Upside Living In A Downside Economy:

Upside Living in A Downside Economy Rev. Dr. Mike Slaughter, 2010-09-01 During difficult economic times it's tough not to focus on getting by with less and waiting for the next bit of bad news. But as Christians, how do we respond to what's happening on Wall Street? In Upside Living in a Downside Economy, pastor and author Mike Slaughter offers insight into seeking God's perspective in our daily money concerns. With clarity and a servant's heart, Slaughter addresses vital topics such as financial and spiritual investments, personal motivation, and God's will, money, and marriage, and determining priorities. Written for individual and small group study, Upside Living in a Downside Economy will guide participants in strengthening their spiritual connection while making economic corrections and most importantly, responding according to God's plan. Click here to view a clip of Mike Slaughter. The Passionate Church Mike Slaughter, Karen Perry Smith, 2016-04-21 It's good to talk about ministry. It's better to do it, and do it passionately. In 2008, the United Methodist Church lifted up Four Areas of Focus for ministry, and churches have responded. But at Ginghamburg Church in the rust belt town of Tipp City, Ohio, the church has been doing exciting and effective ministry in those four areas for 35 years and more. Engaging in Ministry with the Poor, Improving Global Health, Developing Principled Christian Leaders, Creating New and Renewed Congregations. The work has led to a host of creative ministries and organic growth because they were meeting the needs of their community and their world as the hands and feet of Christ. The book comes with a built-in facilitator Guide to encourage pastor, peer groups, and other leadership groups interested in deepening the discussion. *A Different Kind of Christmas Youth Study* Mike Slaughter, Kevin Alton, 2012 *A Different Kind of Christmas* is a practical and inspirational study for the Advent season. Based on Mike Slaughter's popular book *Christmas Is Not Your Birthday*, this five-week study will empower your family and your church to reclaim the broader missional meaning of Jesus' birth and experience a Christmas season with more peace and joy than any toy or gadget could ever bring. This comprehensive resource includes a 64-page Leader Guide containing everything needed to guide your group through the study. Inside, you'll find five full session plans, discussion questions, and activities, as well as multiple format options and suggestions of ways to make the study a meaningful experience for any group. Sessions include: 1. Expect a Miracle, 2. Giving Up on Perfect, 3. Scandalous Love, 4. Jesus Wish List, 5. By a Different Road. Help your church cast a vision for how Christians can experience the true joy of living and giving like Jesus, beginning with the Christmas season and continuing as a lifestyle. This five-week study helps participants see the traps and discontentment of consumerism and the call of God to live generously to fulfill God's mission in the world. **Made for a Miracle Leader Guide** Rev. Dr. Mike Slaughter, 2017-12-19 Popular author and pastor Mike Slaughter examines the two components of every miracle: divine action and human responsibility. For a real miracle to take place, we must act with God, using whatever gifts, talents, and abilities we have and directing them toward God's work. We need to follow the examples of Mary in the birth of Jesus, Jesus' followers when he healed them, and Jesus' disciples after he rose from the dead. The Leader
