Adventure, Mystery, and Romance John G. Cawelt,2014-02-07 In this first general theory for the analysis of popular literary formulas John G Cawelti reveals the artistry that underlies the best in formulaic literature Cawelti discusses such seemingly diverse works as Mario Puzo s The Godfather Dorothy Sayers s The Nine Tailors and Owen Wister s The Virginian in the light of his hypotheses about the cultural function of formula literature He describes the most important artistic characteristics of popular formula stories and the differences between this literature and that commonly labeled high or serious literature He also defines the archetypal patterns of adventure mystery romance melodrama and fantasy and offers a tentative account of their basis in human psychology

America First Mandy Merck,2007 At a time when the expanded projection of US political military economic and cultural power draws intensified

global concern understanding how that country understands itself seems more important than ever This collection of new critical essays tackles this old problem in a new way by examining some of the hundreds of US films that announce themselves as titularly American From early travelogues to contemporary comedies national nomination has been an abiding characteristic of American motion pictures heading the work of Porter Guy Blach DeMille Capra Sternberg Vidor Minnelli and Mankiewicz More recently George Lucas Paul Schrader John Landis and Edward James Olmos have made their own contributions to Hollywood s Americana What does this national branding signify Which versions of Americanism are valorized and which marginalized or excluded Out of which social and historical contexts do they emerge and for and by whom are they constructed Edited by Mandy Merck the collection contains detailed analyses of such films as *The Vanishing American* *American Madness* *An American in Paris* *American Graffiti* *American Gigolo* *American Pie* and many more

Ladies' Home Journal ,1925 **Youth's Companion** ,1925 The Country Gentleman ,1927 American Indian Studies Dane Anthony Morrison,1997 This collection of essays brings to college students and the general public a scholarly yet accessible and provocative text in Native American Studies The contributors draw upon their expertise in such diverse disciplines as economics education film studies history linguistics literature museum studies popular culture and religion Each essay highlights a particular aspect of Native American experience from the oppressive indoctrination of boarding schools to the successful strategic planning of Indian casinos to the exciting creativity of Native American literature In addition many of the essays introduce the reader to the disciplines through which we can approach this important and fascinating topic engagingly taking the reader through the process of how historians or economists or literary scholars go about their work *American Indian Ethnic Renewal* Joane Nagel,1997-09-25 Does activism matter This book answers with a clear yes *American Indian Ethnic Renewal* traces the growth of the American Indian population over the past forty years when the number of Native Americans grew from fewer than one half million in 1950 to nearly 2 million in 1990 This quadrupling of the American Indian population cannot be explained by rising birth rates declining death rates or immigration Instead the growth in the number of American Indians is the result of an increased willingness of Americans to identify themselves as Indians What is driving this increased ethnic identification In *American Indian Ethnic Renewal* Joane Nagel identifies several historical forces which have converged to create an urban Indian population base a reservation and urban Indian organizational infrastructure and a broad cultural climate of ethnic pride and militancy Central among these forces was federal Indian Termination policy which ironically was designed to assimilate and de tribalize Native America Reactions against Termination were nurtured by the Civil Rights era atmosphere of ethnic pride to become a central focus of the native rights activist movement known as Red Power This resurgence of American Indian ethnic pride inspired increased Indian ethnic identification launched a renaissance in American Indian culture language art and spirituality and eventually contributed to the replacement of Termination with new federal policies affirming tribal Self Determination American Indian

Ethnic Renewal offers a general theory of ethnic resurgence which stresses both structure and agency the role of politics and the importance of collective and individual action in understanding how ethnic groups revitalize and reinvent themselves Scholars and students of American Indians social movements and activism and recent United States history as well as the general reader interested in Native American life will all find this an engaging and informative work **Life** ,1925
