What Is An Evangelical:

Who Is an Evangelical? Thomas S. Kidd, 2019-09-24 A leading historian of evangelicalism offers a concise history of evangelicals and how they became who they are today Evangelicalism is arguably America's most controversial religious movement Nonevangelical people who follow the news may have a variety of impressions about what evangelical means But one certain association they make with evangelicals is white Republicans Many may recall that 81 percent of self-described white evangelicals voted for Donald Trump and they may well wonder at the seeming hypocrisy of doing so In this illuminating book Thomas Kidd draws on his expertise in American religious history to retrace the arc of this spiritual movement illustrating just how historically peculiar that political and ethnic definition white Republican of evangelicals is He examines distortions in the public understanding of evangelicals and shows how a group of Republican insider evangelicals aided the politicization of the movement This book will be a must read for those trying to better understand the shifting religious and political landscape of America today An Evangelical Saga Justice Anderson, 2005-08 *Knowing God as an Evangelical* Dan-Adrian Petre, 2023-04-26 In the present polyphony of evangelical theological epistemology there are several authoritative approaches Yet the evangelical emphasis on sola scriptura demands that theological epistemology be subjected to the biblical canon In this book Dan Adrian Petre argues for a canonically derived theological epistemological framework that may foster a fuller understanding of theological knowledge formation within evangelicalism Specifically he explores some representative evangelical voices to identify the reasons for the contemporary epistemological variance Petre then uses a canonical epistemological methodology to outline a biblically based framework In exploring how the Scripture conceptualizes the formation of theological knowledge the book uses cognitive linguistics to grasp the conceptual meaning of the theological knowledge formation in the Bible using prototypical case studies The resulting epistemological implications outline a minimal epistemological model derived from the biblical canon Using this vantage point the author assesses the contemporary evangelical epistemological dissonance as a means of indicating a way forward for a canonical epistemological attunement *Evangelicals* Mark A. Noll, David W. Bebbington, George M. Marsden, 2019-11-25 The past present and future of a movement in crisis What exactly do we mean when we say evangelical How should we understand this many-sided world religious phenomenon How do recent American politics change that understanding Three scholars have been vital to our understanding of evangelicalism for the last forty years Mark Noll whose *Scandal of the Evangelical Mind* identified an earlier crisis point for American evangelicals David Bebbington whose *Bebbington Quadrilateral* remains the standard characterization of evangelicals used worldwide and George Marsden author of the groundbreaking *Fundamentalism and American Culture The Shaping of Twentieth Century Evangelicalism* Now in *Evangelicals* they combine key earlier material concerning the history of evangelicalism with their own new contributions about present controversies and also with fresh insights from other scholars The result begins as a survey of how evangelicalism has been evaluated but then leads into a

discussion of the movement's perils and promise today Evangelicals provides an illuminating look at who evangelicals are how evangelicalism has changed over time and how evangelicalism continues to develop in sometimes surprising ways

Christian Discrepancy, Disputes, Disservice and Devious Behaviour: 'An Evangelical Perspective' Rev Anthony George Small, 2012-04-12 This book will give the reader a better understanding as to why there are different organizations denominations one Bible but so many interpretations conflicts and warfare among believers and corruption that is filtered down from leadership to the congregation as a spark that can either set off a fire or cause financial material and wealth gluttons to follow and pursue their devious ways of deception

An Evangelical Social Gospel? Timothy L. Suttle, 2011-05-13 Jesus taught that love for others is the path to God that you can't love God if you don't love your neighbor In An Evangelical Social Gospel Tim Suttle shows how the exaggerated individualism of American culture distorts the gospel and weakens the church He reaches back a full century to the writings of the great Baptist pastor Walter Rauschenbusch and offers an imaginative vision for how evangelicals can once again impact the world Bypassing the culture wars and liberal conservative squabbling Suttle offers a way in which the corporate nature of Christianity can be held alongside the evangelical belief in personal salvation In so doing Suttle provides valuable theological rationale for the moves many are making toward social justice and helps us rediscover why the nexus of personal and corporate faith is where we find the power to transform lives and cultures alike His approach to corporate sin and salvation the kingdom of God and missional theology are deeply rooted in the life of a pastor yet informed by a rich theological mind

What is an

Evangelical? David Martyn Lloyd-Jones, 1992 Dr Lloyd Jones became deeply concerned with what he believed to be subtle but real shifts in commitment to the biblical gospel His three addresses at the I F E S Conference in 1971 drew attention to this

Radical Emergent Theology: An Evangelical Response Raymond Hundley Ph.D., 2019-12-11 What is Radical Emergent Theology Who leads it What does it teach What are its goals Why is it so revered by some and so reviled by others How do evangelical theologians evaluate it Cambridge scholar Dr Raymond C Hundley after three years of painstaking research has published a work that clearly and truthfully answers those questions Hundley has brought to bear his fifty years of experience studying and teaching theology and world religions to the meticulous study of Radical Emergent Theology founder and spokesman Brian D McLaren s prolific writings The result is a readable work that will inform laypeople students seminarians pastors church leaders and theologians about McLaren s radical views on inspiration conversion evangelism missions heaven and hell homosexuality atonement miracles evolution eschatology his famous pick and choose exegesis and much more This book is destined to become the classic revelation of the methods beliefs and goals of Radical Emergent Theology It will make the choice between this theological revolution and evangelical biblical doctrine crystal clear so that informed readers can make their own decision Toward an Evangelical Public Policy Ronald J. Sider, Diane Knippers, 2005-02 Deepens thinking about biblical and other conceptual foundations for political engagement in order to unify and give consistency to evangelicals involvement in politics Our Evangelical Faith Victor Shepherd, 2006 In recent years evangelical Christians have come to occupy a more prominent role in North American society But what is an evangelical Christian How does the movement define itself What is relationship between evangelicalism and Catholicism In *Our Evangelical Faith* Professor Victor Shepherd offers a concise and helpful introduction to the core ideas and beliefs that have historically defined this movement He then explains the seven doctrinal affirmations that unite evangelicals worldwide Victor Shepherd is Professor of Systematic and Historical Theology at Tyndale University College Seminary Toronto and professor ordinarius for the Graduate Theological Foundation University of Oxford He is also on the faculty of the Toronto School of Theology University of Toronto where he supervises doctoral students
