World War II In The Pacific:

World War II in the Pacific Mark Roehrs, William A. Renzi, 2004-01-05 World War II laid the groundwork for much of the international system that exists today especially in the Pacific Rim This brief but comprehensive survey of the War in the Pacific incorporates both United States and Japanese perspectives providing a global approach to the Asian theater of the conflict Drawing on decades of new scholarship and written in an engaging narrative style this book traces United States Japanese relations from the late nineteenth century to the war's end in 1945 It covers every aspect of the war and gives special attention to ongoing historical debates over key issues The book also provides new details of many facets of the conflict including expansionism during the 1930s events and policies leading up to the war the importance of air power and ground warfare military planning and strategic goals the internment of Japanese Americans in the U S Allied plans and disputes over Russian participation the decision to drop the atomic bomb and conditions for surrender

World War II in the Pacific Stanley Sandler, 2003-12-16 Stanley Sandler one of America's most respected and best known military historians has brought together over 300 entries by some 200 specialists in the field to create the first encyclopedia specifically devoted to the Pacific Theatre of World War II Extending far beyond battles and hardware the coverage ranges from high policy making grand strategy and the significant persons and battles of the conflict to the organization of the Allied and Japanese divisions aircraft armor artillery psychological warfare warships and the home fronts covering the interactions of each topic along the way

The Pacific Theater Geoffrey Miles White, Lamont Lindstrom, 1989 Contributions from anthropologists participating in a symposium of the Association for Social Anthropology in Oceania New Harmony Indiana 1986 examine the experiences of Pacific Islanders in the war and their remembrances of it as observers laborers on patrol under bombardment The studies de

Empires on the Pacific Robert Smith Thompson, 2001 By moving China to centre stage Robert Smith Thompson expands the traditional boundaries of the Pacific Theatre of World War II and casts the conflict in an entirely new light What is commonly viewed as a discrete military conflict between an aggressive Japan with imperial ambitions and a reluctant passive America becomes the stuff of Greek tragedy The overreaching British Empire is waning yet is unwilling to relinquish its foothold in China while an increasingly ambitious Japan is determined to dominate the region and conquer China as part of that plan Enter the young upstart America with imperial ambitions of its own in Asia The US meant to replace Britain as the dominant power in Asia and saw Japan as a direct threat to that dominance For Franklin Delano Roosevelt and for the US the war with Japan had little to do with revenge for Pearl Harbour Japan would have to be vanquished so that it would never again be an imperial rival This recasting of the Asian conflict profoundly alters our understanding not just of World War II in the Pacific but also of what followed in the Korean War and the war in Vietnam

The Pacific War Papers Donald M. Goldstein, 2014-05-27 The Pacific War Papers is an annotated collection of extremely rare Japanese primary source documents translated into English that provides an invaluable resource for historians and

students of World War II These naval and diplomatic documents come from the collection of the late Gordon Prange the eminent scholar of Pearl Harbor who obtained them from Japanese naval leaders while working for the Military History Section of the American forces that occupied Japan Donald M Goldstein and Katherine V Dillon have assembled this collection so that these important documents are not lost to history The editors also provide expert commentary to introduce and explain the importance of the materials This book forms the companion volume to The Pearl Harbor Papers Inside the Japanese Plans Brassey s Inc 1993 which Goldstein and Dillon also edited Most of the documents published here are not available anywhere else with many translated for the first time This edited collection covers three main topics the Japanese navy before World War II prewar diplomacy and politics and Japanese naval operations and policy during the war The documents include diary extracts and candid short monographs written by high ranking Japanese officers immediately after the war They shed new light on the vast naval buildup before the war the development of the navy s operational concepts for war with the United States the organization and tactics of aircraft carrier forces and the failure of Japanese submarine operations No World War II library will be complete without this important volume

World War II in the Pacific R.
Conrad Stein,2011 Examines World War II in the Pacific including the causes of the war between Japan and the United States the important battles and leaders life for soldiers and life on the homefront and how the war ended Provided by publisher

Never Look Back William A. Renzi,Mark D. Roehrs,2019-08-01 50 years ago Japan attacked Pearl Harbour and brought a reluctant America into World War II Armed with fresh materials which have become available only in the last decade Renzi and Roehrs take a critical look at the decisive Japanese American episodes in The Great Pacific War Unlike standard histories of World War II Never Look Back includes the Japanese perspective bringing to light challenging facts in Operation Flying Elephant the Japanese attempted to cause forest fires in the American West by releasing hydrogen filled balloons When Americans of Japanese ancestry were interned during the conflict word reached Japan of their plight and resulted in even greater mistreatment of American POWs in Japan It is argued that Japan did not surrender because of the atomic bombing of Hiroshima and Nagasaki or because of the conventional firebombing or because of the US submarine campaign but because the USSR entered the war

World War II in the Pacific Angela Lim,2024-07-30 The Empire of Japan bombed the US naval base at Pearl Harbor on December 7 1941 opening the Pacific theater of the war The United States joined World War II the next day and soon engaged Japanese forces in battle In August 1945 US forces dropped two atomic bombs on Japan The empire surrendered soon after bringing World War II to an end This title covers the major battles in the Pacific and explores the making and effects of the atomic bomb Easy to read text vivid images and helpful back matter give readers a clear look at this subject Features include a table of contents infographics a glossary additional resources and an index Aligned to Common Core Standards and correlated to state standards Core Library is an imprint of Abdo Publishing a division of ABDO
