The Ten Thousand Things:

The Ten Thousand Things Maria Dermout, 2014-11-25 Set between Holland and a remote Indonesian island this intimate magical realism novel offers an offbeat narrative that has the timeless tone of a legend Time Dermout's sentences came at me like a soft knowing dagger depicting a far off land that felt to me like the blood of all the places I used to love Cheryl Strayed author of *Wild* The Ten Thousand Things is at once novel of shimmering strangeness and familiarity It is the story of Felicia who returns with her baby son from Holland to the Spice Islands of Indonesia to the house and garden that were her birthplace over which her powerful grandmother still presides There Felicia finds herself wedded to an uncanny and dangerous world full of mystery and violence where objects tell tales the dead come and go and the past is as potent as the present First published in Holland in 1955 Maria Dermout's novel was immediately recognized as a magical work like nothing else Dutch or European literature had seen before The Ten Thousand Things is an entranced vision of a far off place that is as convincingly real and intimate as it is exotic a book that is at once a lament and an ecstatic ode to nature and life

The Ten Thousand Things Maria Dermout, 1967 **Among the Ten Thousand Things** Julia Pierpont, 2015-07-07
NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE AND THE HUFFINGTON POST Features an exclusive conversation between Julia Pierpont and Lena Dunham For fans of Jennifer Egan Jonathan Franzen Lorrie Moore and Curtis Sittenfeld *Among the Ten Thousand Things* is a dazzling first novel a portrait of an American family on the cusp of irrevocable change and a startlingly original story of love and time lost Jack Shanley is a well known New York artist charming and vain who doesn't mean to plunge his family into crisis His wife Deb gladly left behind a difficult career as a dancer to raise the two children she adores In the ensuing years she has mostly avoided coming face to face with the weaknesses of the man she married But then an anonymously sent package arrives in the mail a cardboard box containing sheaves of printed emails chronicling Jack's secret life The package is addressed to Deb but it's delivered into the wrong hands her children's With this vertiginous opening begins a debut that is by turns funny wise and indescribably moving As the Shanleys spin apart into separate orbits leaving New York in an attempt to regain their bearings fifteen year old Simon feels the allure of adult freedoms for the first time while eleven year old Kay wanders precariously into a grown up world she can't possibly understand Writing with extraordinary precision humor and beauty Julia Pierpont has crafted a timeless hugely enjoyable novel about the bonds of family life their brittleness and their resilience Praise for *Among the Ten Thousand Things* A luscious smart summer novel by a blazingly talented young author The New York Times Book Review This book is one of the funniest and most emotionally honest I've read in a long time Jonathan Safran Foer Obsessively compelling emotionally sophisticated *Among the Ten Thousand Things* rises above other novels for its imagined structure sentence by sentence punch and pure humanity Vanity Fair Gripping Pierpont brings this family of four to life in sharply observed detail An acute observer of social comedy Ms Pierpont has a keen eye for the absurd

The Wall Street Journal Pierpont's language is heart stopping Between Pierpont's literary finesse and her captivating characters Among the Ten Thousand Things reads like a page turner Entertainment Weekly grade A A twisty gripping story that packs an emotional wallop O The Oprah Magazine There are going to be as many ingenious twists and turns in this literary novel as there are in a top notch work of suspense like Gone Girl Maureen Corrigan NPR's Fresh Air Tender delicately perceptive Pierpont's voice is wry and confident and she is a fine anthropologist of New York life The Washington Post Pierpont displays a precocious gift for language and observation She captures the minutiae of loneliness that pushes us away from each other and sometimes brings us back San Francisco Chronicle *The Ten Thousand Things* Robert Saltzman, 2017
