UNSEEN ARMS

Reaching Out

Born without arms or legs and abandoned by her birth parents, Amy Brooks has an amazing story of faith, hope, and accomplishment.

Brooks' family friend, Karen remarked:

"The old saying goes, 'when life hands you lemons, make lemonade.' This does not apply to Amy, her story is more like 'when life hands you lemons, make grape juice and eat bark and watch the world see how you did it.' I am lucky I know Amy and her family for as far back as I can remember, but not well enough to have known the lessons she's learned in this story. From an early childhood, I taught her to read, and she was so through the joyous of her life and there as to tell a very good story of this journey. I learned, I grew and kept her from knowing how all who doubted her. I can honestly say from the day I met her, this is one of the most heartwarming and inspiring stories I've read."

Amy Brooks

Amy Brooks is a young woman with a heart of gold and a mind of steel. She is a student at the University of Texas at Austin, where she is studying for her degree in psychology. She is also a member of the Phi Kappa Phi Honor Society and the National Honor Society.
