Evans, 2021-09-14 Women are often told by their communities that being a mother will complete or define them But many mothers find themselves depleted and spiritually stagnant amid the everyday demands of being a mom They long to experience a rich inner life but feel there is rarely enough time energy or stillness to connect with God in a meaningful way This book takes the concept of rewilding and applies it to motherhood Just as an environmentalist seeks to rewild land by returning it to its natural state Shannon Evans invites women to rewild motherhood by reclaiming its essence through an expansive feminine spirituality Drawn from the contemplative Catholic tradition and Evans's own parenting experience *Rewilding Motherhood* helps women deepen their connection to God through practices inherent to the life they're living now Topics include work life balance identity solitude patience household work and mission for the common good Throughout Evans encourages women to see motherhood as an opportunity to discover a vibrant feminine spirituality and a deeper knowledge of God and self *Our Lady of the Rock* Lisa M. Bitel, 2015-08-25 For more than twenty years Maria Paula Acu has claimed to see the Virgin Mary once a month at a place called Our Lady of the Rock in the Mojave Desert of California Hundreds of men women and children follow her into the desert to watch her see what they cannot While she sees and speaks with the Virgin onlookers search the skies for signs from heaven snapping photographs of the sun and sky Not all of them are convinced that Maria Paula can see the Virgin yet at each vision event they watch for subtle clues to Mary's presence such as the unexpected scent of roses or a cloud in the shape of an angel The visionary depends on her audience to witness and authenticate her visions while observers rely on Maria Paula and the Virgin to create a sacred space and moment where they too can experience firsthand one of the oldest and most fundamental promises of Christianity direct contact with the divine Together visionary and witnesses negotiate and enact their monthly liturgy of revelations *Our Lady of the Rock* which features text by Lisa M Bitel and more than sixty photographs by Matt Gainer shows readers what happens in

the Mojave Desert each month and tells us how two thousand years of Christian revelatory tradition prepared Maria Paula and her followers to meet in the desert Based on six years of observation and interviews chapters analyze the rituals iconographies and physical environment of Our Lady of the Rock Bitel and Gainer also provide vivid portraits of the pilgrims who they are where they come from and how they practice the traditional Christian discernment of spirits and visions Our Lady of the Rock follows three pilgrims as they return home with relics and proofs of visions where out of Maria Paula s sight they too have learned to see the Virgin The book also documents the public response from the Catholic Church and popular news media to Maria Paula and other contemporary visionaries Throughout Our Lady of the Rock locates Maria Paula and her followers in the context of recent demographic and cultural shifts in the American Southwest the astonishing increase in reported apparitions and miracles from around the world the latest developments in communications and visual technologies and the never ending debate among academics faith leaders scientists and citizen observers about sight perception reason and belief

Mapping the Virgin of Guadalupe in the Nican Mopohua and Clarissa Pinkola Estes's Untie the Strong Woman Karen Burke Manning, 2017 ABSTRACT The image of La Nuestra Sefiora de Guadalupe Our Lady of Guadalupe has become one of the most popular cultural icons of all time This paper looks at the image and its treatment in the sixteenth century poem entitled Nican Mopohua and in a contemporary work by Clarissa Pinkola Estes entitled Blessed Mother s Immaculate Love for the Wild Soul Untie the Strong Woman Both works suggest that one cannot begin to comprehend the force of this mother unless one looks at her through the eyes of the people who received her the sixteenth century Nahuas Seeing the image of Guadalupe through a Nahuatl lens demonstrates how over five centuries she had become a site in which those who are alienated oppressed or marginalized are able to map themselves Today she serves as a way by which to pinpoint not only one s personal meaning but also one s physical location She is mother and mother is a sacred place home She powerfully serves as a portal for recapturing what is lost the sacredness of everyday life the lived stories of people from all cultures and resistance to conquerors The paper concludes with original poetry that maps contemporary men and women in the modern Mary

special utility aimed at in the present edition which has no controversial end in view Moreover the historical defence of Catholic devotion to the Blessed Virgin long since received its final treatment and is clearly stated in the Common works of controversy A purpose of edification may undoubtedly be served by setting forth in a single list the names of Fathers and Doctors and great masters of the spiritual life who in the different centuries of the Church's history have instructed the Christian people in so fundamental a devotion Such a list has accordingly been added at the end of the volume to the summary of Scripture texts here applied to the Blessed Virgin Mary This may help to strengthen in the heart of the thoughtful reader that sense of solidarity with Christ's disciples of every time and with the dutiful Heart of the Divine Son Himself in the esteem and love of the ever Blessed Mother of God It was thus the Holy Ghost inspired her to prophesy of herself St Luke i 48 For behold from henceforth all generations shall call me blessed
