologies: The Science Possible After the Critiques Patti Lather,2017-02-03 In the World Library of Educationalists series international experts themselves compile career long collections of what they judge to be their finest pieces extracts from books key articles salient research findings major theoretical and practical contributions so the world can read them in a single manageable volume Readers will be able to follow the themes and strands and see how their work contributes to the development of the field Post Critical Methodologies forms a chronology through the texts and concepts that span Patti Lather s career Examining post critical feminist and poststructural theories Lather s work is organized into thematic sections that span her 35 years of study in this field These sections include original contributions formed from Lather s feminism and critical theory background They contain her most cited works on feminist research and pedagogy and form a collection of both early and recent writings on the post and post post with a focus on critical policy studies and the future of post qualitative work With a focus on the implications for qualitative inquiry given the call for scientifically based research in education this compelling overview moves through Lather s progressive thoughts on bridging the gap between quantitative and qualitative research in education and provides a unique commentary on some of the most important issues in higher education over the last 30 years This compilation of Lather s contribution to educational thinking will prove compelling reading to all those engaged in student learning in higher education worldwide Writing Groups Inside and Outside the Classroom Beverly J. Moss,Nels P. Highberg,Melissa Nicolas,2014-04-04 This unique collection considers the nature of writing groups inside and outside the academic environment Exploring writing groups as contextual literacy events editors Beverly J Moss Nels P Highberg and Melissa Nicolas bring together contributors to document and reflect on the various types of collaborations that occur in writing groups in a wide range of settings both within and outside the academy The chapters in this volume respond to a variety of questions about writing groups including What is the impact of gender race and socioeconomic class on power dynamics in writing groups When is a writing group a community and are all writing groups communities How does the local community of a writing group impact the participation of group members

in other local or global communities How does the local community of a writing group impact the participation of group members in other local or global communities What actions contribute to a strong community of writers and what actions contribute to the breakdown of community When and for whom are writing groups ineffective What is it about belonging to a community of writers that makes writing groups appealing to so many within and beyond the academy Each chapter highlights how writing groups whether or not they are labeled as such function in various spaces and locations and how collaboration works when writers from a variety of backgrounds with diverse interests come together Writing Groups Inside and Outside the Classroom illustrates that writing groups outside of the academy are worthy of study and serve as important sites of writing and literacy instruction Offering significant insights into the roles of writing groups in literacy and writing practice this volume is appropriate for scholars and teachers of writing rhetoric composition and literacy for writing center administrators and staff and for writing group participants *Working the Ruins* Elizabeth St. Pierre, Wanda

Pillow, 2002-05-03 From some of the leading feminist scholars in education comes a collection of writings discussing how they use feminist poststructural theory in their classrooms and research Drawing on real life situations in their work they show how using this theory has transformed their work Topics covered include theory in everyday life ethnography writing the body emotions in the classroom qualitative research and gossip as a counter discourse The range of topics processes and styles presented provides the reader with a variety of examples illustrating the diversity and power of the effects of poststructural theory as well as showing the possibilities of work still to be done **Representation and the Text** William

G. Tierney, Yvonna S. Lincoln, 1997-07-31 Focuses on authorial representations of contested reality in qualitative research This book focuses on representations of contested realities in qualitative research The authors examine two separate but interrelated issues criticisms of how researchers use voice and suggestions about how to develop experimental voices that expand the range of narrative strategies Changing relationships between researchers and respondents dictate alterations in textual representations from the view from nowhere to the view from a particular location and from the omniscient voice to the polyvocality of communities of individuals Examples of new representations and textual experiments provide models for how some authors have struggled with voice in their texts and in so doing broaden who they and we mean by us Lesbians

The Top Books of the Year Troubling The Angels Women Living With Hivaid The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
