

# The Theology Of Jonathan Edwards

**Owen Strachan, Douglas Sweeney**

## **The Theology Of Jonathan Edwards:**

**The Theology of Jonathan Edwards** Michael J. McClymond, Gerald R. McDermott, 2012-01-05 Scholars and laypersons alike regard Jonathan Edwards 1703-58 as North America's greatest theologian. The Theology of Jonathan Edwards is the most comprehensive survey of his theology yet produced and the first study to make full use of the recently completed seventy-three volume online edition of the Works of Jonathan Edwards. The book's forty-five chapters examine all major aspects of Edwards's thought and include in-depth discussions of the extensive secondary literature on Edwards as well as Edwards's own writings. Its opening chapters set out Edwards's historical and personal theological contexts. The next thirty chapters connect Edwards's theological loci in the temporally ordered way in which he conceptualized the theological enterprise beginning with the triune God in eternity with his angels to the history of redemption as an expression of God's inner reality *ad extra* and then back to God in eschatological glory. The authors analyze such themes as aesthetics, metaphysics, typology, history of redemption, revival, and true virtue. They also take up such rarely explored topics as Edwards's missiology, treatment of heaven and angels, sacramental thought, public theology, and views of non-Christian religions. Running throughout the volume are what the authors identify as five basic theological constituents: trinitarian communication, creaturely participation, necessitarian dispositionalism, divine priority, and harmonious constitutionalism. Later chapters trace his influence on and connections with later theologies and philosophies in America and Europe. The result is a multi-layered analysis that treats Edwards as a theologian for the twenty-first century global Christian community and a bridge between the Christian West and East, Protestantism and Catholicism, conservatism and liberalism, and charismatic and non-charismatic churches.

**The Essential Jonathan Edwards** Owen Strachan, Douglas Allen Sweeney, 2018-05-01 You've heard his name; you've probably heard your pastor quote him; but who is he really 250 years later Jonathan Edwards, America's consummate pastor-theologian, continues to capture the attention of Christians around the world. Yet Edwards left us over 1,200 sermons and thousands of pages of other publications, not to mention the literal thousands of books that have been written about Edwards since he died. Where does one even begin? That's why we created *The Essential Jonathan Edwards*. It serves as a perfect introduction to Edwards's life and thought. It explores Edwards's day-to-day life and his views on beauty, true Christianity, heaven and hell, and the good life. Strachan and Sweeney strike the perfect balance between necessary background information and giving Edwards's own works room to speak. Whether you're an Edwards fan already or only know Edwards because of that "Angry God" sermon, this book will lead you to drink deeply of Scripture and gaze longingly at God.

**Jonathan Edwards's Theology: A Reinterpretation** Kyle C. Strobel, 2012-12-27 This volume provides an interpretative key to Jonathan Edwards's theology developed from within his own doctrinal constructs. Strobel offers a dogmatic exposition of Edwards's theology by unveiling the trinitarian architecture of his thought. Building upon this analysis, Strobel applies his construct to reinterpret three key areas of redemption debated widely in the secondary literature: spiritual

knowledge regeneration and religious affection In order to achieve this purpose Strobel's approach is theological rather than philosophical employing Edwards's self confession as a Reformed theologian to guide his analysis In advancing a theological reading of Edwards Strobel focuses on the systematic nature of Edwards's theology ordering it according to his doctrinal affirmations This necessitates as many Edwards scholars now affirm a primary focus on Edwards's trinitarian theology where the Trinity serves as the key ontological principle which orders the whole of his doctrinal construction By grounding the interpretive key in Edwards's understanding of the Trinity Strobel's idiosyncratic exposition of his doctrine of the Trinity serves to recast Edwards's theology in a new light

The Theology of Jonathan Edwards Conrad Cherry, 1990-02-22 the Edwards of Cherry sits for a n intellectual portrait done with concepts as colors and with reason as the brush It is a picture faithfully and competently drawn New York Times Book Review 1967 this is a very good book It stresses the integral relationship of heart and mind intellect and will throughout Edwards an important book required reading for any student of Edwards Church History 1967

The Theology of Jonathan Edwards Conrad Cherry, 1985-06

**Jonathan Edwards on Beauty** Owen Strachan, Douglas Sweeney, 2010-01-21 Beauty is hard to describe but easy to identify It resides in expected and unexpected places in our world Beauty is present in our world in a variety of forms Yet while the average person might think about the reality of beauty from time to time few people would think about the source of beauty Where does beauty come from Why is it here Several hundred years ago Jonathan Edwards did some thinking of his own on this difficult subject This volume explores his meditation on the subject and lays out a Christian framework for understanding and experiencing the beauty God has planted in His world Edwards found in the study of beauty the person of God Where Edwards saw beautiful images and acts he saw a representation a small picture of a reality too great to comprehend a God too majestic to adequately adore He sets in motion a path of glory that begins with the Lord moves to creation continues to the incarnation of Christ moves to the church and ascends to the glory of heaven where the Holy Trinity dwells Easily accessible and readable you do not need to be a scholar to enjoy these insights about Jonathan Edwards and his writings

**Understanding Jonathan Edwards** Gerald R McDermott, 2008-12-02 Jonathan Edwards 1703-58 is widely recognized as America's greatest religious mind A torrent of books articles and dissertations on Edwards have been released since 1949 the year that Perry Miller published the intellectual biography that launched the modern explosion of Edwards studies This collection offers an introduction to Edwards's life and thought pitched at the level of the educated general reader Each chapter serves as a general introduction to one of Edwards's major topics including revival the Bible beauty literature philosophy typology and even world religions Each is written by a leading expert on Edwards's work The book will serve as an ideal first encounter with the thought of America's theologian

**God of Grace & God of Glory** Stephen R. Holmes, 2000-11-01 Jonathan Edwards is increasingly recognized as one of the church's most interesting and significant theologians yet synthesizing his thought has proven difficult This new study by Stephen Holmes finds a key to the whole of

Edwards's theology in the concept of glory Based on readings of all of Edwards's major works and making use of important unpublished materials this book provides a comprehensive introduction to Edwards for nonspecialists and at the same time makes an original contribution to Edwards scholarship *The Theology of Jonathan Edwards*, 1990 **Jonathan Edwards and the Covenant of Grace** Carl W. Bogue, 2009-01-05 Twentieth century discussions of Edwards covenant theology frequently named a tension in the purity of Edwards Calvinism Was his insistent teaching on the covenant of grace suggestive of incipient Arminianism or was Perry Miller correct in asserting that Edwards rejected the covenant with its abridging of God's freedom by his categorical insistence on God's absolute sovereignty in salvation Bogue explores the breadth of Edwards writing including many unpublished manuscripts and interacts with a broad spectrum of secondary works to demonstrate conclusively that Calvinism and the covenant of grace are entirely consistent and do not exclude one another The covenant of grace is not a device of man acting autonomously it is a provision of the eternal sovereign electing God As set forth by Edwards it is simply the way the sovereign God has committed Himself to carry out what He has decreed from all eternity pertaining to the redemption of sinners **The Ecumenical Edwards** Kyle C. Strobel, 2016-03-03 Jonathan Edwards is considered by many to be America's greatest theologian Many have lauded him as one of the great theologians in church history This book brings together major Catholic Orthodox and Protestant theologians to assess Edwards's theological acumen Each chapter places Edwards in conversation with a thinker or a tradition over a specific theological issue The Federal Theology of Jonathan Edwards (Studies in Historical and Systematic Theology) Gilsun Ryu, 2021-07-07 The Christ centered exegesis of Jonathan Edwards Jonathan Edwards is remembered for his sermons and works of theology and philosophy but he has been overlooked as an exegete Gilsun Ryu's *The Federal Theology of Jonathan Edwards* explores how exegesis drove Edwards's focus on the headship of Christ as second Adam and likewise formed a foundation for his broader theological reasoning and writing especially on Christ and the covenants Edwards's distinctive emphases on exegesis redemptive history and the harmony of Scripture distinguish him from his Reformed forebears Ryu's study will help readers appreciate Edwards's contribution as an exegetically informed Reformed theologian Encounters with God Michael J. McClymond, 1998-08-20 This book offers a broad based study of Jonathan Edwards as a religious thinker Much attention has been given to Edwards in relation to his Puritan and Calvinist forebears McClymond however examines Edwards in relation to his eighteenth century intellectual context In each of six chapters he contextualizes and interprets some text or issue in Edwards within the emergent post Lockean post Newtonian culture of the English speaking world of the 1700s Among the topics considered are spiritual perception metaphysics contemplation ethics and morality and apologetics One Holy and Happy Society Gerald McDermott, 1992-09-15 Jonathan Edwards 1703-58 was arguably this country's greatest theologian and its finest philosopher before the nineteenth century His school of disciples the New Divinity exerted enormous influence on the religious and political cultures of late colonial and early republican America Hence any study of religion and politics in

early America must take account of this theologian and his legacy Yet historians still regard Edwards's social theory as either nonexistent or underdeveloped Gerald McDermott demonstrates to the contrary that Edwards was very interested in the social and political affairs of his day and commented upon them at length in his unpublished sermons and private notebooks McDermott shows that Edwards thought deeply about New England's status under God America's role in the millennium the nature and usefulness of patriotism the duties of a good magistrate and what it means to be a good citizen In fact his sociopolitical theory was at least as fully developed as that of his better known contemporaries and more progressive in its attitude toward citizens rights Using unpublished manuscripts that have previously been largely ignored McDermott also convincingly challenges generations of scholarly opinion about Edwards The Edwards who emerges from this nook is both less provincial and more this worldly than the persona he is commonly given     *Jonathan Edwards and Justification by Faith* Revd Dr Michael McClenahan, 2012-10-28 Jonathan Edwards 1703-1758 is widely regarded as North America's most influential theologian Throughout the early decades of his ministry he engaged in a public and sustained debate with Arminian theology a crusade that contributed significantly to the events of the Great Awakening This book investigates the contours and substance of this theological war In establishing a clearer historical context for this polemic McClenahan seeks to overturn the scholarly consensus that Edwards' own theology was a twisting of the Reformed tradition By demonstrating that Edwards' interlocutor was the dead English Archbishop John Tillotson McClenahan provides the hermeneutical key for many of Edwards' most significant works Justification by faith is one of the most contested doctrines in contemporary theology and Jonathan Edwards referred to as America's Augustine wrote extensively on this area His is a voice that many people are keen to hear     **Jonathan Edwards on True Christianity** Owen Strachan, Douglas Sweeney, 2010-01-21 What is a true Christian What is the church Though these are fundamental questions they often go unanswered in our current evangelical context Far too many pastors and thinkers celebrate the trappings of faith and the mere benefits of Christianity ignoring the biblical testimony on true conversion that shouts from countless texts from Scripture This has fed an age old problem nominal Christianity Though Edwards is sometimes presented as a scourge a mean hearted parson who lived to belt out thunderous damnations a careful study of the historical record and of Edwards' writings shows that he was in fact a Christian man devoted to the cultivation of true and saving faith in a spiritually fickle people he tenaciously loved The problem of noncommittal Christianity did not end with Edwards It not only survives but thrives in the current day In studying it then we are studying ourselves We see that nominal Christianity a considerable challenge today has historic roots We need not face this problem alone growing more discouraged by the day flailing as we try method after method to address the problem Instead we can find solace instruction and encouragement from the biblically saturated life and ministry of Jonathan Edwards Easily accessible and readable you do not need to be a scholar to enjoy these insights about Jonathan Edwards and his writings     Jonathan Edwards Philip F. Gura, 2005 Chronicles the life of mid eighteenth century evangelical Jonathan

Edwards placing his work in context to the upheaval of his times      *Jonathan Edwards Lover of God* Owen Strachan, Douglas Sweeney, 2010-01-21 Jonathan Edwards stands tall in America's historical memory A great philosopher a great preacher a great theologian Edwards was a complex and gifted person one who defies easy characterization He intimidates us and we distance ourselves from him because at the most fundamental level he's just not like us It is of course true that Jonathan Edwards was a combination of many rare things an exceptional intellectual a masterly preacher a cavernous theologian a devoted husband and father a college president and much more But all of these roles flowed out of one simple and essential reality Jonathan Edwards was a Christian He was a believer who followed Jesus Christ in repentant faith He loved God and he sought to live for Him This book celebrates the unique life and ministry of Jonathan Edwards It peels back the cover of his life to show us what a life devoted to our sovereign Lord can look like It causes us to use our own God-given gifts for the salvation of sinners the strengthening of God's church and the glory of God You do not need to be a scholar to enjoy and benefit from the story and rich lessons about Edwards' life      **Jonathan Edwards on the Good Life** Owen

Strachan, Douglas Sweeney, 2010-01-21 What is the good life that we so often hear talk of in our modern age Is it cars that drive fast houses that resemble castles Is it unbounded sexual pleasure unrestrained personal gratification of all one's desires Is it quiet and solitude individual removal from the storm and thunder of modern society Or is it obedient Christian faith that causes spiritual corpses to burst forth with godly passion and holy worship that transforms one's own life one's environment and one's eternal destiny This other way of life proceeds from an ancient book that lifts life in this age and all mothers to another plane This is the truly good life the path plotted for the steps of mankind by almighty God It involves sacrifice and hardship and hard work It means self-denial self-abasement and an others-centered mindset It is radically God-centered and deeply rooted in Scripture This and no other path offers the souls of humanity lasting happiness For Jonathan Edwards submission to God and His will was the path to true fulfillment and the good life Easily accessible and readable you do not need to be a scholar to enjoy these insights about Jonathan Edwards and his writings      Jonathan Edwards and the Church Rhys S. Bezzant, 2013-11-13 Though Edwards spent most of his life working in local churches and saw himself primarily as a pastor his own views on the theology of the church have never been explored in depth This book presents Edwards's views on ecclesiology by tracking the development of his convictions during the course of his tumultuous career Drawing on Reformation foundations and the Puritan background of his ministry Edwards refreshes our understanding of the church by connecting it to a nuanced interpretation of revival allowing a dynamic view of the place of church in history and new thinking about its institutional structure Indeed in Edwards's writing the church has an exalted status as the bride of Christ joined to him forever Building on the recent completion of the works of Jonathan Edwards and material newly published online this book the first ever on Edwards's ecclesiology demonstrates his commitment to corporate Christian experience shaped by theological convictions and his aspirations towards the visibility and unity of the Christian church In a

final section Bezzant discusses topics relating to ecclesiology such as hymnody discipline and polity that occupied Edwards throughout his ministry Edwards preached a Gospel concerned with God s purposes for the world so it is the growth of the church not merely the conversion of individuals that is the necessary fruit of his preaching The church in the West is rediscovering the importance of ecclesiology as it emerges from its Christendom constraints Edwards s struggle to understand the church and its place within God s cosmic design is a case study that helps us to appreciate the church in the modern world

Yeah, reviewing a book **The Theology Of Jonathan Edwards** could grow your near links listings. This is just one of the solutions for you to be successful. As understood, capability does not recommend that you have fabulous points.

Comprehending as well as settlement even more than further will allow each success. bordering to, the statement as well as insight of this The Theology Of Jonathan Edwards can be taken as competently as picked to act.

### **The Theology Of Jonathan Edwards Introduction**

The Theology Of Jonathan Edwards Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Theology Of Jonathan Edwards Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Theology Of Jonathan Edwards : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Theology Of Jonathan Edwards : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Theology Of Jonathan Edwards Offers a diverse range of free eBooks across various genres. The Theology Of Jonathan Edwards Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Theology Of Jonathan Edwards Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Theology Of Jonathan Edwards, especially related to The Theology Of Jonathan Edwards, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Theology Of Jonathan Edwards, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Theology Of Jonathan Edwards books or magazines might include. Look for these in online stores or libraries. Remember that while The Theology Of Jonathan Edwards, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Theology Of Jonathan Edwards eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Theology Of Jonathan Edwards full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Theology Of Jonathan Edwards eBooks, including some popular titles.

## FAQs About The Theology Of Jonathan Edwards Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Theology Of Jonathan Edwards is one of the best book in our library for free trial. We provide copy of The Theology Of Jonathan Edwards in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Theology Of Jonathan Edwards. Where to download The Theology Of Jonathan Edwards online for free? Are you looking for The Theology Of Jonathan Edwards PDF? This is definitely going to save you time and cash in something you should think about.
