Trying Times Michael Thomason, 1985 Photographic history examines Alabama's past from end of New South era to birth of Atomic Age *The Companion to Southern Literature* Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook *The Companion to Southern Literature* treats every conceivable topic found in southern writing from the pre Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take *The Companion's* authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche The South's lavishly rich literature provides the best means of understanding the region's deepest nature and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries **Shot in Alabama** Frances Osborn Robb, 2016 A sumptuously illustrated history of photography as practiced in the state from 1839 to 1941 offering a unique account of the birth and development of a significant documentary and artistic medium American Studies Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology **Inside Alabama** Harvey H. Jackson, 2003 An insider's perspective in a conversational yet unapologetic style on the events and conditions that shaped modern day Alabama

Alabama Creates Elliot A. Knight, 2019-07-02 A visually rich survey of two hundred years of Alabama fine arts and artists Alabama artists have been an integral part of the story of the state reflecting a wide ranging and multihued sense of

place through images of the land and its people Quilts pottery visionary paintings sculpture photography folk art and abstract art have all contributed to diverse visions of Alabama s culture and environment The works of art included in this volume have all emerged from a distinctive milieu that has nourished the creation of powerful visual expressions statements that are both universal and indigenous Published to coincide with the state s bicentennial Alabama Creates 200 Years of Art and Artists features ninety four of Alabama s most accomplished noteworthy and influential practitioners of the fine arts from 1819 to the present The book highlights a broad spectrum of artists who worked in the state from its early days to its current and contemporary scene exhibiting the full scope and breadth of Alabama art This retrospective volume features biographical sketches and representative examples of each artist s most masterful works Alabamians like Gay Burke William Christenberry Roger Brown Thornton Dial Frank Fleming the Gee s Bend Quilters Lonnie Holley Dale Kennington Charlie Lucas Kerry James Marshall David Parrish and Bill Traylor are compared and considered with other nationally significant artists Alabama Creates is divided into four historical periods each spanning roughly fifty years and introduced by editor Elliot A Knight Knight contextualizes each era with information about the development of Alabama art museums and institutions and the evolution of college and university art departments The book also contains an overview of the state s artistic heritage by Gail C Andrews director emerita of the Birmingham Museum of Art Alabama Creates conveys in a sweeping and captivating way the depth of talent the range of creativity and the lasting contributions these artists have made to Alabama s extraordinarily rich visual and artistic heritage

American Photographer ,1987 *The Big Tent* Gregory J. Renoff,2012-11-01 For many people the circus with its clowns exotic beasts and other colorful iconography is lighthearted entertainment Yet for Greg Renoff and other scholars the circus and its social context also provide a richly suggestive repository of changing attitudes about race class religion and consumerism In the South during the nineteenth and early twentieth centuries traveling circuses fostered social spaces where people of all classes and colors could grapple with the region s upheavals The Big Tent relates the circus experience from the perspectives of its diverse audiences telling what locals might have seen and done while the show was in town Renoff digs deeper too He points out for instance that the performances of these itinerant outfits in Jim Crow era Georgia allowed boisterous unrestrained interaction between blacks and whites on show lots and on city streets on Circus Day Renoff also looks at encounters between southerners and the largely northern population of circus owners promoters and performers who were frequently accused of inciting public disorder and purveying lowbrow prurience in part due to residual anger over the Civil War By recasting itself as a showcase of athleticism equestrian skill and God s wondrous animal creations the circus appeased community leaders many of whose businesses prospered during circus visits Ranging across a changing social cultural and economic landscape The Big Tent tells a new history of what happened when the circus came to town from the time it traveled by wagon and river barge through its heyday during the railroad era and into its initial decline in the age of the automobile and mass consumerism
