Radway, 2010-11-18 **How to Deal with a Divorce as a Christian** Iris Mollen, 2022-11-09 The author started journaling when her husband asked for a divorce after thirty five years of marriage Four months after her husband asked for a divorce she lost her job after twenty five years God led her on a journey to write this book How to Deal with a Divorce as a Christian The purpose of this book is twofold Divorce is devastating It is worse than a death as one pastor said and the author agrees She wants to reach out to Christian women and men to tell them divorce will probably be one of the hardest things they will ever have to go through especially if they have been married for many years This book contains what the Bible tells us about divorce It also talks about job losses infertility adoption starting a new career alcoholism and family relationships The author s hope in writing this book is that she can reach out and help Christians deal with a divorce and other everyday events that have happened to her in her life With God s help and her belief she made it through Now she has fallen in love which she never dreamt would happen **Playtime Is Over** Derek Anderson, 2020-11-24 Playtime Is Over The book that is long

overdue yet very much needed is finally here Too often many people live a life that becomes one big lie after another I have learned by living that it s one thing to lie to other people but it s a terrible thing to lie to yourself For many years some people have allowed their life to continue on in this state of deep sleep which is destructive not only to themselves but to others as well This book is not to a race or creed of people but to a type of people To people that know that there is more to life than the things that they are seeing and doing To people who know that there are issues and topics that need to be talked about yet not many people seem to want to talk about them To people that are so fed up with the sexual sins and perversions of these times that they just want for someone to address the topic from a real honest perspective Well that is what I am here

to do talk about the sexual sins and perversions that are over running the world we live in Healthy sexual relationships were designed to be a good thing performed within the union of marriage between two consenting married adults What we are allowing today in a lot more ways than one is for contamination to settle in Men and women are leaning to their own understanding and doing by choice whatever they are big and bad enough to do Some people not all live their life in silence about a lot of these topics because they don t have anyone to talk to about them Nowhere to turn for real honest conversations about this issue For the most part we spend time on the surface of these issues Well within the pages of this book we will go past the surface and bring some clarity in a lot more areas than not so consider your realities and know that help is here So brace yourself like a woman man because playtime is over Warning Once you start reading this book it will be hard to escape the truths in these writings so much to the point that you will be challenged to change for the better or remain in the same condition that you were in before you started reading this book Overall The choice is yours I invite you to read receive and reevaluate your life as you know it so that you can live a life free from the things that may be holding you captive and start living a life that matters even more not only to you but to others Life is more than living for the here and now live for the eternal come and dine
