Upside Down Bible Jesus Really Violence:

The Upside-Down Bible Symon Hill, 2015-11-26 Attempts to read the Bible with an open mind are often hampered by years of being told the right interpretation in church Christians familiar with the text have a lot to learn from people coming to it for the first time who may find the traditional readings far from obvious This book presents the text of many well known Bible passages and the surprising and helpful insights that they prompt when non Christian groups read them for the first time Core Synopsis includes The text of the passage making it easier to read the book without having a Bible to hand Some initial questions about the readers reactions which they can reflect on alone or in a group This will encourage them to think about how far their attitude has been shaped by hearing common interpretations Quotes particularly from non Christians coming to the text for the first time followed by a discussion of the questions raised by the passage and a description of traditional interpretations as well as others offered by biblical scholars in recent years Final questions for reflection focusing on the relevance of the passage to life and society today *Gundamentalism and Where It Is Taking America* James E. Atwood, 2017-01-09 Gundamentalism and Where It Is Taking America is the work of James Atwood a retired Presbyterian pastor and an avid deer hunter for half a century who has also been in the forefront of the faith community s fight for two constitutional rights the right to keep and bear arms and the right to live in domestic tranquility free of gun violence He explains why guns mystically control so many Americans and exposes the fallacies of the gun industry s spurious claim that firearms actually protect us He argues there are no bona fide scientific studies that show defensive guns save us from harm while there is voluminous research showing a defensive gun puts the owner and his or her family at greater risk Atwood s book which details his learning of a lifetime in the struggle for reasonable gun laws in America puts dependable social and theological analysis of our unique national epidemic into your hands along with scientific data that will provoke honest reflection and discussion for the building of a safer and saner America Questions for group discussion and suggestions for action are included **Coping with Violence in the New Testament** Pieter de Villiers, Jan Willem van Henten, 2012-01-20 Violence is present in the very heart of religion and its sacred traditions also of Christianity and the Bible The problem however is not only that violence is ingrained in the mere existence of religions with their sacred traditions It is equally problematic to realise that the icy grip of violence on the sacred has gone unnoticed and unchallenged for a very long time The present publication aims to contribute to the recent scholarly debate about the interconnections between violence and monotheistic religions by analysing the role of violence in the New Testament as well as by offering some hermeneutical perspectives on violence as it is articulated in the earliest Christian writings Contributors include Andries G van Aarde Paul Decock Pieter G R de Villiers Ernest van Eck Jan Willem van Henten Rob van Houwelingen Kobus Kok Tobias Nicklas Jeremy Punt Jan G van der Watt and Wim Weren *Freedom from the Grip of Witchcraft* Dr. D. K. Olukoya, 2015-09-14 Books on special areas of spiritual warfare and deliverance are rare Much more scarce are books on witchcraft operations The fact

that many people go through witchcraft attacks has made books on the subject of witchcraft to be in high demand This uncommon book offers in one breathe deliverance prayers secrets of power over witchcraft help for those who are going through witchcraft attacks and principles of staying free from attacks from the quarters of witchcraft practitioners It is a must read for those who seek complete victory over witchcraft **Rethinking Life** Shane Claiborne,2023-02-07 Drawing on Scripture church history and his own story Shane Claiborne explores how a passion for social justice issues surrounding life and death such as war gun ownership the death penalty racial injustice abortion poverty and the environment intersects with our faith as we advocate for life in its totality Many of us wonder how to think about and act on issues of life and death beyond abortion and the death penalty yet the heated debates in our churches and the confusion of our own hearts sometimes feel overwhelming What does a balanced Christian view of what it means to be pro life really look like Combining stories theological reflection and a little wit with a Southern accent activist Shane Claiborne explores the battle between life and death that goes back to the Garden of Eden Shane draws on his childhood growing up in the Bible Belt his own change of perspective on how to advocate for life and his years of working on behalf of all people to help us Learn from the Bible and the early church about valuing life Deepen our understanding of what a pro life stance can look like Discover ways to discuss topics that are dividing our culture and churches Find encouragement when we feel politically homeless Renew our hope that there is a good way forward even in difficult times We need a new movement that stands up for life without exceptions This moving and incredibly timely book creates a larger framework for thinking about God s love and our faith as we embrace a consistent ethic that values human life from womb to tomb *The Englishman's Critical and Expository Bible Cyclopaedia*
