The Things He Didn't Say Part 1:

Underground Boxed Set: parts 1-3 Cassandra Carr, 2015-04-14 Can a man disappear forever and build himself a new life or will his past catch up with him Follow this 10 part serial throughout 2015 featuring Ethan aka Slapshot a hockey player whose life is ruined forcing him to disappear forever Ethan joins Underground a black ops organization and is trained as a deadly operative There he meets Ciana a woman with a dark past of her own As Ethan and his Underground colleagues embark on dangerous missions worldwide he finds a new purpose in life

Off the Grid Underground 1 The seemingly impossible has happened The unthinkable Those I trusted most have betrayed me I m a hockey player and gave control of my finances to my parents so I could concentrate on my game Big mistake They stole from me bankrupted me in fact And then someone came looking for money I don t have and I made a terrible mistake one that will haunt me forever But now someone has found me and offered a new start I would no longer be a hockey player I wouldn t even be an actual person totally off the grid I d be a shadow fighting crime for an organization that s underground literally Do I want that life If I go back what kind of life would I have Probably one in prison orange The choice to join Underground is painful but necessary As my hockey coach always said though pain is weakness leaving the body I will not be powerless ever again

Creating Slapshot Underground 2 I ve left my old life behind and officially joined Underground It appears no one knows where I am or even if I m still alive I don t know how I feel about that My friends thinking I m dead leaves a hole in my heart but I ll drive myself crazy if I obsess about it So rather than allowing myself to wallow in self pity or anger about what s happened I m throwing all my energy into training You would think that whole elite athlete thing would make everything easier but all these new techniques I need to master hand to hand combat weapons training surveillance procedures are kicking my ass For my whole life I ve only had one identity Ethan hockey player Now that sense of self is gone forever slowly being replaced by my new identity Slapshot Surreal doesn t even begin to describe this transformation But the more I find out about the world around me the problems I ignored for the most part as I played a game for an obscene amount of money the more I want to make a difference This is not a game It s real life and I have the chance to be a hero It s going to take everything I have or have left to do it

Initiation by Fire Underground 3 I have my first assignment helping track down a man targeting Cuban bodegas and then using an automatic rifle to massacre all those inside after they re attacked by a Cuban gang and his wife is killed Underground is tasked with figuring out who this dangerous man is and stopping him before he goes on another rampage It s the first time I ve seen Underground in action and I have to admit it s exciting I feel that adrenaline rush I used to get right before I hit the ice And I loved that satisfied feeling of knowing I helped find justice for all the innocent people the man has murdered
