

An aerial photograph taken from the perspective of someone on a boat, looking down at Matinicus Island. The island is a large, irregularly shaped landmass with a mix of green vegetation and brownish areas, possibly cleared land or different types of trees. It is surrounded by a deep blue sea. In the foreground, the white hull of the boat is visible on the left, and the dark, choppy water of the sea fills the lower half of the frame. The sky is a clear, pale blue.
