Secret Time of the End Unveiled Ferdinand Shimei,2010-11 Fear none of those things which thou shall suffer behold the devil shall cast some of you into prison that you may be tried and you shall have tribulation ten days be thou faithful unto death and I will give thee a crown of life He that hath an ear let him hear what the Spirit saith unto the churches He that overcometh shall not be hurt of the second death Revelation 2 10 10 What do Daniel and Revelation really say Could what

had a beginning not have an end Can we be saved from the destruction of this world Evangelist Ferdinand Shimei attempts to answer these and many other questions in his new book Secret of the Time of the End Unveiled Evangelist Shimei takes the reader on an educational and insightful journey through the Bible with a focus on the scriptures that inform God's creation about the coming of the end He endeavors to use these passages to teach the reader how to avoid the ultimate fate of the world From the beginning of creation to the final battle at Armageddon travel through God's Word on a quest to see the Secret of the Time of the End Unveiled Evangelist Shimei's new book shall awaken the slumbering Christians and hasten the unbelieving hearts Ozioha V Ekemam Pastor A M E Zion Church Owerri Nigeria *The Secret Gospel of Mark Unveiled* Peter Jeffery, 2007-01-01 In 1958 Bible scholar Morton Smith announced the discovery of a sensational manuscript a second century letter written by St Clement of Alexandria who quotes an unknown longer version of the Gospel of Mark When Smith published the letter in 1973 he set off a firestorm of controversy that has raged ever since Is the text authentic or a hoax Is Smith's interpretation correct Did Jesus really practice magic or homosexuality And if the letter is a forgery why Through close examination of the discovered manuscript's text Peter Jeffery unravels the answers to the mystery and tells the tragic tale of an estranged Episcopalian priest who forged an ancient gospel and fooled many of the best biblical scholars of his time Jeffery shows convincingly that Smith's Secret Gospel is steeped in anachronisms and that its construction was influenced by Oscar Wilde's Salome twentieth century misunderstandings of early Christian liturgy and Smith's personal struggles with Christian sexual morality *The Secrets Our Body Clocks Reveal* Susan Perry, 1990-01-14 **Isis unveiled** Helena Petrovna Blavatsky, 1877 **Isis Unveiled** H. P. (Helena Petrovna) Blavatsky, 2010-03-16 Isis Unveiled A Master Key to the Mysteries of Ancient and Modern of Science and Theology by H P Blavatsky Volume 2 of 2 The Infallibility of Religion CONTENTS include The Church Where is it Christian Crimes and Heathen Virtues Divisions Amongst the Early Christians Oriental Cosmogonies and Bible Records Mysteries of the Kabala Esoteric Doctrines of Buddhism Parodied in Christianity Early Christian Heresies and Secret Societies Jesuitry and Masonry The Vedas and the Bible The Devil Myth Comparative Results of Buddhism and Christianity Conclusions and Illustrations Reproduction of the 1877 Edition **Isis Unveiled** Blavatsky, 1891 **Isis Unveiled: A Master-Key to the Mysteries of Ancient and Modern Science and Theology (Complete)** Helena Petrovna Blavatsky, 1919-01-01 The work now submitted to public judgment is the fruit of a somewhat intimate acquaintance with Eastern adepts and study of their science It is offered to such as are willing to accept truth wherever it may be found and to defend it even looking popular prejudice straight in the face It is an attempt to aid the student to detect the vital principles which underlie the philosophical systems of old The book is written in all sincerity It is meant to do even justice and to speak the truth alike without malice or prejudice But it shows neither mercy for enthroned error nor reverence for usurped authority It demands for a spoliated past that credit for its achievements which has been too long withheld It calls for a restitution of borrowed robes and the vindication of calumniated but glorious reputations Toward

no form of worship no religious faith no scientific hypothesis has its criticism been directed in any other spirit Men and parties sects and schools are but the mere ephemera of the world s day Truth high seated upon its rock of adamant is alone eternal and supreme We believe in no Magic which transcends the scope and capacity of the human mind nor in miracle whether divine or diabolical if such imply a transgression of the laws of nature instituted from all eternity Nevertheless we accept the saying of the gifted author of Festus that the human heart has not yet fully uttered itself and that we have never attained or even understood the extent of its powers Is it too much to believe that man should be developing new sensibilities and a closer relation with nature The logic of evolution must teach as much if carried to its legitimate conclusions If somewhere in the line of ascent from vegetable or ascidian to the noblest man a soul was evolved gifted with intellectual qualities it cannot be unreasonable to infer and believe that a faculty of perception is also growing in man enabling him to descry facts and truths even beyond our ordinary ken Yet we do not hesitate to accept the assertion of Biff that the essential is forever the same Whether we cut away the marble inward that hides the statue in the block or pile stone upon stone outward till the temple is completed our NEW result is only an old idea The latest of all the eternities will find its destined other half soul in the earliest It was while most anxious to solve these perplexing problems that we came into contact with certain men endowed with such mysterious powers and such profound knowledge that we may truly designate them as the sages of the Orient To their instructions we lent a ready ear They showed us that by combining science with religion the existence of God and immortality of man s spirit may be demonstrated like a problem of Euclid For the first time we received the assurance that the Oriental philosophy has room for no other faith than an absolute and immovable faith in the omnipotence of man s own immortal self We were taught that this omnipotence comes from the kinship of man s spirit with the Universal Soul God The latter they said can never be demonstrated but by the former Man spirit proves God spirit as the one drop of water proves a source from which it must have come Tell one who had never seen water that there is an ocean of water and he must accept it on faith or reject it altogether But let one drop fall upon his hand and he then has the fact from which all the rest may be inferred After that he could by degrees understand that a boundless and fathomless ocean of water existed Blind faith would no longer be necessary he would have supplanted it with KNOWLEDGE When one sees mortal man displaying tremendous capabilities controlling the forces of nature and opening up to view the world of spirit the reflective mind is overwhelmed with the conviction that if one man s spiritual Ego can do this much the capabilities of the Father Spirit must be relatively as much vaster as the whole ocean surpasses the single drop in volume and potency Ex nihilo nihil fit prove the soul of man by its wondrous powers you have proved God In our studies mysteries were shown to be no mysteries Names and places that to the Western mind have only a significance derived from Eastern fable were shown to be realities Reverently we stepped in spirit within the temple of Isis to lift aside the veil of the one that is and was and shall be at Sa s to look through the rent curtain of the Sanctum Sanctorum at Jerusalem and even to interrogate within the crypts which once

existed beneath the sacred edifice the mysterious Bath Kol The Filia Vocis the daughter of the divine voice responded from the mercy seat within the veil and science theology every human hypothesis and conception born of imperfect knowledge lost forever their authoritative character in our sight The one living God had spoken through his oracle man and we were satisfied Such knowledge is priceless and it has been hidden only from those who overlooked it derided it or denied its existence

D. H. Lawrence's Language of Sacred Experience C. Burack,2005-11-20 This book demonstrates how D H Lawrence s prophetic ambitions impelled him to create novels that would radically transform the consciousness of his readers Charles Burack argues that Lawrence s major novels beginning with The Rainbow are structured as religious initiation rites that attempt to break down the reader s normative mindset and to evoke new numinous experiences of self and world Through careful analysis of narrative structure literary technique and sacred discourses Burack shows that Lawrence tries to initiate the reader into his own version of religious vitalism Unlike most initiations that conclude with powerful affirmations Lawrence s novels generally end with an attempt to subvert the formation of new religious dogmas and to encourage sacred erotic exploration
