The Tent And The Crossroad:

The Crossroads Brett Heintzman, 2015-01-21 We've lost our way and God is calling us to return to Him. Every church walks a path comprised of methods, programs, worship styles, etc. The paths our churches travel may have served us well in the past, but they are losing their effectiveness with every passing day. Christian churches in America are facing the challenge of decline yet many cling to their current paths, expecting fresh results of revival and renewal. We are deceived and need direction. God told Israel through the prophet Jeremiah: This is what the LORD says: Stand at the crossroads and look. Ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls. But you said, We will not walk in it. Jeremiah 6:16 NIV. Today churches are standing at a crossroads. The Crossroads is a critical point of decision that can mean life and fruitfulness or death and extinction, depending on the choices we make today. Will we stay on the unfruitful paths or will we seek God for the ancient paths of His choosing? Paths of Holy Spirit power and Kingdom purposes. At the crossroads, the choice must be made. The Crossroads points the way to the ancient paths of true Kingdom fruitfulness.

Master of the Crossroads Madison Smartt Bell, 2007-12-18 Continuing his epic trilogy of the Haitian slave uprising, Madison Smartt Bell's *Master of the Crossroads* delivers a stunning portrayal of Toussaint Louverture, former slave, military genius, and liberator of Haiti, and his struggle against the great European powers to free his people in the only successful slave revolution in history. At the outset, Toussaint is a second-tier general in the Spanish army, which is supporting the rebel slaves' fight against the French. But when Toussaint is betrayed by his former allies and the commanders of the Spanish army, he reunites his army with the French, wresting vital territories and manpower from Spanish control. With his army, one among several factions, Toussaint eventually rises as the ultimate victor as he wards off his enemies to take control of the French colony and establish a new constitution. Bell's grand, multifaceted novel shows a nation splintered by actions and in the throes of chaos, carried to liberation and justice through the undaunted tenacity of one incredible visionary.

Women at the Crossroads Chana Bracha Siegelbaum, 2010 *Women at the Crossroads: A Woman's Perspective on the Weekly Torah Portion* comprises 53 essays pertaining to women based on each of the weekly Torah Portions throughout the year. Rebbetzin Chana Bracha Siegelbaum discusses in depth the characters and dilemmas of the women in the Torah that are relevant to the issues which women encounter today. The author explores the underlying values of laws and rituals that pertain to women by examining the inherent nature of women as presented in the Torah. Based on the intricacies of the Torah text, she shows the beauty and depth of the role of women as portrayed in the Torah and teaches the importance of women and their immense influence on society as prime movers of history. The book is divided into five chapters corresponding to the five books of the Torah. Each chapter is divided into sections according to each Torah portion. In addition, it includes a comprehensive and useful compilation of biographies of the commentaries quoted in the book. Expounding the Torah text through methodical research of Midrash, Talmud, and traditional commentators such as Rashi and the Ramban, placed side by side with Chassidic

masters like the Me or v Shemesh and modern commentators including Rabbi Aryeh Kaplan Rebbetzin Chana Bracha Siegelbaum weaves together the strands that make up the tapestry of life for the contemporary woman Rather than paying homage to the external competitive masculine world the author demonstrates how Jewish women of today may look inwards to the women in the Torah for guidance in choosing their priorities in life *The Soldier at the Crossroad* Edwin L.
