Wesley and the People Called Methodists Richard P. Heitzenrater, 2013 The practical and theological development of eighteenth century Methodism **Wesley and the People Called Methodists** Richard P. Heitzenrater, 2013-08-20 The practical and theological development of eighteenth century Methodism Thomas Wride and Wesley's Methodist Connexion Clive Murray Norris, 2020-02-20 This book highlights the life and writings of an itinerant preacher in John Wesley's Methodist Connexion Thomas Wride 1733 1807 Detailed studies of such rank and file preachers are rare as Methodist history has largely been written by and about its leadership However Wride's ministry shows us that the development of this worldwide movement was more complicated and uncertain than many accounts suggest Wride's attitude was distinctive He was no respecter of persons freely criticising almost everyone he came across and in doing so exposing debates and tensions within both Methodism and wider society However being so combative also led him into conflict with the very movement he sought to promote Wride is an authentic self educated and non lite voice that illuminates important features of Eighteenth Century life well beyond his religious activities He sheds light on his contemporaries attitudes to issues such as the role of women attitudes towards and the practice of medicine and the experience and interpretation of dreams and supernatural occurrences This is a detailed insight into the everyday reality of being an Eighteenth Century Methodist minister As such this text will be of interest to academics working in Methodist Studies and Religious History as well as Eighteenth Century History more generally **Quick and Easy Guide to United Methodist Polity Second Edition** Thomas W. Elliott, Jr., Anne L. Burkholder, 2025-07-29 Polity and purpose for ordering our lives for God's mission Transform your understanding of United Methodist Church governance with this newly updated guide reflecting the pivotal changes from the 2020 2024 General Conference Whether you're a seasoned pastor or new to church leadership this comprehensive resource illuminates the path forward in our shared mission to transform the world for Christ This invaluable companion features Over 250 alphabetized entries thoughtfully curated from Accessibility to Youth Ministry Inspiring quotes from John Wesley and Methodist luminaries that connect our past to our present Clear practical explanations that bridge theological foundations with everyday church leadership Precise cross references to the Book of Discipline ensuring confident decision making Essential tools including a quick start guide and comprehensive acronym index Perfect for everyone from local pastors to bishops this guide transforms complex church polity into clear actionable insights It's more than a reference it's your partner in ministry helping you lead with wisdom understanding and purpose in our evolving denominational landscape **Advice to the People Called Methodists. [By J. Wesley?] The Second Edition** John Wesley, 1746 Wesley and Aldersgate Mark K. Olson, 2018-09-03 Despite being widely recognized as John Wesley's key moment of Christian conversion Aldersgate has continued to mystify regarding its exact meaning and significance to Wesley personally This book brings clarity to the impact this event had on Wesley over the course of his lifetime by closely examining all of Wesley's writings pertaining to

Aldersgate and framing them within the wider context of contemporary conversion narratives The central aim of this study is to establish Wesley's interpretation of his Aldersgate experience as it developed from its initial impressions on the night of 24 May 1738 to its mature articulation in the 1770s By paying close attention to the language of his diaries letters journals sermons tracts and other writings fresh insights into Wesley's own perspective are revealed When these insights are brought into wider context of other conversion narratives in the Christian milieu in which Wesley worked and wrote this book demonstrates that this single event contributed in significant ways to the ethos of the Methodist movement and many other denominations even up to the present day This is a unique study of the conversion of one of history's most influential Christian figures and the impact that such narratives still have on us today As such it will be of great use to scholars of Methodism theology religious history and religious studies more generally

The Financing of John Wesley's Methodism C.1740-1800 Clive Murray Norris, 2017 It considers the Wesleyan brothers John 1703 1791 and Charles Wesley 1707 1788 Methodist movement The volume describes the struggle between what Methodists saw as the promptings of Holy Spirit and their daily confrontation with reality not least the financial constraints which they faced *History of Wesleyan Methodism* George Smith, 1859 British Museum Catalogue of Printed Books, 1892 **The Works of John and Charles Wesley** Richard Green, 1906
