Urban Encounters A. Cicalo, 2012-10-15 Winner of the Latin American Studies Association Brazil Section Book Awards Utilizing an ethnographic study of a public university and its users Cicalo analyzes the practical and symbolic potential that affirmative action has to redress historically produced and territorialized inequalities in the urban space *Urban*

Encounters A. Cicalo, 2012-09-25 Winner of the Latin American Studies Association Brazil Section Book Awards Utilizing an ethnographic study of a public university and its users Cicalo analyzes the practical and symbolic potential that affirmative action has to redress historically produced and territorialized inequalities in the urban space **Blackness and Social**

Mobility in Brazil Doreen Joy Gordon, 2022-03-07 This book examines the emergence of the black middle classes in urban Brazil after 30 years of black mobilization and against the backdrop of deep economic cultural and political transformations taking place in recent decades within the country One of the consequences of such transformations is said to be the restructuring of gender race and class relations Utilizing qualitative research techniques such as ethnography interviews life histories and focus groups among Afro descendant families in the Northeast region of the country the book explores contemporary race class and gender inequalities and their impact on daily lived experience It reveals the dynamics underlying upward mobility the diverse modes and experiences of social ascent into the middle classes and the everyday negotiations involved in establishing one's status in the socio racial hierarchy which are not captured by other more macro lenses While some of these patterns are not peculiar to black people this book argues that race shaped the contours and possibilities of social mobility in particular ways This book is critical reading for specialists in the fields of inequality and race class and gender relations *Afro-Politics and Civil Society in Salvador da Bahia, Brazil* Kwame Dixon, 2022-08-02 Brazil's

Black population one of the oldest and largest in the Americas mobilized a vibrant antiracism movement from grassroots origins when the country transitioned from dictatorship to democracy in the 1980s Campaigning for political equality after centuries of deeply engrained racial hierarchies African descended groups have been working to unlock democratic spaces that were previously closed to them Using the city of Salvador as a case study Kwame Dixon tracks the emergence of Black civil society groups and their political projects claiming new citizenship rights testing new anti discrimination and affirmative action measures reclaiming rural and urban land and increasing political representation This book is one of the first to explore how Afro Brazilians have influenced politics and democratic institutions in the contemporary period Publication of the paperback edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities **Race and the Brazilian Body** Jennifer Roth-Gordon, 2017 Brazil's comfortable racial contradiction Good appearances race language and citizenship Investing in whiteness middle class practices of linguistic discipline Fears of racial contact crime violence and the struggle over urban space Avoiding blackness the flip side of *boa apar ncia* Making the *mano* the uncomfortable visibility of blackness in politically conscious Brazilian hip hop

Conclusion seeing race **Handbook of Contemporary Religions in Brazil** Bettina Schmidt, Steven Engler, 2016-09-19
The Brill Handbook of Contemporary Religions in Brazil provides an unprecedented overview of Brazil's religious landscape. It offers a full, balanced and contextualized portrait of contemporary religions in Brazil, bringing together leading scholars from both Brazil and abroad, drawing on both fieldwork and detailed reviews of the literatures. For the first time, a single volume offers overviews by leading scholars of the full range of Brazilian religions alongside more theoretically oriented discussions of relevant religious and culture themes. This Handbook's three sections present specific religions and groups of traditions, Brazilian religions in the diaspora, and issues in Brazilian religions, e.g. women, possession, politics, race, and material culture.

The Palgrave International Handbook of Mixed Racial and Ethnic Classification Zarine L. Rocha, Peter J. Aspinall, 2020-01-03
This handbook provides a global study of the classification of mixed race and ethnicity at the state level, bringing together a diverse range of country case studies from around the world. The classification of race and ethnicity by the state is a common way to organize and make sense of populations in many countries, from the national census and birth and death records to identity cards and household surveys. As populations have grown diversified and become increasingly transnational and mobile, single and mutually exclusive categories struggle to adequately capture the complexity of identities and heritages in multicultural societies. State motivations for classification vary widely and have shifted over time, ranging from subjugation and exclusion to remediation and addressing inequalities. The chapters in this handbook illustrate how differing histories and contemporary realities have led states to count and classify mixedness in different ways for different reasons. This collection will serve as a key reference point on the international classification of mixed race and ethnicity for students and scholars across sociology, ethnic and racial studies, and public policy, as well as policy makers and practitioners.

Race Peter Wade, 2015-07-02
An introduction to race that compares diverse historical and regional contexts, illustrated with numerous examples from daily life.

Routledge Handbook of Afro-Latin American Studies Bernd Reiter, John Antón Sánchez, 2022-11-08
This Handbook provides a comprehensive roadmap to the burgeoning area of Afro-Latin American Studies. Afro-Latins, as a civilization developed during the period of slavery, obtaining cultural contributions from Indigenous and European worlds, while today they are enriched by new social configurations derived from contemporary migrations from Africa. The essays collected in this volume speak to scientific production that has been promoted in the region from the humanities and social sciences, with the aim of understanding the phenomenon of the African diaspora as a specific civilizing element. With contributions from world-leading figures in their fields, overseen by an eminent international editorial board, this Handbook features original authoritative articles organized in four coherent parts: Disciplinary Studies, Problem-Focused Fields, Regional and Country Approaches, and Pioneers of Afro-Latin American Studies. The Routledge Handbook of Afro-Latin American Studies will not only serve as the major reference text in the area of Afro-Latin American Studies but will also provide the agenda for future new research.

The Top Books of the Year Urban Encounters Affirmative Action And Black Identities In Brazil The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Urban Encounters Affirmative Action And Black Identities In Brazil : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Urban Encounters Affirmative Action And Black Identities In Brazil : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Urban Encounters Affirmative Action And Black Identities In Brazil : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
