Ferguson, 2016-11-15 Discover The Secret To Transforming Your Life Is your life spiraling out of control Have you tried everything to heal the pain you feel deep inside but still feel lost and lonely Barry Ferguson takes you on a fantastic journey of discovery through his own transformation by weaving his personal story with a proven step by step roadmap that will heal even the most hardened of hearts After nearly dying in two separate car accidents during a six week period Barry set off on a quest to completely change his life and find his true calling What he found has been distilled into an easy to digest faith based guide to living a heart centered life built upon God's unconditional love Despite his many failures in life Barry has learned from his mistakes and helps others do the same He believes that everyone deserves to be loved including you Digging deep into his own disappointments Barry gives an authentic account of resurrection from the depths of his own broken life to inspire others in becoming the people God wants them to be *Collision Course* is an incredible resource for any follower of Jesus who has felt a crisis of faith at one time or another as well as for those who are new to the Christian journey Barry shows how the journey of life is more important than the destination and everything you need to succeed in life comes from God If you died today could you honestly say you gave more love than you took What would you do to change the equation **Changing Faith** Michael Hidalgo, 2015-04-10 Many of us are grappling with questions How much can we know about God Who decides what is right and what is wrong Do I need God to live a life that matters We ask these questions not because we reject faith in God but because we live in a rapidly changing world of new realities new technology and new insights And that changes how we believe **Creative Breakthroughs in Therapy** Jeffrey A.
