The Theology of Marriage Cormac Burke, 2015 Please fill in marketing copy *The Mystery of Marriage: A Theology of the Body and the Sacrament* Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament **Faith and the Sacraments** Thomas G. Weinandy, 2022-10-11 In September of 2014 thirty new members were appointed for a five year term to the Vatican's International Theological Commission These theologians clerical and lay were chosen from twenty six different countries and from five continents The commission was charged with composing three documents of contemporary theological importance one of which was that of the relationship between faith and the sacraments This finished document was published with the approval of the Congregation for the Doctrine of the Faith and by Pope Francis in Spanish in early 2020 under the title *La Reciprocidad entre Fe y Sacramentos en la Economía Sacramental* A subsequent English translation was published thereafter under the title *The Reciprocity Between Faith and Sacraments in the Sacramental Economy* This present volume contains the text of the English translation There follows an introduction by a member of the ITC Thomas G Weinandy OFM Cap and subsequently followed by six explanatory and interpretive commentaries on various chapters of the document Dr John Yocum considers the contemporary relevance of the topic Dr Christopher Ruddy examines the dialogical nature of the sacramental economy of salvation Dr Jennifer Holmes Martin discusses the relationship between faith and the sacraments of initiation There are two commentaries for section four concerning faith and the sacrament of marriage Professor John Grabowski treats the strictly theological issues relating to faith and marriage Canonist Timothy Cavanaugh takes up the canonical issues regarding faith and its relationship to enacting a valid sacramental marriage Dr Daniel Keating rounds off the commentaries by surveying the conclusion of the document that is the present need for evangelization so as to enliven the faith of the faithful and the present relevance of the new ecclesial movements within the Church today These commentaries are aimed at aiding priests and seminarians as they address or prepare to address the pastoral and theological concerns they encounter or will encounter on a daily basis This volume could also be used in parish adult education groups as well wherein the laity could better understand the relationship between faith and the sacraments *The Voice of the Bridegroom* Benjamin A. Roberts, 2021-02-02 Preaching is a relational act This book explores the relationship between the preacher and the assembly as a spousal relationship Written by a parish pastor with a doctorate in preaching and rooted in the Roman Catholic notion of the priest as bridegroom of the church this work examines characteristics of the spousal relationship between husband and wife and then provides an analysis of the ministerial priesthood through this nuptial lens This nuptial reflection on the ministerial priesthood is then applied to preaching This book presents a nuptial hermeneutic or vision for preaching and the

implications of this vision for the assembly the preacher the homily and the homiletical method The appendices include a one page strategy for preaching summarizing the homiletical method a rubric for homily evaluation by members of the assembly and two sample homilies

A Catechism for Family Life Sarah Bartel, John S. Grabowski, 2018-08-29 The purpose of A Catechism for Family Life Insights from Catholic Teaching on Love Marriage Sex and Parenting is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life Many Catholics are under catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life see Amoris Laetitia 202 To address this need we gathered pertinent questions facing men women and pastoral workers in marriage and family life We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years These include papal encyclicals apostolic exhortations and addresses Vatican II documents and the Catechism of the Catholic Church Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life While the Catholic Church has developed a rich detailed and positive teaching on marriage family and sexuality many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating Finding the relevant teaching to address specific questions is not always a simple task either This book s main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question

Rethinking Cooperation with Evil Ryan Connors, 2023-12-15 Rethinking Cooperation with Evil A Virtue Based Approach applies Thomistic virtue theory to today s most challenging questions of cooperation with evil For centuries moralists have struggled to determine the conditions necessary to justify moral cooperation with evil The English Jesuit Henry Davis even observed T here is no more difficult question than this in the whole range of Moral Theology This important book addresses this challenge by applying the virtue based method of moral reasoning of St Thomas Aquinas to issues of cooperation with evil Those who pastor souls report frequently receiving questions from attentive believers about whether a particular human action inadvertently contributes to some moral evil Examples of potentially immoral cooperation with evil include whether one may shop at a particular franchise known for its support of abortion whether Catholics may attend civil marriages outside the Church or whether an organization may submit to government mandates that health insurance include payment for immoral practices Although recent moralists have tackled specific topics related to cooperation with evil agreement on an overall common paradigm has not yet been reached Rethinking Cooperation with Evil proposes a method for Christian believers and others to approach these questions from the foundation of the thought of St Thomas Aquinas and the magisterial teaching of the Catholic Church This text provides both an overall method for how to understand the issue of cooperation as well as practical counsel for specific cases Rethinking Cooperation with Evil advances the theological

conversation on this topic from both speculative and practical vantage points To facilitate his argument Connors utilizes historical analyses that contrast Aquinas's method of moral reasoning with that of the casuist treatment of cooperation Consequently the book includes numerous case studies that will be of interest both to moral theologians and readers new to the topic

The Fathers on the Bible Nicu Dumitraşcu, 2022-11-10 This book offers an overview of how the Church Fathers used and interpreted biblical texts It brings together a range of different Christian confessional and social perspectives to explore the biblical basis and impact of their thinking The contributors cover different ages and traditions with each chapter focusing on a specific individual and theme The book takes an ecumenical approach to the relationship between the Church Fathers and Holy Scripture and fosters a better understanding of the relationship between Christian tradition and the Bible It will be of interest to scholars of Christian theology the history of Christianity biblical studies and patristics

Touched by Christ: The Sacramental Economy Lawrence Feingold, 2021-05-07 The sacramental economy was instituted by Christ and entrusted to His Church in order to build up the Body of Christ in a twofold communion binding the members together with God and one another Touched by Christ The Sacramental Economy is an introductory course on Sacramental Theology suitable for all who seek a deeper understanding of how the Church's sacraments constitute channels of grace nurture supernatural life and heal us from our sins Lawrence Feingold expertly describes the nature of the sacraments their purpose fittingness and relationship with Christ and the New Covenant their relationship with the Old Covenant rites that prefigured them the character and grace that they communicate and the nature of their causality Touched by Christ shows that the sacraments of the New Covenant should be understood as instruments of Christ's humanity that are used as words of power to communicate the sanctification that they signify infuse grace communicate the Holy Spirit and build up ecclesial communion in those who receive them with the right dispositions

Priestly Identity Thomas McGovern, 2002 In his new book Fr Thomas McGovern examines fundamental aspects of the priestly vocation from a theological spiritual and pastoral standpoint and offers a convincing restatement of the identity of the priest from the perspective of contemporary theology As well as drawing on the historical tradition he focuses particularly on the writings of John Paul II about the priesthood and the rich insights that he has contributed over the past twenty years towards a clearer definition of the priestly vocation

Sexuality, Marriage, and Family Paulinus Ikechukwu Odozor, 2001 This comprehensive volume brings together an impressive array of Christian writers to examine sexuality marriage and family from the perspective of scripture ancient Christian writers Christian history the official teachings of the Catholic Church and contemporary theological reflection As useful as it is profound Sexuality Marriage and Family offers an in depth exploration of the moral and ethical considerations surrounding issues such as sexuality divorce

remarriage conception and sexual equality It is an invaluable resource for college level courses on marriage parish based marriage preparation courses and the general reader who wishes to explore the issues debates and development of the Catholic tradition on sex marriage and family **Commitment to Partnership** William P. Roberts,1987 **Religion Index Two** ,1993 Christian Marriage and Family Michael G. Lawler,William P. Roberts,1996 A definite shift in the Catholic Church s understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Doctoral Dissertations Accepted by American Universities Donald Bean Gilchrist,Edward Atwood Henry,1941 The Catholic Periodical and Literature Index ,1988 *Comprehensive Dissertation Index* ,1984 The New Dictionary of Catholic Social Thought Judith A. Coughlin,2012-03-16 Law Person and

Community Philosophical Theological and Comparative Perspectives on Canon Law takes up the fundamental question What is law through a consideration of the interrelation of the concepts of law person and community As with the concept of law described by secular legal theorists canon law aims to set a societal order that harmonizes the interests of individuals and communities secures peace guarantees freedom and establishes justice At the same time canon law rests upon a traditional understanding of the spiritual end of the human person and religious nature of community The comparison of one of the world s ancient systems of religious law with contemporary conceptions of law rooted in secular theory raises questions about the law s power to bind individuals and communities Professor John J Coughlin employs comparative methodology in an attempt to reveal the differing concepts of the human person reflected in both canon law and secular legal theory Contrasting the contemporary positivistic view of law with the classical view reflected in canon law Law Person and Community discusses the relationship between canon law theology and natural law It also probes the interplay between the metaphysical and historical in the theory of law by an examination of canonical equity papal authority and the canon law of marriage It juxtaposes the assumptions of canon law about church state relations with those of the modern liberal state as exemplified by U S first amendment jurisprudence No scholarly work has yet addressed this question of how the principles and substance of canon law both past and present relate to current issues in legal theory such as the foundation of human rights and in particular the right of religious freedom for individuals and communities
