Jones-Brown, Beverly D. Frazier, Marvie Brooks, 2014-07-15 Does justice exist for Blacks in America This comprehensive compilation of essays documents the historical and contemporary impact of the law and criminal justice system on people of African ancestry in the United States African Americans and Criminal Justice An Encyclopedia comprises descriptive essays documenting the ways in which people of African descent have been victimized by oppressive laws enacted by local state and federal authorities in the United States The entries also describe how Blacks became disproportionately represented in national crime statistics largely through their efforts to resist legalized oppression in early American history and present biographies of famous and infamous Black criminal suspects and victims throughout early American history and in contemporary times Providing coverage of law and criminal justice practices from the precolonial period including the introduction of African slaves up to practices in modern day America this encyclopedia presents a frank and comprehensive view of how Americans of African descent have come to be viewed as synonymous with criminality This book represents an

essential learning resource for all American citizens regardless of race or age **The Death and Life of Aida Hernandez** Aaron Bobrow-Strain, 2024-05-01 The award winning biography of an undocumented teen mother's struggle with US immigration A rich novelistic and illuminating work of literature Michelle Goldberg The New York Times Book Review One of Esquire's 50 Best Biographies of All Time In 1987 Aida Hernandez was born in Agua Prieta Mexico At the time the nearby US border was little more than a worn down fence Eight years later Aida's mother took her and her siblings to live in Douglas Arizona By then the border had become one of the most heavily policed sites in America Undocumented Aida fought to make her way She learned English watched Friends and after having a baby at sixteen dreamed of teaching dance and moving with her son to New York City Instead Aida was separated from her son and deported to a Mexican city marked by violence The daughter of a rebel hero from the mountains of Chihuahua Aida embarked on a harrowing journey to reunite with her son But returning to the United States was just the beginning of her quest Taking us into detention centers immigration courts and the inner lives of Aida and other daring characters The Death and Life of Aida Hernandez reveals the human consequences of militarizing what was once a more forgiving border Author Aaron Bobrow Strain brings us into the heart of a violently unequal America showing that the people caught in today's immigrations wars are flawed complex humans who deserve justice and empathy Winner of the 2020 Pacific Northwest Book Award Winner of the 2020 Washington State Book Award Named a 2019 Southwest Book of the Year *Framing the Police on Twitter* Benjamin Gross, Samantha M. Gavin, 2023-07-25 This work assesses the various meanings attached to calls for police reform in the public discourse on social media providing readers with a greater appreciation of the assumptions empirical claims and rhetorical nuances that underpin the current dialogue about police policy Drawing upon an intersectional theoretical and mixed methods approach the authors look at what it means to defund or abolish the police as well as the definition of community policing The death of George Floyd in 2020 resulted in national and international protests during which some members of the public began to demand abolishing or defunding the police ideas previously put forth in academic arenas However these public protests were often presented in rhetorical ways that differed from the academic roots of the ideas This book takes a deep look into what it means to defund or abolish the police drawing upon academic origins of the concepts while at the same time examining how the public has used Twitter to define and discuss these ideas The authors identify frameworks built around the concepts discuss facts and perspectives that have contributed to these ideas and explain how quantitative methods can be used to illustrate the most prominent frames This book incorporates both quantitative and qualitative means of research in an examination of Twitter and brings clarity to the conversation surrounding the abolish the police defund the police and community policing concepts It is suitable for undergraduate to graduate level college courses in criminology sociology policing race in America communication social media and research methods Corrections Mary K. Stohr, Anthony Walsh, 2024-05-24 Written by former practitioners who are experts in the field Corrections The Essentials provides an in depth yet accessible guide to the
