Hypnotherapy P. Uma Devi,2021-01-06 Hypnotherapy is a spiritual science with tremendous possibilities of achieving holistic health without using medicines Use of hypnosis in treatment is known for millennia and had become popular in the 19th century But with the advent of psychoanalysis and advanced medical facilities it declined in popularity to be revived in the second half of last century Modern hypnotherapy is a rather young branch of healing discipline It is not properly understood and not utilized to its full extent mainly due to the misconceptions and lack of awareness In Hypnotherapy Healing through the Mind Dr Uma Devi has tried to present hypnosis and its therapeutic uses and benefits in a simple manner The principles and procedures of hypnotherapy and its applications are described with actual case studies from the author s experience Its easily understandable language and lucid presentation are sure to make the book appealing to the readers This book fills a lacuna in the published literature on clinical hypnotherapy where the different aspects of hypnotherapy and its varied applications are presented under a single title Topics covered include power of subconscious mind steps in hypnotherapy session emotional basis of physical diseases visualisation and guided imagery self hypnosis and regression therapy Applications including case studies in clinical non clinical and childrens issues are described *Spiritual Hypnotherapy Scripts* Holly S. Holmes-meredith,2014-07-25 Spiritual Hypnotherapy Scripts provides access to the quantum field of consciousness the spiritual realm from which all healing flows Learn how spiritual hypnotherapy and working directly with the client s higher Self can deepen and expand the healing process Dr Holmes Meredith presents her approach to

teaching and working with hypnotherapy with ten Taoist precepts taught through the ancient Taoist text the Tao Te Ching Also included are interviews with six of her hypnotherapy graduates who share how working with a spiritual approach to hypnotherapy not only supports profound transformation in their clients but also supports their own on going healing and evolution of consciousness These hypnotherapy scripts include empowering and open ended language patterns and transformational approaches for presenting issues related to the body mind and spirit Unlike most published hypnosis scripts these hypnotherapy scripts use therapeutic processes that allow the hypnotherapist and client to personalize the trance experience by following the client in an interactive way The client will engage in a direct relationship with his higher Self as an inner resource and guide throughout the trance experience The fifty two hypnotherapy scripts and a script for teaching the Emotional Freedom Technique EFT are proven approaches Dr Holmes Meredith teaches hypnotherapists at HCH Institute and uses in her private practice
