WAKE UP Rev. Dr. Rudolf Valerain Dsouza OCD,2011-01-24 According to St John of the Cross our awakening is an awakening of God and our rising is God s rising It is as though David were to say Let us arise and be awakened twice because we are doubly asleep and fallen Since the soul was in a sleep from which it could never awaken itself and only God could open its eyes and cause this awakening it very appropriately calls this an awakening of God saying You wake in my heart Awaken and enlighten us my Lord that we might know and love the blessings that you ever propose to us and that we might understand that you have moved to bestow favors on us and have remembered us Flame IV 9 I have read many books that suggest ways to discover the goal of our life All these could be classified as selfhelp books because they approach the subject from a self centered viewpoint and suggest some possible remedies and prescribe some methods Try to clarify our values and set some goals Figure out what we are INTRODUCTION xiv good at Aim high Go for it Be disciplined Believe we can achieve our goals Involve others Never give up Of course these

recommendations often lead to great success But waking up to realities within and around us can be as powerful as disciplining or never giving up You can usually succeed in reaching a goal if you put your mind to it But being successful and fulfilling your life s goals are not at all the same issue You could reach all your personal goals becoming a raving success by the world s standards and still miss the purposes for which God created you You need more than self help advice you need to wake up to realities around you This is what the great mystics insist They just tell us that we need to open our eyes and be open to all that happens right there in your presence This is what they call watching or waking up The great mystics like St Teresa of Avila St John of the Cross and others woke up to God experience at a moment in their life and as a consequence their life was totally transformed into a life of great joy and contentment They lived in the presence of God as if were already in heaven This is what I mean telling myself and others who read this book
