drugs Another driver of increased costs is that the health care system got more complicated with insurance companies requiring patients doctors and hospitals to work harder to prove that certain treatments are necessary A third reason for high U S health care costs is that the health care industry particularly both insurance companies and hospitals became more consolidated and powerful pushing for more market power higher prices and insurance premiums On May 12 2020 according to Investopedia website in their article 6 Reasons Healthcare Is So Expensive in the U S in one of the key takeaways it was mentioned hospitals doctors and nurses all charge more in the U S than in other countries with hospital costs increasing much faster than professional salaries With medical treatment being ridiculously expensive it is time to manage your own physiotherapy plus rehabilitation modules by educating yourself through this self help book and doing the rehabilitative therapy yourself This DIY book is a step by step guide on which exercises should be done first and which exercises are to be avoided This book also covers different ranges of rehabilitation and discussions on frozen shoulder The author has been a dedicated Physiotherapist offering more than 25 years of acute chronic care experience She is very well versed in a broad range of Physiotherapy PT programs treatments modalities restoring function mitigating disability for diseased injured patients She graduated from University of Teesside United Kingdom Bachelor of Science in Physiotherapy DIY book illustrations shoulder structures bones muscles evaluation analysis pain scale palpation movement flexion abduction special test impingement emptycan test drop arm occurrence mechanism injury treatment plan passive gravity assisted active wall creeping normalcy posture active lifestyles evaluation assessment analysis kneepain hormonal musculoskeletal physiotherapy disability disease injured patients alabama alaska arizona arkansas california colorado connecticut delaware florida georgia hawaii idaho illinois indiana iowa kansas kentucky louisiana maine maryland massachusetts michigan minnesota mississippi missouri montana nebraska nevada newhampshire newjersey newyork northcarolina northdakota oklahoma oregon pennsylvania rhodeisland southcarolina southdakota tennessee texas utah vermont virginia washington westvirginia wisconsin wyoming family nature travel vacation girl boy man woman men women life relax children kid adult parent school hospital clinic leicester London Birmingham Leeds Glasgow Sheffield Bradford Liverpool Edinburgh Manchester Bristol Wakefield Cardiff Dudley Wigan Lanarkshire Coventry Belfast Leicester Sunderland Nottingham Newcastle Tyne Kingston Hull Bolton Plymouth Stoke Trent Wolverhampton Derby Swansea Salford Aberdeenshire Trafford Aberdeen Southampton
