American Education Wayne J. Urban,Jennings L. Wagoner, Jr.,2013-08-15 American Education A History 5e is a comprehensive highly regarded history of American education from pre colonial times to the present Chronologically organized it provides an objective overview of each major period in the development of American education setting the discussion against the broader backdrop of national and world events The first text to explore Native American traditions including education prior to colonization it also offers strong ongoing coverage of minorities and women New to this much anticipated fifth edition is substantial expanded attention to the discussions of Native American education to reflect recent scholarship the discussion of teachers and teacher leaders and the educational developments and controversies of the 21st century

Weapons of Mass Instruction John Taylor Gatto,2010-04-01 The transformation of schooling from a twelve year jail sentence to freedom to learn John Taylor Gatto s *Weapons of Mass Instruction* now available in paperback focuses on mechanisms of traditional education which cripple imagination discourage critical thinking and create a false view of learning as a byproduct of rote memorization drills Gatto s earlier book *Dumbing Us Down* introduced the now famous expression of the title into the common vernacular *Weapons of Mass Instruction* adds another chilling metaphor to the brief against conventional schooling Gatto demonstrates that the harm school inflicts is rational and deliberate The real function of pedagogy he argues is to render the common population manageable To that end young people must be conditioned to rely upon experts to remain divided from natural alliances and to accept disconnections from their own lived experiences They must at all costs be discouraged from developing self reliance and independence Escaping this trap requires a strategy Gatto calls open source learning which imposes no artificial divisions between learning and life Through this alternative approach our children can avoid being indoctrinated only then can they achieve self knowledge good judgment and courage A *History of American Education* H. G. Good,James David Teller,1973 Surveys educational ideas and practices since the

seventeenth century paying special attention to the influence of European theories and the American democratic social order

The Achievement Gap in U.S. Education Mano Singham,2005-05-12 Here Mano Singham takes a look at the problem of the Black White achievement gap in the context of larger political realities and argues that in order to understand it we must determine what is happening within the educational system as a whole
