Urine The Holy Water:

Urine The Holy Water Harald Tietze,2000-10 *Urine the Holy Water* Harald Tietze,2002 **Scatologic rites of all nations** John Gregory Bourke,1891 *The Sign Language of Astronomical Mythology* Gerald Massey,2008-01-01 The origin of a saviour in the guise of a little child is traceable to Child Horus who brought new life to Egypt every year as the Messu of the inundation This was Horus in his pre solar and pre human characters of the fish the shoot of the papyrus or the branch of the endless years In a later stage the image of Horus on his papyrus represented the young god as solar cause in creation But in the primitive phase it was a soul of life or of food ascending from the water in vegetation as he who climbs the stalk ranging from Child Horus to the Polynesian hero and to Jack ascending heavenward by means of his bean stalk from *The Sign Language of Astronomical Mythology* It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey s massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents the combined Books 5 and 6 of *Ancient Egypt* in which Massey discusses the primeval iconic representations that link the Earth and the heavens and ties the oldest understandings of astronomy with the mythology of the creation of the universe and humanity From the symbols and myths of water drowning and floods to those light and darkness blindness and sight and many others Massey shows how that imagery plays out in the Egyptian zodiac and in turn indelibly influenced modern religion Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis* *Sex and sex worship (phallic worship)* Otto Augustus Wall,1919 *Sex and Sex Worship* Otto Augustus Wall,1922 *The Universal Medicine* Art Corpus,2014-11-14 Laughter is not the best medicine If you have a weak heart you can die laughing But you cannot die by drinking your fresh urine even if you have a weak heart On the contrary your weak heart will become strong because it will be cured of its disease that made it weak Moreover if you have other diseases they will all be cured if you drink your fresh urine This book will show you how this magic is done by urine Urine is not a waste It is a residue Your body takes and uses the little nutrients it needs from the food and liquid you take The residue is taken out of your body through your urine Hence your urine is full of precious healthy nutrients By drinking your fresh urine you can give back to your body these nutrients that will cure and prevent all diseases This book will tell you how this is done Since urine is a medicine that is manufactured by your body and since your body is made and designed by God urine is truly Gods medicine That is why it is so effective and cures all diseases For this reason the wise people of India have been using for ages their urine to cure and prevent diseases And also for this reason they call

urine Shivambu meaning water of Shiva who is one of their major gods Indeed it is urine which is the best medicine no other
