Imagining the Tropics Elizabeth S. Manley, Elizabeth Manley, 2025-05-13 Imagining the Tropics is a history of the development of tourism in the Caribbean from the 1910s through the 1970s that focuses on the ways women's labors of hospitality writing and advocacy built the industry and its ubiquitous imagery of

tropical island relaxation escape and romance By examining a range of sources engaging an array of women protagonists and looking broadly across multiple Caribbean island states including Jamaica Cuba the Bahamas Barbados the Dominican Republic Haiti Puerto Rico Trinidad and Tobago and the U S and British Virgin Islands it seeks to understand how the region came to be sold as a romantic escape from the troubles of the modern world By putting women at the center of Caribbean tourism history as both its ambassadors and objects of desire it seeks to explain some of the complicated contradictions that plague the business of pleasure but also to point toward ways of building alternative models to its present and past extractive realities

The Tourism Encounter Florence Babb, 2011 This book considers the recent growth of tourism in transitional societies in Latin America and the Caribbean Research in Cuba Mexico Nicaragua and Peru reveals that tourism often takes up where social transformation leaves off and may even benefit from the formerly off limits status of nations that have undergone periods of conflict or rebellion

The Formation of Latin American Nations Thomas Ward, 2018-10-25 This pioneering work brings the pre Columbian and colonial history of Latin America home rather than starting out in Spain and following Columbus and the conquistadores as they discover New World peoples The Formation of Latin American Nations begins with the Mesoamerican and South American nations as they were before the advent of European colonialism and only then moves on to the sixteenth century Spanish arrival and its impact To form a clearer picture of precolonial Latin America Thomas Ward reads between the lines in the Chronicles of the Indies filling in the blanks with information derived from archaeology anthropology genetics and common sense logic Although he finds fascinating points of comparison among the K iche Maya in Central America the polities se or os of Colombia and the Chim of the northern Peruvian coast Ward focuses on two of the best known peoples the

Nahua Aztec of Central Mexico and the Inka of the Andes His study privileges indigenous identified authors such as Diego Mu oz Camargo Fernando de Alva Ixtlilx chitl Inca Garcilaso de la Vega and Felipe Guaman Poma de Ayala while it also consults Spanish chroniclers like Hern n Cort s Bernal Diaz del Castillo Pedro Cieza de Le n and Bartolom de las Casas The nation forming processes that Ward theorizes feature two forms of cultural appropriation the horizontal in which nations appropriate people and customs from adjacent cultures and the vertical in which nations dig into their own past to fortify their concept of exceptionality In defining these processes Ward eschews the most common measure race instead opting for the Nahua altepetl the Inka panaka and the K iche amaq His work thus approaches the nation both as the indigenous people conceptualized it and with terminology that would have been familiar to them before and after contact with the Spanish The result is a truly decolonial account of the formation and organization of Latin American nations one that puts the indigenous perspective at its center *The Rise of the Latin American Nations* Arthur Scott Aiton,1950 **A History of Colonial**

Latin America from First Encounters to Independence Susan Elizabeth Ram rrez,2021-09-30 A History of Colonial Latin America from First Encounters to Independence is a concise and accessible volume that presents the history of the Iberian presence in the Americas from the era of exploration and conquest to the disruption and instability following independence This history of the Iberian presence in the Americas contains stories of curiosity vision courage missed communication miscalculation insatiability prejudice and native collaboration and resistance Beginning in 1492 Ramirez establishes the context for the era of exploration and conquest that follows The book then surveys the activities of Cortes and Pizarro and the impact on native peoples Portuguese activity on the eastern coast of South America the demographic collapse of the native population the role of the Catholic Church and new policy initiatives of the Bourbons who inherited the throne in 1700 The narrative involves Spaniards Native Americans of innumerable ethnic groups Moorish native and black slaves and a whole new category of people of mixed blood collectively known as the castas acting in the steamy tropics of the lowlands marching across parched deserts trekking to oxygen low mountain summits and settling all the ecological niches in between The book includes important primary documents and maps to provide students with even more context to this important part of Latin American history It will be of interest to students and scholars of Latin American history and culture **Latin America**

Jonathan C. Brown,2000 In this book the author presents Latin American history from the bottom up with emphasis on indigenous peoples African slaves and mixed race workers and peasants According to the author colonialism was a process of accommodation and conflict between numerous ethnic groups and the European settlers who took control of the land and the people The cultural diversity and racial mixture unique to the colonial experience find ample expression in many historical documents that depict the contributions of ordinary people Back cover **Cultural Tourism in Latin America** Michiel Baud,Annelou Ypeij,2009-06-02 Cultural tourism has become an important source of revenue for Latin American countries especially in the Andes and Meso America Tourists go there looking for authentic cultures and artefacts and interact directly

with indigenous people Cultural tourism therefore takes place in close engagement with local societies This book analyse the effects of cultural tourism and the processes of change it provokes in local societies It analyses the intricacies of informal markets the consequences of enforcing tourist policies the varied encounters of foreign tourists with local populations and the images and identities that result from the development of tourism The contributors convincingly show that the tourist experience and the reactions to tourist activities can only be understood if analysed from within local contexts Contributors Michiel Baud Annelou Ypeij Lisa Breglia Quetzil E Casta eda Ben Feinberg Carla Guerr n Montero Walter E Little Keely B Maxwell Lynn A Meisch Zoila S Mendoza Alan Middleton Beatrice Simon Griet Steel Gabriela Vargas Cetina Tourism in Latin America especially the sort of cultural tourism that plays to desires for authentic experiences has become a key foreigner currency earner for many countries This important volume examines the impact of tourism across the region providing a rich survey of the range of experiences and teasing out the theoretical implications From the almost surreal Mi Pueblito theme park in Panama to mushroom hunting tourists in Oaxaca to the eco trail leading to Machu Pichu these chapters present compelling cases that speak to identity formation nationalism and economic impacts As the contributors show benefits are differentially accrued to various actors and often not to the communities that tourists come to see Yet the contributors also make it clear that in struggles over ownership authenticity and political representation local communities actively shape the contours and meanings of tourism at times successfully leveraging cultural capital into economic gains Edward F Fischer Director Center for Latin American Studies Vanderbilt University **Latin America in Colonial Times** Matthew Restall,Kris Lane,2011-11-14 Presents the story of how Latin American civilization emerged from the encounter of three great civilizations in the sixteenth century
