Unlocking Romans Resurrection And The Justification Of God:

Unlocking Romans J.R. Daniel Kirk, 2008-11-03 If the God of Israel has acted to save his people through Christ but Israel is not participating in that salvation how then can this God be considered righteous Unlocking Romans is directed in large extent toward answering this question in order to illuminate the righteousness of God as revealed in the book of Romans The answer here J R Daniel Kirk claims comes mainly in terms of resurrection Even if only the most obvious references in Romans are considered and Kirk certainly delves more deeply than that the theme of resurrection appears not only in every section of the letter but also at climactic moments of Paul s argument The network of connections among Jesus resurrection Israel s Scriptures and redefining the people of God serves to affirm God s fidelity to Israel This in turn demonstrates Paul s gospel message to be a witness to the revelation of the righteousness of God *Themelios, Volume 35, Issue 1* D. eschatological in nature because the church that makes and receives disciples is eschatological in nature Often eschatology is thought to refer only to last things doctrines However eschatology in its broader sense encompasses the Christian view of time and the future of the world informing both one s evangelism and ecclesiology Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview imbalanced discipleship and eventually a tragic inability to model the Christian way of life By answering questions like What time is it and Where is history going Trevin Wax helps Christians view the past present and future biblically and shapes their understanding of following Jesus **A Handbook on**

the Jewish Roots of the Christian Faith Craig A. Evans, David Mishkin, 2019 A Handbook on the Jewish Roots of the

Christian Faith is a comprehensive handbook that serves as an introduction to the Jewish roots of the Christian Faith. It includes Old Testament background, Second Temple Judaism, the life of Jesus, the New Testament, and the early Jewish followers of Jesus. It is intended as a resource for college and/or higher education. It is no longer a novelty to say that Jesus was a Jew. In fact, the term Jewish roots has become something of a buzzword in books, articles, and especially on the internet. But what does the Jewishness of Jesus actually mean, and why is it important? This collection of articles aims to address those questions and serve as a comprehensive yet concise primer on the Jewish roots of the Christian faith. It consists of thirteen chapters, most of which are divided into four or five articles. It is in a handbook format, meaning that each article is brief but informative. The thirteen chapters are grouped into four major sections: 1. The Soil, 2. The Roots, 3. The Trunk, and 4. The Branches. Craig A. Evans, PhD, D.Hab., is the John Bisagno Distinguished Professor of Christian Origins at Houston Baptist University in Texas. He is a frequent contributor to scholarly journals and the author or editor of over seventy books. Evans resides in Houston, TX. David Mishkin, PhD, serves on the faculty of Israel College of the Bible in Netanya, Israel. He is the author of *The Wisdom of Alfred Edersheim and Jewish Scholarship on the Resurrection of Jesus*. **Both Judge and Justifier** James B. Prothro, 2018-04-13 Paul often says that God justifies people in Christ, but what does that mean? God does. The language appears legal, but many other interpretations have been suggested. Beginning from the use of this language in Judaism and early Christianity, James B. Prothro investigates biblical legal conflicts and the terminology of justification in Paul's letters to determine what it means for Paul to say that God as judge is the justifier of those who trust in Christ.

Reconfiguring Thomistic Christology Matthew Levering, 2023-03-30 In this book, Matthew Levering unites eschatologically charged biblical Christology with metaphysical and dogmatic Thomistic Christology by highlighting the typological Christologies shared by Scripture, the Church Fathers, and Aquinas. Like the Church Fathers, Aquinas often reflected upon Jesus in typological terms, especially in his biblical commentaries, just as the New Testament does. Showing the connections between New Testament Patristic and Aquinas' own typological portraits of Jesus, Levering reveals how the eschatological Jesus of biblical scholarship can be integrated with Thomistic Christology. His study produces a fully contemporary Thomistic Christology that unites ressourcement and Thomistic modes of theological inquiry, thereby bridging two schools of contemporary theology that too often are imagined as rivals. Levering's book reflects and augments the current resurgence of Thomistic Christology as an ecumenical project of relevance to all Christians. [Handbook on Acts and Paul's Letters \(Handbooks on the New Testament\)](#) Thomas R. Schreiner, 2019-11-05 Leading biblical scholar Thomas Schreiner provides an easy-to-navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters. This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages. This is the first volume in the Handbooks on the New Testament series, which is modeled after Baker Academic's successful Old Testament handbook series. Series volumes are neither introductions nor

commentaries as they focus primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis The series will contain three volumes that span the entirety of the New Testament with future volumes covering the Gospels and Hebrews through Revelation Written with classroom utility and pastoral application in mind these books will appeal to students pastors and laypeople alike *Paul and the Hope of Glory* Constantine R. Campbell, 2020-11-24 A Unique Study of Pauline Eschatology that Is Both Exegetical and Theological One of the trajectories coming out of Constantine Campbell's award winning book *Paul and Union with Christ* is the significance of eschatology for the apostle Along with union with Christ eschatology is a feature of Paul's thinking that affects virtually everything else While union with Christ is the webbing that joins Paul's thought together eschatology provides the shape of his thought and thus gives shape to his teaching about justification resurrection the cross ethics and so forth There is considerable debate however about Paul's eschatology asking whether he is a covenant or an apocalyptic theologian In *Paul and the Hope of Glory* Campbell conducts a thorough exegetical study of the relevant elements of Paul's eschatological language metaphors and images including parousia the last day inheritance hope and others He examines each passage in context aiming to build inductively an overall sense of Paul's thinking The results of this exegetical study then feed into a theological study that demonstrates the integration of Paul's eschatological thought into his overall theological framework The study is comprised of three parts The first part introduces the key issues both exegetical and theological and sets the parameters and methodology of the book It also offers an historical survey of the scholarly work produced on Paul's eschatology through the twentieth century to the present day The second part contains the detailed exegetical analysis with chapters on each important Pauline phrase metaphor and image related to eschatology The third part turns its attention to theological synthesis It recapitulates relevant conclusions from the evidence adduced in part two and launches into theological discussion engaging current issues and debates This volume combines high level scholarship and a concern for practical application of a topic currently debated in the academy and the church More than a monograph this book is a helpful reference tool for students scholars and pastors to consult its treatment of any particular instance of any phrase or metaphor that relates to eschatology in Paul's thinking
