Glass House Ken Ham, Bodie Hodge, 2019-02-20 Evolution as an idea is considered a rock solid truth among secular scientists but when you begin looking at the evidence and asking simple questions you find their conclusions to be just fragile assumptions unproven myth and outright misconceptions

like a glass house built on shifting sands Discover the pervasive influences of the atheistic religion of Darwinian evolution Learn what science is and how science is actually devastating to evolution Explore how evolution developed from unproven science to a popular and cultural worldview Now a powerful team of credentialed scientists researchers and Biblical apologists take on the pillars of evolution and the truths they reveal decimate Darwin s beliefs using a Biblical and logical approach to evidence

No Bones about It Kelly Landgraf,2011-11 I had never given a thought to the fact that Ava s interest in dinosaurs would eventually lead to a myriad of questions that I was unable to answer due to my complete ignorance on the subject In today s world our children are exposed on a daily basis to information that is contradictory to God s word We need to be constantly diligently teaching them instructing them If we don t they will access information somewhere else When Kelly Landgraf s trip to the museum with her young daughter opened her eyes to the evolutionary myths that inundate children at every turn she became passionate about equipping parents to raise their children in the knowledge of God by filtering evolutionary teachings through the truth of Scripture and creation As a teacher and a parent who has done extensive research on the evolution v creationism debate Kelly is uniquely qualified to speak to parents and children on this subject While teaching seventh grade in the public school system and studying for her master s of education Landgraf realized that most American elementary students will never have access to truth about human origins and science unless their parents and churches teach them In **No Bones About It** Kelly makes an informed and effective argument for creation that will help children and parents take a stand for truth
