The Truth Which Sets Free:

The Truth That Sets Free Samuel Faith-Laye Ngafeeson, 2014-07-23 The Word of God expressly says Then Jesus said to those Jews who believed Him If you abide in my word you are my disciples indeed And you shall know the truth and the truth shall make you free John 8 31-32 These words show that many believe Jesus even those today who do not yet know the truth and this lack of the knowledge of the truth keeps them bound As a child of God you have the right to be set free from every bondage But such freedom only comes with the knowledge of the truth not any truth but the truth that sets free What is this truth that has the power to set free What are the chains with which children of God may be bound without even knowing This book does not only uncover for you those chains with which you may be bound it also lets you know the truth that sets you free You will discover in this book such depths into the Word of God as you have never known before **The Truth Sets**

Women Free J. Lee Grady, 2014 Although women in the United States have civil freedoms equal rights in the workplace and the full protection of law many church leaders continue to quench the fire that burns in our sisters We deny them equal rights to participate in the life of the church and we slam the door on opportunities for leadership In *Women and the Church* Grady takes these attitudes to task providing answers from God's Word that will set women free **The Truth Which Sets**

Free Peter Dunstan, 2007-02-26 He who has ears let him hear Jesus said those words many times What did he mean He also declared The truth will set you free Which truth Free from what This book will tell you in no uncertain terms a message to be stapled on the world's bulletin board for any who pass by and in particular for those who have the right ears It is a thorough explanation of the astonishing freedom won by Christ for his elect and the devastating implications this has for all world religion and philosophy especially Christianity It will shatter the myths underpinning many long cherished beliefs and rock the Church to its foundations Along with many other surprises you will discover that the word church is not even in the Bible This investigation covers most aspects of the Church with special reference to its origin in early times fathers councils creeds buildings names and titles saints priesthood and clergy celibacy ordination confirmation sacraments tithes sabbaths festivals gospels and media assurance second coming and ecumenical beliefs All these are weighed against Scripture namely the teachings of Christ the apostles and prophets and found to be either non-existent obsolete not the same thing or quite the opposite However these concepts did not materialize from nothing all came from someone somewhere The revelation of each source will be quite a shock for readers who thought they had a handle on the facts Well documented and researched but written in dynamic style this presentation is often moving and alarming This is the truth which sets free Truth Sets Free

 Education is a pedagogical system that aims at cultivating a free human being homini libera It is usually based on the
 medieval concept of the artes liberales that offer a grounding formation and solid basis for postgraduate education It is
 commonly accepted that Liberal Education is truly an education for its own sake excluding any consideration of utility
 personal gain and future profession As we can deduct from the word alone there must be something that sets us free This
 something someone is the Truth itself himself with a capital T Prior to this however if anything anyone is to set us free we
 have to acknowledge the existence of this objective reality before it he can do so At the core of Liberal Education stands thus
