West Of Here Publisher Algonquin Books

Lin Enger

West Of Here Publisher Algonquin Books:

West of Here Jonathan Evison, 2012-01-31 At the foot of the Elwha River the muddy outpost of Port Bonita is about to boom fueled by a ragtag band of dizzyingly disparate men and women unified only in their visions of a more prosperous future A failed accountant by the name of Ethan Thornburgh has just arrived in Port Bonita to reclaim the woman he loves and start a family Ethan's obsession with a brighter future impels the damming of the mighty Elwha to harness its power and put Port Bonita on the map More than a century later his great great grandson a middle manager at a failing fish packing plant is destined to oversee the undoing of that vision as the great Thornburgh dam is marked for demolition having blocked the very lifeline that could have sustained the town *West of Here* is a grand and playful odyssey a multilayered saga of destiny and greed adventure and passion that chronicles the life of one small town turning America's history into myth and myth into a nation's shared experience

The High Divide Lin Enger, 2015-05-01 Lin Enger sets out from the conventions of the traditional Western and brings the reader into new emotional territory that of the soul of an exquisitely drawn American family *The High Divide* is a novel to get lost in James Scott author of *The Kept* In 1886 Gretta Pope wakes up one morning to discover that her husband is gone Ulysses Pope has left his family behind on the far edge of Minnesota's western prairie with only the briefest of notes and no explanation for why he left or where he's heading It doesn't take long for Gretta's young sons Eli and Danny to set off after him leaving Gretta no choice but to search for the boys and their father in hopes of bringing them all home Enger's breathtaking portrait of the vast plains landscape is matched by the rich expanse of his characters' emotional terrain as pivotal historical events the bloody turmoil of expansionism the near total demise of the bison herds and the subjugation of the Plains Indians blend seamlessly with the intimate story of a family's sacrifice and devotion A masterfully told Western reinvention of Homer's *Odyssey* set against a backdrop of beauty and danger In its narrative simplicity and emotional directness it is reminiscent of John Ford's classic *The Searchers* Publishers Weekly starred review Enger's novel is told in beautifully exact liquid language that wastes no time just as one cannot afford to waste time when making a journey such as the Pope family's Highly recommended Library Journal starred review A deeply moving gripping novel Layered with meaning this remarkable novel deserves to be read more than once *The High Divide* proves Enger's chops as a masterful storyteller Ann Weisgarber author of *The Promise* A gripping story with well portrayed complex and sympathetic main characters and a complement of believable secondary figures in a vividly described region nearing the close of an era Enger is an author worth watching Booklist *The High Divide* a novel about a family in peril is haunting and tense but leavened by considerable warmth and humanity Enger writes with durable grace about a man's quest for redemption and the human capacity for forgiveness Benjamin Percy author of *Red Moon*

The Revised Fundamentals of Caregiving Jonathan Evison, 2013-05-07 In *The Revised Fundamentals of Caregiving* releasing June 24 2016 as a Netflix Original Film titled *The Fundamentals of Caring* starring Paul Rudd and Selena Gomez Jonathan Evison author of the new

novel *This Is Your Life* Harriet Chance and the New York Times bestseller *West of Here* has crafted a novel of the heart a story of unlikely heroes in a grand American landscape For Ben Benjamin all has been lost his wife his family his home his livelihood Hoping to find a new direction he enrolls in a night class called *The Fundamentals of Caregiving* where he will learn to take care of people with disabilities He is instructed about professionalism about how to keep an emotional distance between client and provider and about the art of inserting catheters while avoiding liability But when Ben is assigned his first client a tyrannical nineteen year old boy named Trevor who is in the advanced stages of Duchenne muscular dystrophy he soon discovers that the endless service checklists have done nothing to prepare him for the reality of caring for a fiercely stubborn sexually frustrated teenager who has an ax to grind with the whole world Over time the relationship between Ben and Trev which had begun with mutual misgivings evolves into a close friendship and the traditional boundaries between patient and caregiver begin to blur The bond between them strengthens as they embark on a road trip to visit Trev's ailing father a journey rerouted by a series of bizarre roadside attractions that propel them into an impulsive adventure disrupted by one birth two arrests a freakish dust storm and a six hundred mile cat and mouse pursuit by a mysterious brown Buick Skylark By the end of that journey Trev has had his first taste of love and Ben has found a new reason to love life Bursting with energy and filled with moments of absolute beauty this big hearted and inspired novel ponders life's terrible surprises as well as what it takes to truly care for another human being

Legends of the North Cascades Jonathan Evison, 2021-06-08 A beautifully rendered and cinematic portrait of a place and its evolution through time A story of survival and the love and devotion between parent and child Jill McCorkle author of *Hieroglyphics* Dave Cartwright used to be good at a lot of things good with his hands good at solving problems good at staying calm in a crisis But on the heels of his third tour in Iraq the fabric of Dave's life has begun to unravel Gripped by PTSD he finds himself losing his home his wife his direction Most days his love for his seven year old daughter Bella is the only thing keeping him going When tragedy strikes Dave makes a dramatic decision the two of them will flee their damaged lives heading off the grid to live in the wilderness of the Pacific Northwest As they carve out a home in a cave in that harsh breathtaking landscape echoes of its past begin to reach them Bella retreats into herself absorbed by visions of a mother and son who lived in the cave thousands of years earlier at the end of the last ice age Back in town Dave and Bella themselves are rapidly becoming the stuff of legend to all but those who would force them to return home As winter sweeps toward the North Cascades past and present intertwine into a timeless odyssey Poignant and profound *Legends of the North Cascades* brings Jonathan Evison's trademark vibrant honest voice to bear on an expansive story that is at once a meditation on the perils of isolation and an exploration of the ways that connection can save us

Gothic Appalachian Literature Sarah Robertson, 2024-10-01 *Gothic Appalachian Literature* examines the ways contemporary Appalachian authors utilize gothic tropes to explore the complex history and contemporary problems of the region particularly in terms of their representation of economic and environmental concerns It argues that

across Appalachian fiction the plight of characters to save their homes land and way of life from the destructive forces of extractive industries brings sharply to bare the histories of colonization and slavery that problematize questions of belonging ownership and possession Robertson extensively considers contemporary manifestations of the gothic in Appalachian literature arguing that gothic tropes abound in fiction that focuses on the impacts of extractive industries that connect this micro region with other parts of the Global North and Global South where the devastating impacts of extractive industries are also experienced socially economically and environmentally

Robert Morgan Robert M. West, Jesse Graves, 2022-06-08 For more than fifty years Robert Morgan has brought to life the landscape history and culture of the Southern Appalachia of his youth In 30 acclaimed volumes including poetry short story collections novels and nonfiction prose he has celebrated an often marginalized region His many honors include four NEA Fellowships a Guggenheim Fellowship and an award from the American Academy of Arts and Letters as well as television appearances The Best American Poetry New Stories from the South Prize Stories The O Henry Awards This first book on Morgan collects appreciations and analyses by some of his most dedicated readers including fellow poets authors critics and scholars An unpublished interview with him is included along with an essay by him on the importance of sense of place and a bibliography of publications by and about him
