The Truth About Firearms And Concealed Carry Daniel R Engel:

The Truth About Firearms and Concealed Carry Daniel R. Engel DE,2014-04-29 Due to so much misinformation throughout America regarding firearms I got tired of seeing innocent people die each and every day at the hands of criminals I've come to take this poor information and loss of innocent lives in this great country very personally and I decided to put together a book that very thoroughly explains the way firearms and ammunition work and why they do what they do With extensive information I hope to further your knowledge and teach you many things to help save your life one day This book is intended for those with absolutely no experience in firearms and also for those professionals who carry a gun every day for a living It covers certain specific information to help every household in America to become familiar with firearms including the most commonly owned firearms so that nobody will be left owning a gun they cannot or should not use and prevent as many injuries as possible Also it assures that you will learn considerable information and be much more prepared to maintain your life in addition to maintaining FREE America *The Truth About Firearms and Concealed Carry* Daniel R.

Engel,2019-10-08 Daniel R Engel was born on February 24th 1953 in Cleveland Ohio Dan grew up on the West side of Cleveland Ohio amid gang related activity through the years There were drive by shootings periodically and gangland fights where one with about 35 people broke out right in front of his house leaving some dead and bullet holes in Dan's house At times Dan had to physically fight his way out of confrontations with thugs who had guns periodically Dan had to earn what's in this book through the school of hard knocks Dan enlisted in the United States NAVY and was accidentally shot by his buddy He eventually retired from the NAVY and returned to Cleveland Dan relocated to Beaumont Texas where he resided for 20 years with his family before returning to Cleveland after the passing of a daughter and his wife Dan had more confrontations with thugs and their guns in Texas while he was there Due to his constant watch for thugs and crime he narrowly escaped a car jacking after returning home to Cleveland All in all Dan says you can never be too careful and you should always expect and be prepared for the possibility of trouble This book *The Truth About Firearms Concealed Carry* describes various scenarios where thugs were up to no good and explains many ways to educate yourself to deal with them and try to stay alive There's also a great deal of other information regarding firearms holsters tips on training and so forth If you want to try to learn something beyond what you know now give this book a try and see if you might learn something to try to save yourself and your family If you learn only one thing that helps save you it was well worth the effort Dan's book *The Truth About Firearms Concealed Carry* is a compendium that meets the beginner and advanced gunners expectations all the way Just what we need The language images and writing style lifts the reader into a world to want to learn more His constant theme of safety knowledge practice and pay for quality equipment is counter cultural to today's cost cutting philosophy I'd recommend his book to anyone I can JOE WADOWICK *The Truth about Firearms and Concealed Carry* Daniel

Engel,2021-07-31 *Targets* Daniel R. Engel,2022-08-17 Dan holds a couple of patents and authored a book titled THE

TRUTH ABOUT FIREARMS AND CONCEALED CARRY ISBN 978 1 64367 903 7 Dan wrote the book to educate people on the proper selection and use of firearms holsters and so forth for the inexperienced as well as the experienced If you learn just one thing that saves your life then buying the book was well worth the effort It can be ordered through any book store or on Amazon for 12 99 It s 265 pages can be read in about a week With the cost of targets being high and getting higher I figured I d help out and create targets where the book can be opened and laid on a copy machine while you run off as many as you might want for just a few cents each as compared to paying several dollars each or more These targets are suitable for any firearm whether it be a rifle shotgun or a handgun but be careful not to resize the ones with lines on them because they are calibrated for 1 increments Happy Shooting
