Until We Are Free My Fight For Human Rights In Iran:

Until We Are Free Shirin Ebadi, 2016-03-08 The first Muslim woman to receive the Nobel Peace Prize Shirin Ebadi has inspired millions around the globe through her work as a human rights lawyer defending women and children against a brutal regime in Iran Now Ebadi tells her story of courage and defiance in the face of a government out to destroy her family and her mission to bring justice to the people and the country she loves For years the Islamic Republic tried to intimidate Ebadi but after Mahmoud Ahmadinejad rose to power in 2005 the censorship and persecution intensified The government wiretapped Ebadi's phones bugged her law firm sent spies to follow her harassed her colleagues detained her daughter and arrested her sister on trumped up charges It shut down her lectures fired up mobs to attack her home seized her offices and nailed a death threat to her front door Despite finding herself living under circumstances reminiscent of a spy novel nothing could keep Ebadi from speaking out and standing up for human dignity But it was not until she received a phone call from her distraught husband and he made a shocking confession that would all but destroy her family that she realized what the intelligence apparatus was capable of to silence its critics The Iranian government would end up taking everything from Shirin Ebadi her marriage friends and colleagues her home her legal career even her Nobel Prize but the one thing it could never steal was her spirit to fight for justice and a better future This is the amazing at times harrowing simply astonishing story of a woman who would never give up no matter the risks Just as her words and deeds have inspired a nation Until We Are Free will inspire you to find the courage to stand up for your beliefs Praise for Until We Are Free Ebadi recounts the cycle of sinister assaults she faced after she won the Nobel Prize in 2003 Her new memoir written as a novel like narrative captures the precariousness of her situation and her determination to stand firm The Washington Post Powerful Although Ebadi's memoir underscores that a slow change will have to come from within Iran it is also proof of the stunning effects of her nonviolent struggle on behalf of those who bravely and at a very high cost keep pushing for the most basic rights The New York Times Book Review Shirin Ebadi is quite simply the most vital voice for freedom and human rights in Iran Reza Aslan author of *No god but God* and *Zealot* Shirin Ebadi writes of exile hauntingly and speaks of Iran her homeland as the poets do Ebadi is unafraid of addressing the personal as well as the political and does both fiercely with introspection and fire Fatima Bhutto author of *The Shadow of the Crescent Moon* I would encourage all to read Dr Shirin Ebadi's memoir and to understand how her struggle for human rights continued after winning the Nobel Peace Prize It is also fascinating to see how she has been affected positively and negatively by her Nobel Prize This is a must read for all Desmond Tutu A revealing portrait of the state of political oppression in Iran Ebadi is an inspiring figure and her suspenseful evocative story is unforgettable Publishers Weekly starred review Ebadi's courage and strength of character are evident throughout this engrossing text Kirkus Reviews **Until We are Free** Shrn 'Ibd, 2016 Intimidation A Wedding The Man Who Wanted to Buy a Centrifuge A Midnight Visit In the Shadow of Ahmadinejad The Women Who Dared Rise Up Spies on the Doorstep A Fatwa

Mother Persia Zhinia Noorian, Brian Griffith, 2024-08-13 This book tells the story of Iranian women s accomplishments and struggles over the course of history spanning from ancient Elam to the present day It explores the evolving conditions of women s lives in each era and how women s choices and initiatives have shaped Persian civilization In the process it presents a cast of unique often brilliant individuals and refutes the traditional assumption that men were always the authors of Iranian culture business law religion art education literature agriculture science architecture philosophy social mores and the writing of history It shows how Iranian women have always been creative influential players in these fields and how their contributions have enriched the world

In the Shadow of Mistrust Mahmood Monshipouri, 2022-07-15 Since the 1979 Iranian Revolution the normalisation of relations between Iran and America has appeared unrealistic if not inconceivable given that the Iranian state has vigorously pursued an anti American ideology This account of US Iranian relations examines the efficacy of external pressure such as sanctions as well as domestic grassroots reform movements within the Islamic Republic The Obama presidency marked a rare high point in the Washington Tehran relationship as negotiations between the two countries and other powers produced an unprecedented nuclear deal the Joint Comprehensive Plan of Action However the Trump administration s unilateral withdrawal from the JCPOA and re imposition of new sanctions in pursuit of maximum

pressure had devastating economic consequences undermining the Iranian middle class which has consistently been the voice of political moderation and supported Iran's integration into the global economy. Crucially, sanctions have also driven Iran further into the arms of China while rendering it an even more recalcitrant and aggressive adversary. Monshipouri's central conviction is that negotiations are pivotal to dismantling the mistrust that has long characterised US-Iranian relations and to seeking détente between Iran and its Arab neighbours a critical priority since gradual US withdrawal from the region is all but certain. **Talking Book Topics**, 2016-11 *Debates of the Senate: Official Report (Hansard)*. He describes in detail the history and people involved in the rise of the religious right, the subversive activities of Iranian fundamentalists in the Sudan and elsewhere and the efforts to promote human rights and religious freedoms under successive clerical rulers since the fall of the Shah. Portland, OR **Finché non saremo liberi** Shirin Ebadi, 2016-03-10 Shirin Ebadi, la prima donna musulmana a ricevere il Premio Nobel per la Pace, ha ispirato milioni di persone nel mondo con il suo impegno da avvocato per i diritti umani difendendo soprattutto le donne e i bambini dal brutale regime iraniano. Per questo il governo ha cercato di ostacolarla in tutti i modi: ha intercettato le sue telefonate, ha messo sotto sorveglianza il suo ufficio, l'ha fatta pedinare, ha minacciato lei e i suoi cari con metodi violenti e indicibili. Oggi Shirin Ebadi ci racconta la sua storia di coraggio e di ribellione contro un potere intenzionato a portarle via tutto: il matrimonio, gli amici, i colleghi, la casa, la carriera, persino il Premio Nobel, ma che non riuscì a intaccare il suo spirito combattivo e la sua speranza di giustizia e di un futuro migliore per amore dell'Iran e del suo popolo, delle sue potenzialità e della sua grandezza che ha intrapreso ogni singolo passo di questo viaggio. E so che un giorno gli iraniani troveranno la loro strada per la libertà e la giustizia che meritano. Finché non saremo liberi, il racconto incredibile di una donna che non si arrende mai, non importa quali rischi dovrà correre, un esempio per tutti che insegna il coraggio di lottare per le proprie convinzioni. *Intercontinental Press*, 1977-07
