Sehlinger, Len Testa, 2015-08-18 Offers an overview of how to plan the perfect vacation with tips on saving money ratings for area hotels and evaluations of attractions by age group **Performance and the Disney Theme Park Experience**

Jennifer A. Kokai, Tom Robson, 2025-07-02 Most scholars and critics deny agency to the tourist in their engagement with the Disney theme park experience The vast body of research and journalism on the Disney Imagineers the designers and storytellers who construct the park experience leads to the misconception that these exceptional artists puppeteer every aspect of the guest's experience This anthology now in its second edition re-centers the park experience around its protagonist the tourist and addresses the Disney Parks using performance theory an approach few to no scholars had used prior to the first edition The authors of the individual essays as well as the Introduction by Kokai and Robson and an Afterword by world renowned tourism and performance expert Susan Bennett recognize the inherently complicated nature of Disney Many of the contributors consider themselves Disney fans but also recognize the potentially problematic aspects of Disney parks This collection permits both perspectives to exist side by side informing rather than contradicting each other
