Fifty Years to Say I Love You TaJuana J. Davis, 2014-08-28 Focusing on what led to chaos resentment and hostility from abuse and neglect during my childhood guides my journey to a testimony of hope and healing During my search for healing I discovered it s not the details in my story but the outcome from my journey that holds great substance Clarifying what this means to me has come after repeatedly processing the pain from past memories and attempting to make sense of the what s and why s I now realize it s more critical to endure the pain of emotional surgery and rid myself of what polluted my heart rather than allowing my mind to be consumed with a past that lead to no positive outcome A simple approach I ve embraced is gracefully vomiting up the painful details that became my soul s disease since the solution to being free of most diseases requires major surgery To be set free from the weight of my past I had to purge all destructive coping patterns leading to my disease and replace them with something else I had a choice remain stuck in these details at a great cost to my well being or remove what caused my soul s disease to interfere with everything I desired to be relationally linked to my marriage children and even my worship with God There s nothing pleasant about regurgitating

however the effort of doing so brought me great freedom and forgiveness as the replacement of this weight led to a positively beautiful outcome You too can find hope Be still and know that I am God Psalm 46 10 The Moth Presents: All These Wonders Catherine Burns,2017-03-21 Wonderful Michiko Kakutani New York Times Celebrating the 20th anniversary of storytelling phenomenon The Moth 45 unforgettable true stories about risk courage and facing the unknown drawn from the best ever told on their stages Carefully selected by the creative minds at The Moth and adapted to the page to preserve the raw energy of live storytelling All These Wonders features voices both familiar and new Alongside Meg Wolitzer John Turturro and Tig Notaro readers will encounter an astronomer gazing at the surface of Pluto for the first time an Afghan refugee learning how much her father sacrificed to save their family a hip hop star coming to terms with being a one hit wonder a young female spy risking everything as part of Churchill s secret army during World War II and more High school student and neuroscientist alike the storytellers share their ventures into uncharted territory and how their lives were changed indelibly by what they discovered there With passion and humor they encourage us all to be more open vulnerable and alive *The Saturday Review of Politics, Literature, Science and Art* ,1888 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1888 **Music Criticisms, 1846-99** Eduard Hanslick,1963 **Saturday Review** ,1888 **Live Unshackled** Clair Dinnis,2018-07-24 This is a Christian book dealing with the reality of forgiveness Who deserves forgiveness Why is forgiving so important This book gives practical steps to help you forgive and live life in the freedom and fullness that you deserve **Unshackled** Lukas Allison,2025-07-03 Unshackled is a deeply personal and biblically grounded exploration of one of the most misunderstood and transformative themes in Scripture forgiveness Written for those who are weary of carrying the weight of resentment rejection and unresolved pain this book offers both empathy and guidance for anyone seeking freedom through Christ Drawing from the author s own rocky journey with receiving and extending forgiveness the book invites readers into a vulnerable and grace filled space where healing can begin Through the lens of biblical giants some who modeled forgiveness and others who struggled with it readers will gain insight into the human heart and the divine call to release offense At the center of this journey is Jesus whose teachings on forgiveness challenge our natural instincts and offer a radically different way of living The book doesn t shy away from the heaviness of betrayal abuse or emotional wounds Instead it walks readers through the pain with honesty compassion and hope Whether you re in a season of active hurt wrestling with past offenses or simply preparing your heart for future challenges Unshackled provides practical steps and spiritual tools to help you Identify the roots of unforgiveness in your life Understand what biblical forgiveness truly means and what it doesn t Learn how to forgive without minimizing the pain Embrace the freedom that comes from releasing others into God s hands This is not a quick fix manual or a guilt laden sermon It s a companion for the long road a road the author is still walking and one that every believer will travel in some form With authenticity and theological depth Unshackled reminds us that forgiveness is not just a command it s a gift And the light at the end of the
