The United States and Britain in Prophecy Herbert W. Armstrong, 2007 *The United States and Britain in Bible Prophecy* United Church of God, 2010-09-10 What's ahead for the United States and Britain Is the world's most powerful nation the United States of America overlooked in Bible prophecy Why are relatively small powers like Egypt Syria and Lebanon mentioned but no nation recognizable as the United States can be found What about other major English speaking nations such as the United Kingdom Canada and Australia In fact many prophecies do mention these nations But without a proper understanding of history and the Scriptures few can identify these countries and understand what lies ahead for them The Bible study aid booklet *The United States and Britain in Bible Prophecy* takes you on a remarkable journey through history and Bible prophecy to reveal an incredible story with sobering implications for the major English speaking nations You can't afford to be without this priceless information Chapters in this ebook Two Nations That Changed the World God's Commitment to Abraham and His Descendants What Is a Biblical Covenant How God Shaped Israel's Future Does God Keep His Word How Jacob Became Abraham's Heir Israel's Golden Age With Justice for All International Trade A Source of Solomon's Wealth God's Covenant With David Were All the Israelites Deported Are All Israelites Jews The Mysterious Scythians Burst Into History Celts and Scythians Linked by Archaeological Discoveries Linguistic Links What's in a Name The Label Celt and Celtic Society Prophecies of Israel's Resettlement in Northwestern Europe Britain and the United States Inherit Joseph's Birthright Benjamin Disraeli Maestro of Empire Advocates of British Israelism The Bible In British and American History From Punishment to Destiny Dual Fulfillment in Bible Prophecy The Geography of Celtic Scythian Commerce Inside this Bible Study Aid ebook Why has history been so benevolent and economically generous to Britain and the United States Why have they been blessed so favorably over the nations that preceded them in history The answer lies in the understanding and fulfillment of biblical prophecy God's promise to Abraham was not limited to a small and ancient

people in the Middle East It extends far into the future and it is not limited by national boundaries Where can we find the descendants of Joseph the lost tribes of Ephraim and Manasseh This list of blessings eliminates most of the nations of the world as contenders To find them we must ask Which nations possess these blessings in our world When we understand that the modern descendants of Joseph are the people of the United States and Britain we see that over the past three centuries God has been true to His promises Though the United States and Britain do not appear in the Bible s prophecies of the end time under their present names God hasn t ignored these nations He identifies them in prophecy according to their ancestry Most people simply haven t known where to look for them

The United States and Britain in Bible Prophecy Roger Foster,2004 **United States and Britain in Prophecy** Herbert W. Armstrong,1994 The Essential Teachings of Herbert W. Armstrong Stephen W. Boston,2001 *America and Britain in Prophecy* David C. Pack,2009-06-01

The most educated prosperous and influential civilizations have all come and gone The pattern of history is that Rome Egypt Babylon Greece Persia and other powerful developed empires rose to dizzying heights before crumbling and final collapse Suppose you could know the conclusion of world events and the future courses of great nations in advance including the United States and Britain What if the future of great nations indeed the greatest nations could be known In other words imagine knowing how future events will affect you and every human being personally Worsening conditions including terrorism war famine disease soaring food and energy costs as well as economic upheaval and political division have left people confused uncertain of where to turn for answers The governments and leaders of the West do not know how to solve mankind s problems or that world shattering changes are just over the horizon Awe inspiring prophecies recorded long ago have been fulfilled Others are now coming to pass God intended that these great nations prophecies be understood or He would not have recorded them The ultimate future of the American and British peoples is astounding with their greatest period of prosperity and peace yet ahead But this time will not come as their leaders planners and thinkers might hope

The True History of God's True Church: And Its 2,000-Year War With the Great False Church Philadelphia Church of God,Gerald Flurry,2015-04-30

When Jesus Christ founded the New Testament Church He said the gates of hell would not prevail against it He prophesied of seven successive eras it would undergo before His Second Coming and even foretold the predominant character of each History shows that God s true Church though it has gone largely unnoticed has survived through the 20 centuries since that time fulfilling Christ s prophecies in specific detail Now on the cusp of Christ s return this dramatic and miraculous story can be fully told

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07

YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House

by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

Kyle,2012-08-01 How will the world end Doomsday ideas in

Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In Apocalyptic Fever Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more *Historical Dictionary of Radical*

Christianity William H. Brackney,2012-05-03 There are several eras in the history of Christianity radical forms of the tradition are obvious the early church of the first five centuries the medieval era the age of reform the early modern era and the contemporary era Radical Christian activity and experience may reflect either a primary or a derived level of spirituality New converts may join a sect or movement with radical characteristics or they may become dissatisfied with their initial

Christian experiences and desire a different or deeper Christian spirituality usually closely parallel to that seen in the New Testament The Historical Dictionary of Radical Christianity covers the history of this movement and includes an introductory essay and a bibliography The dictionary section has over 400 cross referenced entries The dictionary entries selected reflect the leading groups movements and sects from each major era of Christian history Especially in the contemporary period the great proliferation of radical thinkers and groups has necessitated a selection process with those selected exhibiting sustained group activity possessing an identifiable following and demonstrating a significant cultural impact This book is an excellent access point for students researchers and anyone wanting to know more about Radical Christianity

Raising the Ruins Stephen Flurry, Philadelphia Church of God, Herbert W Armstrong was the world s leading televangelist and one of the most prominent religious leaders of the 20th century watched read and followed by millions worldwide But his legacy of Bible based humanitarianism came under attack after he died The cabal of leaders who took control of the church he founded after pledging to follow in his footsteps methodically destroyed all he had built Those who would stop them were silenced or excommunicated Had it happened in the corporate world the CEOs and executives responsible for hijacking a corporation and robbing its investors would have been fired if not prosecuted in a court of law Never before has this shocking story been told in such riveting detail Drawing upon official reports internal memos court depositions and personal interviews Stephen Flurry exposes the depth of corruption and deceit that was Tkachism the administration of Joseph Tkach who succeeded Mr Armstrong as pastor general of the Worldwide Church of God In this book you will learn How Tkach s men altered doctrines under Mr Armstrong s nose even before he died How the Tkach transformation was driven from the start by an agenda that even shocked most of the top ministers How early on Tkachism brazenly denied its radical changes before the church members How Tkachism slashed media operations under the pretense of wise stewardship while income soared at a record 1 billion in five years How Tkachism shamefully forced out the very members whose contributions had built the multi million dollar empire How Tkach s men told church members the message of Mr Armstrong s magnum opus Mystery of the Ages was still official while they secretly trashed 120 000 copies of the book How Tkach Jr considered it his Christian duty to stamp out Mr Armstrong s writings How Tkach Jr nearly achieved that goal in a six year legal battle but then for fear of being exposed surrendered How the marvelous wonder of Mr Armstrong s work is being raised from the ruins Worldwide Church of God leaders today present themselves to the mainstream evangelical world as a band of courageous truth lovers who sacrificed everything to follow Jesus Christ The stubborn facts of what they did however tell a far more sinister story a story they have done their utmost to keep buried This book exhumes those facts and exposes them to the furious light of day as they should have been all along for your scrutiny This ebook is offered completely free of charge by the Philadelphia Church of God However please not that Google Play will need a verified Google Wallet account which requires your credit card information In a small number of countries a temporary authorization of 1 will be charged to your account but will be refunded This
