Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Afrocentrism Stephen Howe, 1999-08-17 For centuries racist colonial and Eurocentric bias has blocked or distorted knowledge of Africans their histories and cultures resulting in a counter mythology claiming the innate superiority of African descended peoples In this provocative study historian Stephen Howe challenges this Afrocentric rewriting of African history 16 photos Copyright Libri GmbH All rights reserved

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are

singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book

What the Hell Is Going On? The Web of Fraud That Is Enslaving Everyone and How We Can Escape to Freedom Donald Lee, 2022-10-20 Why does nothing make sense How can there be a climate emergency when the climate has not changed noticeably during my lifetime How can we fight a War on Drugs for fifty years and the drug problem gets worse How can we fight a War on Terror for two decades yet there s more terror than ever How could there be a worldwide pandemic when there were no excess deaths anywhere in 2020 Why is the

answer to every problem more power and control for governments yet they never solve the problems Why is it that the real power doesn't seem to be in elected governments at all Every government in the world seems to be taking its marching orders from the World Economic Forum What the Hell Is Going On What's the connection between all these things Is it all just an accident These events seem to be planned but even if they aren't it doesn't matter Like pregnancy planned or unplanned the result is the same Whether by accident or conspiracy we are on the road to totalitarian slavery It's not hard to understand But it's hard to believe It is unbelievable You have to see the evidence to believe it That what this book is about evidence Donald Lee pulls together evidence from a dozen disciplines to connect the dots on a web of fraud that is leading inexorably to a one world totalitarian tyranny That's the path we're on But we can still get on a different path We're in World War III It's a 5th generation war so it doesn't even seem like war At its root it is a spiritual war and spiritual wars are fought within My favorite line from the book is In this spiritual war our strategy is love our tactic is forgiveness our weapon is non violent non cooperation I couldn't agree more Karen Kan M D In What the Hell Is Going On spiritual author Donald Lee takes you on a journey of unfolding enlightenment He shows you how To perceive differently so you can perceive what is really going on The Marxist Philosophy of Death has slowly marched through the institutions and culture of the Western world The tactics of communist subversion have overwhelmed our society and nobody noticed Mass formation psychosis has blinded people to reality making them immune to reason and common sense in every fraud We still have the structure of democracy in the Western world but all governance is really functioning as a dictatorship the Policy Hierarchy The central bank digital currencies about to be unleashed on the world will trap everyone in the iron grip of a greater slavery than the world has ever known and from which there will be no escape The time to escape is NOW It is already late If we delay much longer all hope will be lost YOU must act NOW To turn back the totalitarianism and bring a new rebirth of freedom Turning back to democracy means turning back to God means exposing the lies and uncovering the truth particularly the truth of who you really are an eternal child of God a being of Light and Love You will be surprised maybe horrified but you won't emerge with the same set of conclusions you went in with Christopher A Shaw Ph D This might be the most important book you read this decade Buy it now

J. Michaels, 2010-04-01 This is not your grandfather's poetry It is spun for the everyman and woman It is bred of a spiritual nature yet it smiles and laughs and screams Some are funny some are sad Some spit in the face of conformity amused at the absurdity of the world whilst seeking a better way These odes defy conventional structure and content They rhyme without embarrassment yet experiment unapologetically with such They convey messages of hope and love and clearer sight And they challenge the accepted and popular notions of reality and illusion while offering superior alternatives to both They will amuse and dismay provoke and possibly offend but they will not leave you unchanged So join me if you will as we accompany The Illusion Warrior on his quest to dispel chimera and discover truth *To Tell the Truth Freely* Mia Bay, 2010-02-02 Born to slaves in 1862 Ida B Wells became a fearless antilynching crusader women's rights advocate and journalist Wells's refusal to accept any compromise on racial inequality caused her to be labeled a dangerous radical in her day but made her a model for later civil rights activists as well as a powerful witness to the troubled racial politics of her era In the richly illustrated *To Tell the Truth Freely* the historian Mia Bay vividly captures Wells's legacy and life from her childhood in Mississippi to her early career in late nineteenth century Memphis and her later life in Progressive era Chicago Wells's fight for racial and gender justice began in 1883 when she was a young schoolteacher who traveled to her rural schoolhouse by rail Forcibly ejected from her seat on a train one day on account of her race Wells immediately sued the railroad Though she ultimately lost her case on appeal in the Supreme Court of Tennessee the published account of her legal challenge to Jim Crow changed her life propelling her into a career as an outspoken journalist and social activist Also a fierce critic of the racial violence that marked her era Wells went on to launch a crusade against lynching that took her across the United States and eventually to Britain Though she helped found the NAACP in 1910 after resettling in Chicago she would not remain a member for long Always militant in her quest for racial justice Wells rejected not only Booker T Washington's accommodationism but also the moderating influence of white reformers within the early NAACP The life of Ida B Wells and her enduring achievements are dramatically recovered in Mia Bay's *To Tell the Truth Freely* *The Lonely Warrior* Roi Ottley, 1955 **A Thousand Points of Truth**

V. P. Hughes, 2016-08-18 My interest in Colonel John Singleton Mosby began in 1950 However it wasn't until 2002 that it led to extensive research on the subject centered upon newspaper reports on the man begun during the Civil War and continued throughout and even after his life And while I rejected Virgil Carrington Jones's observation on Mosby contained in the preface of this work I did not contemplate writing this book until an even more disparaging observation came to my attention during my research The comment was contained in an article in the *Ponchatoula Times* of May 26 1963 as part of a six article series written by Bernard Vincent McMahon entitled *The Gray Ghost of the Confederacy* Mr McMahon in turn based his comment upon General Omar Bradley's judgment of what might have been the postwar life of General George Patton Now substitute Mosby for General Patton in the book *A General's Life* by Omar Bradley I believe it was better for

General Patton Mosby and his professional reputation that he died when he did He would have gone into retirement
hungering for the old limelight beyond doubt indiscreetly sounding off on any subject anytime any place In time he would
have become a boring parody of himself a decrepit bitter pitiful figure unwittingly debasing the legend emphasis mine
McMahon however only proffered in his writings the widely accepted view of John Mosby held by many if not most However
like General Ulysses S Grant I have come to know Colonel Mosby rather more intimately through the testimony of countless
witnesses over a span of 150 years and I believe that it is time for those who deeply respect John Mosby the soldier to now
also respect John Mosby the man A century ago the book of John Singleton Mosby s life closed It is my hope that this book
will validate the claim he made during that life that he would be vindicated by time V P Hughes
