Upon A Pale Horse Bio Thriller:

Behold a Pale Horse Franklin Allen Leib,2001-03-15 After a Bible spouting Texan is elected president of the United States it emerges that he is mentally unstable So a group of powerful men call on the services of Cobra a white killer for hire living in Africa He has the required experience having assassinated JFK **The Riverside Dictionary of Biography**

American Heritage Dictionary,2005 Publisher Description **Upon a Pale Horse** Russell Blake,2013-07-08 A controversial frightening bio thriller that blurs the line between truth and fiction Upon A Pale Horse raises disturbing questions about the man made origin of nightmare epidemics and posits a conspiracy so plausible that it will linger long after the novel s shocking conclusion When young attorney Jeffrey Rutherford s brother is killed in a plane crash minutes after takeoff from JFK his life is turned upside down especially when he discovers that his brother s career wasn t what it seemed Jeffrey s staid existence is upended as he races to unravel a Gordian knot of deceit and betrayal and ultimately must battle an unstoppable adversary bent on systematic global genocide **Agatha Christie and Gothic Horror** Stuart Richards,2025-10-01 Agatha

Christie s work has been adapted extensively resulting in transformations that are both textual and cultural While many adaptations are best known for being quaint murder mysteries there are many adaptations of her work that draw on horror aesthetics This book will look at how the growth of Agatha Christie adaptations have grown increasingly darker Of key relevance to this study is the work of Sarah Phelps whose Witness for the Prosecution And Then There Were None Ordeal by Innocence The ABC Murders and The Pale Horse all are darker than their precedents Born out of their contemporary screen contexts they use entrenched literary and filmic codes of Gothic horror as central reference points for audiences Drawing on adaptation scholarship where adapters are interpreters as well as creators this study will look at how Agatha Christie is closer to Gothic horror than what we realise Analysis of Agatha Christie adaptations and the horror genre First major monograph to explore Sarah Phelps work on Agatha Christie Explores the transcultural adaptations of Agatha Christie

The Geronimo Breach Russell Blake,2014-03-23 The Geronimo Breach is an adrenaline fueled thrill ride that pits the world s most unlikely protagonist against the deadliest adversaries on the planet From the corridors of Langley to the sweltering jungles of Panama from the hills of Pakistan to the cocaine trails of Colombia a clandestine scheme to preserve a terrible secret goes horribly awry plunging a reluctant hero down a deadly rabbit hole of deceit and betrayal while raising disturbing questions about the media the war on terror shifty lazy cowardly going to fat more prone to doing the wrong thing than any man alive His purgatorial existence working for the State Department in Panama gets shattered when a routine errand becomes a race against the clock battling adversaries for whom no price is too high to protect a secret that could topple the world order As the body count climbs Al must face his own demons as well as the myriad very real ones intent upon destroying him The unexpectedly shattering conclusion of this richly drawn thriller is both topical chillingly plausible making for a roller coaster action adventure without parallel Q A for The Geronimo Breach w bestselling author Russell Blake

Question The Geronimo Breach is a radical departure from your usual thrillers In this we follow the tribulations of arguably the most horrible protagonist on the planet Why write this character this story this way RB It started off as a knee jerk reaction to several books I d read where the heroes were well bland predictable So over a few beers I thought what about writing a hero who s so despicable there s no way anyone could like him but by the end of the book in spite of him or ourselves we do Anyone can write a hero with appeal How about one who has no appeal and will actually do the worst possible thing for his situation every time A slob who s so low he s compulsively losing even when he could win Out of that came Al who is probably the most remarkable character I ve ever written Can he prevail Can he be redeemed Is he even worth redeeming Al s my favorite character out of all my books by far No question Q The Geronimo Breach s conspiracy is a shocker calls into question some sacred beliefs Have you gotten any negative feedback about it RB Other than the circling black helicopters you mean Seriously I just took something that seemed absurd to me proposed an alternative possibility If it rings true that says a lot for my powers of invention Will we ever know the truth Who even knows what the truth is anymore The truth is evasive and in my opinion skepticism too lacking Q The Geronimo Breach has drawn acclaim from other authors as being landmark defining What s your take on it RB Geronimo is one of the books I d recommend to readers who ve never read one of my books along with King of Swords and JET If they want to know how I differ from the monosyllabic guys cranking out formulaic screeds featuring hackneyed characters in predictable situations my response would be read Geronimo or King or JET I m particularly proud of the characters the plot twists and turns would argue there s no other books quite like them Q Why do readers respond the way they do to Al RB I think it s refreshing to read a protagonist who s so badly flawed We see in him bits of ourselves or people we know that resonates as being true Al is remarkable in that even after I finished with him he lingers in my psyche like fungus Hard to shake him **TV Guide** ,1997 **Voice of Youth Advocates** ,1984 *Dictionary of National Biography* ,1986 *The P.T.A.
