Love, Pure Life Elsa Kok Colopy, 2014-12-23 Purity doesn't mean playing the game of How Far Is Too Far. A pure life is a full life one that goes way beyond the ideas of dating, sex, and being a good girl and focuses instead on what it means to be your true powerful self. Purity can feel like a dirty word sometimes. After all, who wants to be told what not to do, how not to be, and who not to spend time with? Haven't we proven women are smart, strong, and able to make their own decisions? But the reality is what we've always been taught about Christian purity isn't 100 percent true. The idea has been twisted over the years into a list of don't rules that have obscured the facts that purity empowers you to become who you were made to be, and it's about a lot more than sex and dating. Here's the real truth: God designed purity as a whole life experience where you have the choice to follow your heart and be true to yourself as long as you're also following his Word. With honest advice, real life examples, and tools to navigate the temptations and frustrations you face every day, including dealing with those who don't respect your boundaries, Pure Love Pure Life meets you where you are, wherever you are, to illustrate why living the pure life isn't as constricting as it sounds and how it's worth the effort. This nonfiction book is real and honest and should be required reading for teenage girls and their parents. Christian Library Journal Pure Love Pure Life looks at the idea of purity from a new angle, focusing on the do's instead of the don'ts, contains stories from real girls who talk about their own purity decisions, and what being pure means to them. Is for any girl looking to live a happy, healthy life, no matter what they have or haven't done in the past, touches on issues relevant to a #MeToo world.

A True Fairy Tale Ryan East, Hope East, 2010-09 Purity is more than not having sex. This Bible study digs deep in God's Word to find out what it means to be sexually pure. Throughout is the tale of a young knight and fair maiden intertwined with the true life story of a young couple who waited for their wedding day to enjoy their first kiss. Given from their life experience is practical advice for staying pure in a dating relationship. The authors' authenticity challenges the age-old question of how far is too far, and their transparency allows the reader to see how God's holiness can become relevant in one's life. This book goes beyond the slogan "don't have sex" to equipping teens with practices for real life application to combat the myths about sexuality in Christian dating. For us, sex was worth the wait, and purity worth the battle. Authors Ryan and Hope East: it is a lifestyle.
