Unspeakable Gift My Homecoming:

Unspeakable Gift Carole Lauweryssen, 2015-11-18 *Unspeakable Gift* is the story of a woman's reunion with her biological family. Adopted as a baby, Carole was reunited at the age of thirty with her roots, history, and the promise of new completeness. Be engaged as you follow her path through the unknown, not only through her reunion with her family but also in a moving spiritual journey that spans the decades before and after this life-changing event. *Unspeakable Gift* is a heartwarming and refreshingly joyful story, both inspirational to the reader and significant to families of birth children and mothers. **The Unspeakable Gift**, 196? **Listen Up, Honey** Thelma Wells, 2006-01-31 Thelma Wells is a mentor and a friend. Catch her on the run at a Women of Faith conference or spend a year in her mentoring class, and you're going to be nourished by someone who understands real life and a real relationship with God. As a child, she suffered abuse; as an adult, she is the personal manifestation of love and acceptance. Inspired by the bumblebee who works hard to sweeten the lives of others, Thelma is the queen bee. With bite-sized morsels of wit and reality-based wisdom, flavored always with kindness and grace, *Listen Up, Honey* brings sweetness to life without sugar coating it. **Caity's Touch** Rachel Balhoff, 2003-03 *The Unspeakable Gift*, 196? **The Spirituality of Sex** J. Harold Ellens, 2009-03-20 This book describes the psychospiritual facts of life about the pervasiveness of sexuality in all aspects of human life. The energy developed by our libido is the dynamic source of all the forces that shape our experience: life, motives, thought, feelings, desires, and spiritual longings. No facet of life is untouched or unshaped by this dynamo. Whether we are sitting in church at worship, in a meeting for business, in a party for pleasure, we are always aware of the gender of those who are around us and of their level of sensuality as it impacts us. If we are not aware of that, some wounding has produced an impairment in us that has forced us to repress the awareness inappropriately. This work is not a how-to manual so much as a description of the deep meaningfulness that can be found in the spirituality of sex. It is designed to enlighten us about ourselves, to give names to what we all feel all the time and do not know quite how to describe. It is about savoring the spiritual flavor of sexual play and sexual union. This is a book for everyone, from the inquiring adolescent to the mature adult looking for what is missing in sex and relationships. This is not a book mainly for Christians or Jews. It is about the generic human spirituality in every one of us, true believer and atheist alike. It is about being human more fully and with greater satisfaction. Human spirituality is best defined as our irrepressible hunger and quest for meaning in all aspects of life. Human sexuality is best defined as our irrepressible hunger and quest for union with other persons and the meaning of life found in the wholeness that such union brings. Sexuality and spirituality are not two different things. They are two names for the same thing: the irrepressible human quest for meaning, fulfillment, union, and wholeness. They are not two different forces, nor are they in any way at odds with one another as they have been made to seem in the polarizing attitudes about sexuality and spirituality popular in human society thanks to the excessive and negative moralization of sex. Here Ellens sheds new light on the interplay of sexuality and spirituality through the use of
