The Transparent Event Post Modern Christ Images:

The Transparent Event John P. Cock, 2001-06 from endorsements on back cover A valuable contribution to those who wrestle with enabling the tradition of faith to come alive within the pluriform global community Scholarly comprehensively sourced grounded readable and life addressing Our Universal Spirit Journey John P. Cock, 2002-06 Cock's fourth book has a creational context for everyone's journey in an age of transformation This book is an exuberant statement of the all pervasive presence and power of spirit and its ever present support for the Earth Venture and the Human Venture from the Foreword by Thomas Berry noted Earth spokesperson and author At One With the Heart of Creation John P. Cock, Lynda L. Cock, 2003-11 23 Reflections and 26 Pieces of Verse etc COVER REMARKS by Thomas Berry to whom book is dedicated author of *THE DREAM OF THE EARTH* cultural historian and geologist As we awaken in this new millennium to a dynamic hitherto scarcely dreamed of future in every phase of life John Cock's latest book sounds a clarion call for our participation in the great enterprise of enhancing communion between the human and the other than human components of the sacred earth community *MASTER IMAGE* A book about the spirit journey of communion with the power at the heart of creation that motivates us humans to be agents of intercommunion From the INTRODUCTION Section one is about linking our understanding of creation and its interior power to our current human condition the people of this planet are dispirited Yet we are on a spirit journey which is not about me as a person but is about me in relation with all others human and non human The truth we are missing is that spirit happens in the relation between the other and me or spirit happens in the relations of creation In this section we explore spirit's presence in everyday life and the dynamics of the spirit journey In section two How do we begin to deal with the contradiction of our time which is spirit disrelation Answer we become more aware of our experiences of communion with spirit In section three the focus is the mission of creation as mutual care or intercommunion a way to talk about our resolve and action to comprehensively interrelate with and care for creation as it cares for us The change we envision will not come from the ought of sustainability will not come from more democratic governments more economic prosperity or a better educated populace It will come from a more conscious spirit journey of communion and intercommunion of a growing movement of people around the planet *Jesus Christ as Ancestor* Reuben Turbi Luka, 2019-08-31 In this critical study Dr Turbi Luka uses historical theological methodology to engage in detail with Christologies of key African theologians and conventional theological sources for Christology including the church fathers Tertullian and Athanasius as well as modern theologians Turbi argues that existing African Christologies specifically ancestor Christologies are inadequate in expressing the person of Christ as Messiah and saviour the fulfilment of Old Testament prophecies Providing a new approach Turbi proposes an African Linguistic Affinity Christology that explicitly portrays Jesus as Christ in a contextually relevant way for Africans in everyday life This crucial study highlights the need for biblically rooted Christology and for sound theological understanding and naming of Jesus at every level This book also warns the

church in Africa and elsewhere to avoid repeating the dangerous christological heresies of the ancient church by remaining faithful to a biblical interpretation and orthodox theology of Christ
