**American Memory Hole** Donald Jeffries, 2024-08-27 Donald Jeffries takes another deep dive down the historical rabbit holes with American Memory Hole How the Court Historians Promote Disinformation You will discover how cancel culture was born during the administration of Franklin D Roosevelt And how our interventionist foreign policy was established during the Woodrow Wilson presidency Jeffries documents the tragically common atrocities committed by US troops beginning with the Mexican American War which became official policy under the total war and scorched earth strategy of Abraham Lincoln s bloodthirsty generals He recounts the shocking abuses of our military forces in countries like Mexico Haiti the Philippines and elsewhere Jeffries builds on his groundbreaking investigation into the murder of John F Kennedy Jr uncovering even more evidence of conspiracy and cover up He talked to people no researcher has talked to before in a powerful new section on the assassination of President John F Kennedy Jeffries explores the Kennedy family in general and finds that the establishment especially the Left continues to treat them unfairly The events of September 11 2001 and the Oklahoma City Bombing are investigated in depth as never before There is stunning new information on much maligned Senator Joseph McCarthy who emerges here not as some irredeemable monster but as a genuine American patriot who has been demeaned in death even more than he was in life The reader will never look at the supposed heroes and villains of American history the same way again after reading this book History is written by the victors **Hitler's Priestess** Nicholas Goodrick-Clarke, 2000-10 As one of the earliest of Holocaust deniers and the first to suggest that Adolf Hitler was an avatar a god come to earth in human form to restore the world to a golden age Devi s appeal to neo Nazi sects lies in the very eccentricity of her thought combining Aryan supremacism and anti Semitism with Hinduism social Darwinism animal rights

and a fundamentally biocentric view of life Publisher informationt      World Fascism Cyprian Blamires,2006-09-18 This book shows how during the 20th century evils such as totalitarianism tyranny war and genocide became indelibly linked to the fascist cause and examines the enduring and popular appeal of an ideology that has counted princes poets and war heroes among its most fervent adherents From the followers of Hajj Amin Al Husseini the Arab leader who met with Adolf Hitler in November 1942 to the murderous death squads of the Croatian Ustasha to certain members of the British Establishment fascism s heady brew of extreme nationalism and revolutionary violence has attracted followers from across all religions races and classes Now widely reviled fascism became an immensely powerful political force in Western Europe throughout the 1930s and into the 1940s How did civilized nations like Italy Germany Austria and others succumb to an ideology now regarded by the political mainstream as barbarous and beyond the pale World Fascism A Historical Encyclopedia covers all the key personalities and movements throughout the history of fascism and brings to light some of the ideology s lesser known aspects from Hindu extremists in India to the influential role of certain women in fascist movements How did an ideology which was openly boastful of its belief in violence come to seduce the elites of some of the most civilized nations on earth What can explain fascism s enduring appeal 500 A Z entries on fascist leaders and the movements doctrines and key events associated with fascism An extensive index that enables readers to locate topics quickly and easily Information about fascism as a worldwide movement from a wide range of sources Contributions from over 100 scholars from more than 20 nations      **The Radical Right and the New Europe, 1900-1991** Roger Griffin,1991      **Searchlight** ,2001      **Lumea** ,1988      **New Masses** ,1942      The Central European Observer ,1942      Standard Catalog for High School Libraries H.W.
