ANY DIFFERENCE?**

What Difference Does Prayer Make

Jim George

What Difference Does Prayer Make:

What Difference Does Prayer Make? Paul E. Miller, 2013 *What Difference Does Prayer Make* is an honest look at the difficulties of prayer unanswered prayers and successes in prayer *Let Us Pray: A Symposium on Prayer by Leading Preacher and Theologians* R. C. Sproul, John MacArthur, John Piper, Joel Beeke, Steven J. Lawson, W. Robert Godfrey, Richard D. Phillips, Hywel Jones, Michael Haykin, Phil Johnson, Bruce Bickel, 2015-03-16 When our Lord's disciples came to Him regarding prayer they did not ask Him to teach them how to pray but rather they asked Him to teach them to pray Obviously even those closest to Christ needed to learn to pray And so do we Here some of our best Bible teachers and expositors give us instruction on prayer from why we should pray to what prayer is how it ties in with God's sovereignty what it means to pray in Jesus name what it means to hallow God's name and why God is to be the focus of our prayers not ourselves These and many other topics are addressed in this helpful book **A Boy After God's Own Heart Action Devotional (Milano Softone)** Jim George, 2018-08-07 Give a Boy the Gift of Jesus From trusted author Jim George comes this highly giftable devotional dedicated to help tween boys ages 8-12 grow closer to God The 140 devotions address every part of a boy's life such as making good choices creating a positive self image and developing a deeper prayer life This age appropriate collection also includes a clear explanation of the gospel message making it a perfect choice to give to a boy considering a commitment to Christ All it takes is a minute or two each day to read these short chapters and boys will learn how much God cares about them This handsome devotional makes a great gift for your son grandson or other special boy in your life Help him discover his journey with Jesus is the most important adventure of his life **A Girl's Guide to Making Really Good Choices** Elizabeth George, 2013-09-01 Every girl is a beautiful creation uniquely equipped by God to do His work in the world But as girls are growing changing and making choices about the kinds of lives they will lead they are bombarded with conflicting messages about what it means to be a woman The media says one thing boys say another and friends seem obsessed with whatever is newest and coolest As a result girls too often hand their decisions over to those least qualified to make them Into the breach steps Elizabeth George bestselling author and beloved Bible teacher With wisdom gentleness and tremendous grace she guides tween girls ages 8 to 12 through the most challenging decisions they face teaching them to let God not the world define who they are Discussing such topics as attitude friendships crushes parents school and avoiding bad situations Elizabeth helps girls see that the very best choice of all is a choice to live within God's will Perfect for individuals small groups and mentoring **Exploring the Sunday Lectionary** Sandy Rigsby, Steve Mason, 2006 This book helps teens discover the meaning of the Sunday readings encourages them to reflect on and articulate these truths and challenges them to put the readings into practice in their every day lives *The Concept of Prayer (Routledge Revivals)* D. Z. Phillips, 2014-02-04 Many contemporary philosophers assume that before one can discuss prayer the question of whether there is a God or not must be settled In this title first published in 1965 D Z Phillips argues that to understand prayer is to

understand what is meant by the reality of God Beginning by placing the problem of prayer within a philosophical context Phillips goes on to discuss such topics as prayer and the concept of talking prayer and dependence superstition and the concept of community This is a fascinating reissue that will be of particular value to students with an interest in the philosophy of religion prayer and religious studies more generally Intelligent Church Steve Chalke,2009-08-30 As St John of the Cross said Mission is putting love where love is not This book is full of ideas It should prompt us all to examine the effectiveness of the way local churches are organized The Most Reverend and Right Honourable Dr John Sentamu Archbishop of York Everything that Steve Chalke writes is insightful and cutting edge Here he argues in favor of a church that thinks and acts in ways that make the Kingdom of God visible and reasonable in a secular society Tony Campolo PhD Eastern University Pennsylvania USA The task of the Church is to be the irrefutable demonstration and proof of the fact that God is love claims Steve Chalke An intelligent church intentionally connects the Bible and its twenty first century culture is authentic and most importantly has thought through its practice In other words the way it does church is a reflection of its understanding of who God is This foundational issue must be addressed by pastors church and ministry leaders small group leaders and others as we continue to grapple with the shape of effective church in the postmodern post Christian West As Chalke unpacks central theological concepts such as the incarnation human sinfulness and the Trinity he points us to the corresponding characteristics of an intelligent church such as inclusiveness messiness and diversity Each thought provoking chapter concludes with a Yes but How section which gives practical suggestions for moving your church along this path

Taking Religious Claims Seriously Warren E. Steinkraus,2022-07-18 Taking Religious Claims Seriously is a systematic critical and comprehensive study of the fundamental questions of the philosophy of religion religious experience the existence and nature of God religious knowledge and truth good and evil immortality of the soul religious diversity religious claims about the person faith and the religious way of life In this study the author seeks to capture the reality and meaning of the religious as such What is the foundation of religion Under what conditions is an authentic religious way of life possible His method of inquiry is phenomenological The author begins his discussion with a general characterization of the basic features of all the literate and illiterate religions of the world He then identifies the ideas beliefs and concerns which are common to these religions What are the central claims of these religions How did the various religions understand these claims The author makes a serious attempt to clarify these claims and explore the possibility for a reconciliation between them For him the foundation of religion is the religious experience and the essence of this experience consists in a serious cognitive and meaningful encounter with the Ultimate Being This being is the ground of the world and human life This book is a comparative pluralistic study of the philosophy of religion Intergenerational Catechesis timone a davis,2021-03-12 In this work the author moves away from youth centered catechesis toward a catechetical method that gets at the heart of faith formation for ALL generations storytelling In the African American storytelling tradition both the storyteller and listener are

important they embody the story What happens in the story exchange process is the discovery of connections The author s method of African American storytelling My Story Your Story brings to life the Christian story through our shared experiences Intergenerational catechesis invites us to see ourselves and one another across time through eyes that are young middle aged and elderly Based on an understanding of family intergenerational catechesis moves away from the domestic church as a starting point for growing in faith to the community as a starting point Where the domestic church focuses on those who live in the household intergenerational catechesis focuses on everyone in the Church community single persons divorced persons widows widowers teens young adults pre school and elementary children parents grandparents aunts and uncles In highlighting our connections we are better able to see ourselves and one another differently When we see ourselves and others transformed faith is revitalized If Only You Would Ask Ronnie W. Rogers, 2022-04-28 We can know that if we pray some outcomes will be different than if we do not pray because God made many promises conditioned on whether we ask These promises relate to a galaxy of concerns and needs that are important to us and God such as faithfully serving God and experiencing his blessings in our life health marriage children family and job If we fail to pray about everything as the Scripture commands Phil 4 6 we will enter heaven and learn there were many things God would have done in and through us if only we d asked Sadly Calvinism s determinism has turned these wonderful promises into nothing more than a promise that God will do what he predetermined to do regardless of whether we pray or not Do not allow Calvinism s deterministic beliefs and distortions of Scripture to rob you of this blessed intimate prayer relationship with God
