What Did You Do In The Cold War Dad:

What Did You Do in the Cold War Daddy? Ann Curthoys, Joy Damousi, 2014-09-01 The Cold War was a turbulent time to grow up in Family ties were tested friendships were torn apart and new beliefs forged out of the ruins of old loyalties In this book through twelve evocative stories of childhood and early adulthood in Australia during the Cold War years writers from vastly different backgrounds explore how global political events affected the intimate space of home family life and friendships Some writers were barely in their teens when they felt the first touches of their parents political lives both on the Left and the Right Others grew up in households well attuned to activism across the spectrum including anti communism workers rights anti Vietnam War anti apartheid and women s rights Sifting through the key political and social developments in Australia from the end of World War II to the early 1990s including the referendum to ban the Communist Party of Australia the rise of the Movement and the Labor split and post war migration this book is a powerful and poignant telling of the ways in which the political is personal Cold War Fantasies Ronnie D. Lipschutz, 2001-10-16 As memories of the Cold War recede it becomes more and more difficult to remember what it was about and why it evoked such feelings of intensity and fatalism Fortunately we have a gold mine of movies and novels to help us recall why an entire generation of Americans grew up ducking under school desks in air raid drills and stocking the family bomb shelter Cold War Fantasies retrieves those times based on the idea that a nation s history self concept and collective anxiety are reflected in popular culture In Cold War Fantasies Ronnie Lipschutz combines an historical account of foreign and domestic politics from 1945 to 1995 with summaries and analyses of thirty novels and films contemporaneously published and produced Lipschutz rejects the standard line on the Cold War and critically examines the impacts and effects of language and images on politics Viewing those films and reading those novels enables the reader to come away with a clearer sense of how people felt during the Cold War period about themselves about the enemy and about the world while living in the shadow of the atomic bomb Seeking Meaning, Seeking Justice in a Post-Cold War World Judith Keene, Elizabeth Rezniewski, 2018-03-27 The challenge for historians as for individuals and nations has been to make sense of the Cold War past without recourse to the obsolete frameworks of a dichotomous world The editors of Seeking Meaning Seeking Justice in the Post Cold War World Judith Keene and Elizabeth Rezniewski have brought together contributions that address the diverse modes by which the Cold War is being assessed with a major focus on countries on the periphery of the Cold War confrontation These approaches include developments in historiography as new intellectual and cultural frame are applied to old debates Authors also consider the universal principles and moral discourses including that of human rights on which judgements have been based and judicial processes instigated and the forms of memorialisation that have sought to come to terms and perhaps achieve reconciliation with a Cold War past Contributors are Ann Curthoys Philip Deery Katherine Hite Michael Humphrey Su kyong Hwang Perry Johansson Judith Keene Betty O Neill Peter Read Elizabeth Rezniewski Estela Valverde Adrian Vickers and Marivic
