Hip-hop Revolution Jeffrey Ogbonna Green Ogbar, 2007 As hip hop artists constantly struggle to keep it real this fascinating study examines the debates over the core codes of hip hop authenticity as it reflects and reacts to problematic black images in popular culture placing hip hop in its proper cultural political and social contexts Ratchetdemic Christopher Emdin, 2021-08-10 Ratchetdemic will inspire a new generation to be their authentic selves both within and beyond the classroom GZA of the Wu Tang Clan A revolutionary new educational model that encourages educators to provide spaces for students to display their academic brilliance without sacrificing their identities From the nationally renowned educator and New York Times best selling author of *For White Folks Who Teach in the Hood and the Rest of Y all Too* Dr Christopher Emdin advocates for a new kind of student identity one that bridges the seemingly disparate worlds of the ivory tower and the urban classroom Because modern schooling often centers whiteness Emdin argues it dismisses ratchet identity the embodying of negative characteristics associated with lowbrow culture often thought to be possessed by people of a particular ethnic racial or socioeconomic status as anti intellectual and punishes young people for straying from these alleged academic norms leaving young people in classrooms frustrated and uninspired These deviations Emdin explains include so called disruptive behavior and a celebration of hip hop music and culture Emdin argues that being ratchetdemic or both ratchet and academic like having rap battles about science for example can empower students to embrace themselves their backgrounds and their education as parts of a whole not disparate identities This means celebrating protest disrupting the status quo and reclaiming the genius of youth in the classroom *#HipHopEd: The Compilation on Hip-hop Education* Christopher Emdin, Edmund S. Adjapong, 2018-04-16 The first volume of HipHopEd The Compilation on Hip hop Education brings together veteran and emerging scholars practitioners and students from a variety of fields to share their research and experiences as it relates to the use of hip hop in educational spaces This text extends the current literature on hip hop and education and focuses on the philosophy of hip hop and education the impact that hip hop culture has on the identity of educators and the use of hip hop to inform mental health practices Through their personal and practical experiences authors of this text will spark new and creative uses of hip hop culture in educational spaces **The Journal of African American History**, 2005 **Resources in Education**, 1995 *Signal Journal*, 2006 **Mechanical Engineering Design Education** Edmund C. Feldy, 1999 Seventeen papers from the November 1999 symposium are arranged under the headings of successes in mechanical engineering design education innovative methods of bringing science mathematics and engineering to high school students ME design with mechatronics and MEMS case studies in ME design an SIECUS Report, 1997 **From White Folks Who Teach in the Hood** Christopher Emdin, sam seidel, 2024-08-06 A timely companion to the New York Times bestseller *For White Folks Who Teach in the Hood and the Rest of Y all Too* Progressive white educators on the challenges and reimaginings of anti racist education cultural responsiveness and sustained liberatory learning practices Designed for educators by educators *From White Folks Who Teach in the Hood* is the white teachers guide

to effective multicultural anti racist pedagogy Over 20 educators are featured in this book representing different types of schools different geographies different durations of experience in the classroom and different depths of experience in interrogating their whiteness Throughout the text nationally renowned educators and coeditors Dr Christopher Emdin and sam seidel offer feedback and perspective on how to incorporate the practices and wrestle with the ideas outlined by the contributors Replete with practical reflections and actionable exercises this book explores among other things identity formation healing and growth in the early years of a teacher s career the restrictive harmful nature of standardization and the power of localization as a tool for transformation hip hop as a vehicle for promoting culture and authenticity within the classroom whiteness as a racial identity and intentional anti racist teacher trainings to identify and unlearn white supremacy From White Folks Who Teach in the Hood is the essential classroom companion for every white teacher committed to fostering productive learning spaces that respect the races cultures and identities of their students It offers all readers a window into the essential work that must be done to transform our nation s schools from sites of harm to sites of healing
