The Three Martini Playdate A Practical Guide To Happy Parenting 2004 Publication:

Feminist Mothering Andrea O'Reilly, 2008-10-09 Feminist Mothering goes beyond critiques of patriarchal motherhood to locate and investigate feminist maternal practices as sites for women's empowerment and social change. The contributors see feminist mothering as practices of mothering that seek to challenge and change the norms of patriarchal motherhood that are limiting and oppressive to women. For many women practicing feminist mothering offers a way to disrupt the transmission of sexist and patriarchal values from generation to generation. Contributors explore the ways in which women integrate activism, paid employment, nonsexist childrearing practices, and non-child-centered interests in their lives and other caregivers into their children's lives in order to challenge existing societal inequality and create new egalitarian possibilities for women, men, and families. **BOOK JACKET** *Matricentric Feminism: Theory, Activism, Practice. The 2nd Edition* Andrea O'Reilly, 2021-04-04 The 2nd edition includes a new preface that considers how matricentric feminism in positioning mothering as a verb affords a gender-neutral understanding of motherwork and allows for an appreciation of how motherwork is deeply gendered and how this may be challenged and changed through empowered mothering. The book argues that the category of mother is distinct from the category of woman and that many of the problems mothers face are specific to women's role and identity as mothers. Indeed, mothers are oppressed under patriarchy as women and as mothers. Consequently, mothers need a feminism of their own, one that positions mothers' concerns as the starting point for a theory and politics of empowerment. O'Reilly terms this new mode of feminism matricentric feminism, and the book explores how it is represented and experienced in theory, activism, and practice. **Mothers, Mothering and Motherhood Across Cultural Differences - A Reader** Andrea O'Reilly, 2014-05-01 *Mothers, Mothering and Motherhood across Cultural Differences* the first ever Reader on the subject matter examines the meaning and practice of mothering motherhood from a multitude of maternal perspectives. The Reader includes 22 chapters on the following maternal identities: Aboriginal, Adoptive, At Home, Birth, Black, Disabled, East Asian, Feminist, Immigrant, Refugee, Latina, Chicana, Poor, Low Income, Migrant, Non-Residential, Older, Queer, Rural, Single, South Asian, Stepmothers, Working, Young Mothers, and Mothers of Adult Children. Each chapter provides background and context, examines the challenges and possibilities of mothering motherhood for each group of mothers, and considers directions for future research. The first anthology to provide a comprehensive examination of mothers' mothering motherhood across diverse cultural locations and subject positions, the book is essential reading for maternal scholars and activists and serves as an ideal course text for a wide range of courses in Motherhood Studies. *The Self-Esteem Trap* Polly Young-Eisendrath, 2008-09-02 Wise and packed with insight. If you've wondered how to cut through our culture's obsession with perfect children, this is the book for you. Jean Twenge, PhD, author of *Generation Me*: Kids today are depressed and anxious. They also seem to feel entitled to every advantage and unwilling to make the leap into adulthood. As Polly Young-Eisendrath makes clear in this brilliant account of where a generation has gone astray, parents trying to make their children

feel special are unwittingly interfering with their kids ability to accept themselves and cope with life Clarifying an enormous cultural change The Self Esteem Trap shows why so many young people have trouble with empathy and compassion struggle with moral values and are stymied in the face of adversity Young Eisendrath offers prescriptive advice on how adults can help kids through the teen and young adult years develop self worth setting them on the right track to productive balanced and happy lives Her message rings true Publishers Weekly **American Book Publishing Record** ,2003 **How Pop Culture Shapes the Stages of a Woman's Life** Melissa Ames,Sarah Burcon,2016-03-15 Contemporary popular culture has created a slew of stereotypical roles for girls and women to willingly or not play throughout their lives The Princess the Nymphette the Diva the Single Girl the Bridezilla the Tiger Mother the M I L F the Cougar and more In this book Ames and Burcon investigate the role of cultural texts in gender socialization at specific pre scripted stages of a woman s life from girls to the golden girls and how that instruction compounds over time By studying various texts toys magazines blogs tweets television shows Hollywood films novels and self help books they argue that popular culture exists as a type of funhouse mirror constantly distorting the real world conditions that exist for women magnifying the gendered expectations they face Despite the many problematic conflicting messages women receive throughout their lives this book also showcases the ways such messages are resisted allowing women to move past the blurry reality they broadcast and toward hopefully gender equality Stunned Karen Bridson,2009-05 An eye opening investigation of feminism and the feminist movement and their effects on the post feminist generation who are now becoming mothers Stunned is a call to action for today s women to redefine and revitalize feminism to be more in line with today s challenges and situations that didn t previously exist but are expected to face **Forthcoming Books** Rose Arny,2004 **The New Yorker** ,2004 **Children's Books in Print, 2007** ,2006
