The Truest Thing About You Identity Desire And Why It All Matters:

The Truest Thing about You David Lomas,D. R. Jacobsen,2014-02-01 There are many true things about you true things you use to build an identity Parent Introvert Victim Student Extrovert Entrepreneur Single These truths can identify you your successes and failures your expectations and disappointments your secret dreams and hidden shames But what if your true identity isn't found in any of these smaller truths but in the grand truth of who God says you are In other words lots of things are true about you but are they the truest David Lomas invites you to discover and live out the truth of who God created you to be you are loved you are accepted and you are made in God's image It's time to move beyond the lesser voices and discover why everything changes when you become who you really are **Holy Sexuality and the Gospel** Christopher

Yuan,2018-11-20 From the author of Out of a Far Country which details his dramatic conversion from an agnostic gay man who put his identity in his sexuality to a Bible professor who now puts his identity in Christ alone comes a gospel centered discussion of sex desire and relationships Dr Christopher Yuan explores the concept of holy sexuality chastity in singleness or faithfulness in marriage in a practical and relevant manner equipping readers with an accessible yet robust theology of sexuality Whether you want to share Christ with a loved one who identifies as gay or you're wrestling with questions of identity yourself this book will help you better understand sexuality in light of God's grand story and realize that holy sexuality is actually good news for all *Twenty-Two* Allison Trowbridge,2017-04-04 Over the course of twenty two letters

author Allison Trowbridge addresses a wide range of practical issues and ties them to larger concerns such as identity loss social impact as a lifestyle wisdom in the ordinary moments and the profound way God's work is realized in how we live every day Subtly weaving in today's pressing social concerns from poverty in our neighborhoods to human trafficking across the globe *Twenty Two* will inspire a greater sense of mission and a passion to live more fully as young women embark on their own remarkable journeys Allison Trowbridge harnesses the power of story in a series of letters to an imagined young woman wrestling with the questions that arise as she stands on the precipice of adulthood Never in history has a young woman had so many options before her yet never has she had less direction or guidance on what to do with them A woman at the precipice of adulthood often finds herself with more questions than answers with more disenchantment than direction How is she supposed to lean in to a successful career while also building deeply meaningful relationships How can she care for the community around her while simultaneously developing a global mindset and changing the world How can she be all that she is destined to be without feeling paralyzed by the pressure of so many prospects Allison Trowbridge knows this dilemma well She remembers stepping into her twenties and wishing for a mentor to guide her through this dizzying season of life In *Twenty Two* she becomes the mentor she was looking for Drawing from her own experience and from the wisdom of others she offers advice and counsel in a series of personal letters to Ashley a fictional college student looking for mentorship from someone one step ahead in life Worth It Chris Morpew,2025-03-01 Shows teens how living for Jesus makes a genuine
